Author: Jordan
Subject: Florence County Register of Deeds
Requestor: House Judiciary
RFA Analyst(s): Bryant
Impact Date: April 12, 2023

Fiscal Impact Summary

This bill adds Florence County to those counties exempt from the requirement that duties prescribed by law for the register of deeds must be performed by the clerk of court. The bill also provides that the register of deeds will be appointed by the governing body of the county.

Florence County indicates that this bill will increase the county's expenses by approximately \$8,000 for supplies, tort insurance, equipment leases, and travel to create a Register of Deeds office. Additionally, the County anticipates a salary increase of approximately \$27,000 will be required for the current deputy clerk of court to move into the new Register of Deeds position. However, Florence County intends to offset the cost of the salary increase with savings resulting from attrition in the Clerk of Court's office in the amount of approximately \$17,500. Therefore, the Revenue and Fiscal Affairs Office (RFA) anticipates that this bill may increase overall expenditures for Florence County by an estimated \$17,500, potentially beginning in FY 2024-25.
