The House assembled at 10:00 a.m.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk, Jr., as follows:

Our thought for today is from Psalm 104:24: "O Lord, how manifold are your works!"

Let us pray. Good and gracious God, we give You thanks for this day and for these, Your people, who give of their time and talents for the good of this State. Give us patience, Lord, to believe that Your way is the best way. Guide and keep our defenders and first responders. May Your will be done as we work together. Bless our World, Nation, President, State, Governor, Speaker, staff, and all who labor in this vineyard. Heal the wounds, those seen and those hidden, of our women and men who suffer and sacrifice for our freedom. Lord, in Your Mercy, hear our prayers. Amen.

STATEMENT FOR THE JOURNAL

The SC NAACP's House redistricting map adheres to a 2.5% population deviation as prescribed by the House Ad Hoc Redistricting Committee, even though federal case law has upheld deviation of up to 10%. Communities of Interest are recognized in the NAACP map unlike the House Judiciary map that splits Communities of Interest in the Upstate (Districts 6-9), Pee Dee (Districts 59, 60), Midlands (Districts 95, 70, 80, 93) and the Lowcountry (Districts 102, 103, 111) thus marginalizing voters' opportunity to elect the candidates of their choice. The NAACP map provides 35 potential districts where Blacks have a viable electability opportunity. The House Judiciary map has fewer such districts and places minority incumbents in the same district, thus further eroding opportunities for representation, in direct conflict with an Ad Hoc Committee stated objective. There is no indication that the AD Hoc Committee utilized any objective analysis of minority voting patterns. That analysis information was requested of the Committee but was not shared with the public.

Finally, the Ad Hoc Committee's reapportionment process strayed from acceptable standards of transparency previously utilized by the House Judiciary Election Laws Committee. The Committee's redistricting analysis was obscured from public scrutiny. None of the Ad Hoc Committee members have experience in state legislative reapportionment and that lack of experience has produced highly gerrymandered districts.

STATEMENT FOR THE JOURNAL

The House District map submitted by the SC League of Women Voters utilizes the accepted federal case law of a 5% population deviation, up or down for each House District. The League's map did not give preference to protecting incumbents. Based on voting patterns analysis, the League's district map will most likely result in 77 Republican Districts but it does not pack or crack minority voting populations as does the gerrymandered House Judiciary map.

Rep. Wendy Brawley

Rep. GOVAN proposed the following Amendment No. 5H. 4493 (COUNCIL\AHB\4493C007.RT.AHB21), which was tabled:

THURSDAY, DECEMBER 2, 2021

STATEMENT FOR JOURNAL

I was temporarily out of the Chamber on constituent business during the vote on H. 4493. If I had been present, I would have voted in favor of the Bill.

Rep. Annie McDaniel

STATEMENT FOR JOURNAL

I withheld my vote for H. 4493, not because I objected to it in total, I objected to the committee's final plan for District 123. I object to the splitting of Hilton Head 1B voting precinct into two pieces and thus being represented by two Representatives. I offered an amendment to reverse the Committee's plan for District 123, however, unfortunately, it was unsuccessful.

Rep. Jeff Bradley

STATEMENT FOR JOURNAL

I had a long standing Dr.'s appointment today that could not be changed that had me away from Columbia (State House) for the morning. When I arrived, the House had already given second reading to the redistricting bill H. 4493. If I were here when second reading was given, I would have voted in favor of the plan. I understand that there was a roll call vote to adjourn for the day and I would have voted not to adjourn.

Rep. Brian White

STATEMENT BY REP. MURPHY

Rep. MURPHY gave notice of offering amendments on third reading if necessary, pursuant to Rule 9.2.

SPEAKER IN CHAIR

MOTION ADOPTED

Rep. SIMRILL moved that the House do now adjourn.
