In January of 2022, I directed the Department of Health and Human Services to perform a comprehensive review and analysis of the school mental health services program at the Department of Mental Health. Within four months, HHS produced a review of the program and seven recommendations for removing barriers that existed to accessing quality mental health services in our schools. These recommendations

were enacted on July 1, 2022, and produced a public-private partnership that offered schools more choice and control in accessing school-based mental health services for their students.

Health and Human Services also conducted a survey at the start of the current school year to determine the availability of school-based mental health services in South Carolina.

The survey showed that the number of school-based mental health counselors available for public schools has doubled from 600 in January of 2022 to 1,209 in September 2023. The ratio was one counselor for 1,300 students then, to one for 653 now.

The survey also showed that students at more than 200 additional schools now have access to mental health counseling and that all 73 of our traditional school districts now have access to mental health counseling.

We also know that access and affordability to higher education for every South Carolinian is essential to ensuring that we have the trained and skilled workforce to successfully compete for jobs and investment in the future and meet all economic challenges.

Therefore, this marks the fifth year in a row that I have asked the General Assembly to freeze college tuition for in-state students, with an appropriation to our institutions of higher education of $49.8 million. This represents a 4.5 percent increase as defined by the Higher Education Price Index.

I am also requesting $95 million in lottery funds to South Carolina Workforce Industry Needs Scholarships through the South Carolina Technical College System.

Despite the high demand for skills, training, and knowledge, many institutions across the nation are seeing declining enrollments. To address these challenges, I have proposed funding for the Education Oversight Committee–a nonpartisan committee composed of legislators, educators, and business representatives–to oversee a systemic review of our state's 33 public institutions of higher education.

This study will provide a systemic review, including an assessment of any advantages that are offered in consolidating schools or programs, or re-evaluate the courses, degrees and certificates that are offered at our public colleges and universities. The goal is to make sure we are meeting our state's future workforce needs.

Also, I propose providing $80 million so that every South Carolinian who qualifies for federal need-based financial aid as measured by federal Pell Grants has sufficient state financial assistance to attend any in-state public college, university, or technical college.

Students at private, independent, and historically black colleges and universities will receive an additional $20 million for tuition grants and assistance.

Recently we learned that the Commission on Higher Education has approximately $151.7 million in surplus lottery funds that have not been used for college scholarships.

My Executive Budget recommends allocating those excess funds for additional need-based grants or to pay for an extra semester of LIFE, HOPE or Palmetto Fellow scholarships. These one-time funds should incentivize students to complete their undergraduate degree and enter the workforce sooner.

My Executive Budget also provides $44 million for deferred maintenance and health and safety upgrades at our four-year comprehensive institutions, two-year branch campuses of the University of South Carolina, and our technical colleges.

In addition, I am proposing a $34 million appropriation for campus infrastructure resiliency at the Medical University of South Carolina, a second $70 million installment for the College of Veterinary Medicine at Clemson University, and a $35 million investment for the Health Sciences Campus at the University of South Carolina.

My Executive Budget also proposes $1 million for operations and security for the Anne Frank Center and $1 million for the Center for Civil Rights History and Research, both at USC.

And finally for education, I propose continued funding of $20 million for the Battelle Alliance, a collaborative nuclear sciences research partnership between the University of South Carolina, Clemson University, South Carolina State University, and the Savannah River National Laboratory.

Truly, we must have the strongest focus on education we can muster if we are going to succeed.

Our COVID-19 experience revealed that a mental health crisis existed in South Carolina. What wasn't clear was just how bad it was.

That's why two years ago, I directed Health and Human Services Director Robby Kerr to initiate an immediate review of our state's behavioral health funding and delivery system.

It became clear from Director Kerr's efforts that the time had come to modernize and restructure South Carolina's siloed healthcare delivery agencies: the Department of Mental Health, the Department of Health and Human Services, the Department of Health and Environmental Control, among others.

The restructuring of these agencies is and will continue to be a complicated legal and financial endeavor, involving billions of dollars in federal funding that flow through these agencies for a myriad of services and programs such as Medicaid.

Last year, my Executive Budget and the General Appropriations Act directed the Department of Administration to procure the professional expertise necessary to analyze and provide the General Assembly with a comprehensive plan to restructure these agencies, consolidating and privatizing services where possible.

The prestigious Boston Consulting Group was hired and has provided their initial report. Unfortunately, their analysis confirmed what many of us had feared – and much worse.

According to their report, South Carolina has the most fragmented health and human service delivery system in the nation. As a result, 77% of our state's young people with major depressive episodes do not receive mental health treatment, according to Mental Health America. This ranks lowest in the country. Our citizens and families are suffering as a result of this dysfunction.

With little to no coordination between the relevant agencies, South Carolinians seeking assistance are forced to navigate through a confusing landscape of offices, agencies, and officials as they seek help for a loved one or dependent. Too often they fall through the cracks of a system that does not coordinate, communicate, or collaborate.

The time has come for dramatic restructuring: for the consolidation and streamlining of these agencies into one single cabinet agency. One that will develop a strategic plan and operational approach to improve the quality, accountability, and delivery of health and human services to the citizens of our state – as the Boston Consulting Group has recommended.

This will require us to reimagine how the state provides access to crisis mental health care, physical health care, substance abuse services, disability and special needs services, and assistance to the elderly and at-risk.

I implore you: Let this legislative session be remembered for the creation of the most effective, efficient, and professional health and human service delivery system in our history.

Our state law enforcement and criminal justice agencies have begun to stem the tide of personnel loss with recruitment and retention pay raises provided in the previous two General Appropriations Acts.

I propose that we build on this success, by providing an additional $17.8 million for recruitment and retention pay raises in FY 2024-2025. Invaluable experience should not be allowed to walk out the door.

I am also once again proposing a $2,000 state income tax credit for every active-duty law enforcement officer, firefighter, first responder, and emergency medical technician employed by a public entity.

Additionally, this budget maintains a proviso suspending the $10,000 retirement cap for anyone enrolled in the Police Officer Retirement System. This will allow retired officers to return to work and fill existing vacancies.

Placing an armed, certified school resource officer in every school, in every county, all day, every day, has been one of my top priorities.

At my request, the General Assembly began providing funds to hire more resource officers for our state's 1,284 public schools. The grant program has been very successful and has more than doubled the number of officers assigned to a school, going from 406 in 2018 to 1,109 in 2023.

I am recommending an additional $13.4 million to add officers in each of the remaining 175 schools currently without an assigned SRO.

Animal fighting, especially dog fighting, is one of the cruelest criminal activities in our society. Law officers estimate that most of the people participating in this barbaric activity have long criminal records.

In September 2022, a SLED agent was dedicated to combating animal fighting and working in collaboration with other law enforcement agencies. Shortly thereafter, the agent helped execute one of the "biggest takedowns of a dogfighting operation in South Carolina history," according to the U.S. Attorney's Office.

This Executive Budget expands upon this success by recommending $566,000 to hire three additional SLED agents dedicated to animal fighting.

In July 2023, the South Carolina Department of Corrections began utilizing a process that allows mobile phone providers to permanently disable contraband phones and devices. They are detected by a certified contraband interdiction system approved by the Federal Communications Commission. To date, over 875 phones and devices have been disabled at Lee Correctional Institution. My Executive Budget recommends $23 million to expand this valuable program to each prison in our state.

Our law enforcement officers know who the repeat criminals are. They commit over 80 percent of the crimes.

Unfortunately, this is happening every day. How long are we going to let this happen?

Law enforcement needs our help. They need stronger laws to keep illegal guns out of the hands of criminals and juveniles, and they need new laws to "close the revolving door" and keep career criminals behind bars and not out on bond.

Currently, there are no graduated criminal penalties for illegal gun possession in state law. That means the penalty is the same – small – no matter how many times the criminal gets caught. This provides no deterrent. Graduated felony penalties, with no bond, will help keep repeat criminals behind bars and not out on bail where they can – and will – commit more crimes.

During the last year, I have continually called on this General Assembly to act, to simply take a vote, and pass graduated criminal penalties for illegal gun possession so that I can sign it into law.

And during this last year, it has become an almost daily occurrence for an innocent South Carolinians to be shot or shot at by a career criminal who should be behind bars instead of roaming our streets with virtual impunity.

Ladies and Gentlemen, this new law will require no appropriation – no money – except whatever it costs to feed these killers while they rest peacefully behind bars.

Joining us today is South Carolina Highway Patrol Lance Corporal B.A. Frazier.

Around 3:30 a.m. on April 16, 2023, Trooper Frazier was on duty and initiated a traffic stop after witnessing a vehicle traveling at high speed on U.S. Highway 78 in Bamberg County. As a Bamberg County Sheriff's Deputy arrived to assist, Trooper Frazier was shot by the suspect. Both officers returned fire as the suspect sped away. Following a long chase, the suspect crashed into a home in Branchville.

Video from the body and dash cameras of the incident is hard to watch. Trooper Frazier's professionalism and composure while under fire and getting shot in the face – was remarkable. He embodies the best of the Highway Patrol and South Carolina law enforcement.

The gun that was used to shoot Trooper Frazier? According to the State Law Enforcement Division, it was a stolen gun.

The assailant? Derrick Edwards Gathers, according to SLED, was a 22-year repeat offender who was out on bond on charges in the state of Georgia. Gathers's long rap sheet includes numerous charges

and convictions for trespass, robbery, assault and battery, dealing drugs, rape, criminal sexual conduct, and seven charges for criminal possession of a firearm.

This career criminal should have been behind bars and not behind the wheel of a car in South Carolina.

Trooper Frazier is here with us this evening. Trooper Frazier, please stand so that we may recognize you.

So, I ask you, again, send me a bill with graduated criminal penalties for illegal gun possession. I will sign it into law. Let's get these career criminals behind bars and save the lives of our people. When our people are safe, they thrive.

In closing, to the members of the General Assembly, I say let us continue our successful partnership, one that has been based on communication, collaboration, and cooperation.

Let us embrace civility and comity through our thoughts, our deeds, and our words – and urge our people, especially the young people, to be proud of their state.

And let us set our State on a course that will provide the opportunity for prosperity, success, and happiness for generations of South Carolinians.

The best is yet to come.

May God continue to bless America, and our Great State of South Carolina.

The Honorable George Roosevelt Gibson and Sarah Deas Gibson

Mr. Speaker, I move that when the House adjourns today, that we do so in memory of a beloved couple, Sarah Deas Gibson and George Roosevelt Gibson, of Sumter County.

Sarah Deas Gibson worked 30 years at Exide/Yuasa in Sumter County and then with Grace Nursing Systems. She also served as Municipal Clerk for the Town of Mayesville. Her husband of 53 years, the Honorable George Gibson was a 25-year USAF reservist, assistant principal and then principal in the Sumter School District. Mr. Gibson

was active in church and community and recently served as Chairman of the Board of Directors of Black River Electric Co-Operatives. He was a retired summary court judge for Sumter County and Municipal Court Judge for the Town of Mayesville, South Carolina.

Sarah Gibson passed on November 28, 2023, and George died in a tragic accident on December 25, 2023.

We salute the Gibsons for their service and unselfish devotion to Sumter County and the State of South Carolina. We extend condolences to their family, and I further move that these remarks be printed in the House Journal.

Smith, Stavrinakis, Taylor, Thayer, Thigpen, Trantham, Vaughan, Weeks, West, Wetmore, Wheeler, White, Whitmire, Williams, Willis, Wooten and Yow: A HOUSE RESOLUTION TO HONOR JANE O. SHULER, FORMER CHIEF COUNSEL TO THE HOUSE ETHICS COMMITTEE, ON THE OCCASION OF HER RECENT RETIREMENT, TO EXTEND DEEP APPRECIATION FOR HER THIRTY-ONE YEARS OF DISTINGUISHED PUBLIC SERVICE TO THE STATE OF SOUTH CAROLINA, AND TO OFFER BEST WISHES FOR A SATISFYING AND REWARDING RETIREMENT.

Whereas, for thirty-one years, the State of South Carolina enjoyed the benefit of the dedication, experience, and leadership of Jane O. Shuler, former chief counsel to the House Ethics Committee, who on December 31, 2023, retired from her post after more than three decades of outstanding public service to this great State and nearly nine years in the position from which she retired; and

Whereas, beginning her work with the House on February 17, 2015, Jane Shuler served first as counsel and then as chief counsel to the South Carolina House Ethics Committee (HEC). She leaves a legacy of helping institute ethics reforms that promote good government. Some of the HEC's accomplishments during her tenure included starting random audits of members and a candidate's Campaign Disclosure reports and campaign bank records, with 161 audits currently completed; seeing numerous HEC Advisory Opinions adopted and confidential informal opinions written; instituting a fine appeal process and adopting fine appeal standards, with 158 fine appeals heard; and spending two and a half years collaborating with the State Ethics Commission director and Senate Ethics Committee counsel to develop and implement a new ethics filing system for candidates, public members, and public officials to file their Statement of Economic Interests and Campaign Disclosure reports; and

Whereas, further achievements include creating a new candidate brochure and HEC Public Employee brochure, developing procedures to implement the 2017 changes in the complaint process pursuant to Act No. 282 of 2016, improving the process for drafting and handling budget abstentions, educating lawyer/legislators and other public employees on ethics requirements by speaking at continuing legal education seminars, and arranging for two ethics hours and one mental health/substance abuse hour of continuing legal education for lawyers/legislators each year; and

Whereas, in addition to her thirty-one years of service to the State of South Carolina, Jane Shuler served three years with the federal government; and

Whereas, during Jane's well-earned retirement, the House hopes she will find herself more frequently able to indulge in travel with her husband, the volunteer work she so enjoys, and fun with her two

delightful granddaughters; and

Whereas, the House of Representatives is grateful for the legacy of consistent commitment and leadership Jane Shuler has bestowed on the people of South Carolina. Speaking on behalf of her many friends across agencies in state government, the House takes great pleasure in wishing her all the best as she enters retirement, and the members trust she will find much enjoyment in the more leisurely pace of the days ahead. Now, therefore,

Be it resolved by the House of Representatives:

That the members of the South Carolina House of Representatives, by this resolution, honor Jane O. Shuler, former chief counsel to the House Ethics Committee, on the occasion of her recent retirement, extend deep appreciation for her thirty-one years of distinguished public service to the State of South Carolina, and offer best wishes for a satisfying and rewarding retirement.

Be it further resolved that a copy of this resolution be presented to Jane O. Shuler.

The Resolution was adopted.

The Committee on Education and Public Works proposed the following Amendment No. 1 to H. 3309 (LC-3309.WAB0002H):

Amend the bill, as and if amended, by striking SECTION 2 and inserting:

SECTION X. Article 2, Chapter 10, Title 59 of the S.C. Code is amended by adding:

Section 59-10-215. Each school district and charter school shall adopt a seizure training program to provide instruction in understanding the basics about epilepsy and its impact on student learning, recognizing signs and symptoms of seizures, the appropriate steps to be taken to respond to symptoms of a seizure, and the administration of seizure medications. This training must be consistent with guidelines established by a qualified nonprofit organization that supports the welfare of individuals with epilepsy and seizure disorders. The completion of this training must be documented by the school district and the training may be provided virtually, provided by school or district staff, or may be conducted by an individual trained to deliver such information.

SECTION X. Section 59-63-80 of the S.C. Code is amended to read:

Section 59-63-80. (A) As used in this section:

(1) "medication" is defined as medication prescribed by a health care provider contained in the original packaging with the appropriate pharmacy label or in a secure package containing a note from the prescribing physician or pharmacist that appropriately identifies the medicine;

(2) "monitoring device" is defined as implements prescribed by a health care provider for monitoring a chronic health condition; ~~and~~

(3) "individual health care plan" (IHP) is defined as a plan of care designed specifically for an individual student to provide for meeting the health monitoring and care of the student during the school day or at school-sponsored functions;

(4) "emergency action plan" (EAP) is defined as a plan for handling emergency situations that may occur as a result of a student's medical diagnosis during the school day or at school-sponsored functions;

(5) "seizure action plan" (SAP) is defined as a written, emergency action plan as a supplement to the individualized health plan provided by the parent or legal guardian of a student who is diagnosed with a seizure disorder and signed by the child's health care provider. Such a plan must acknowledge the health care needs of the student, prepare both parties to meet those needs, and apply over the course of a school year.

(B) Each school district shall adopt a policy requiring that students with special health care needs have individual health care plans. This policy must address the administration of medication needed for the student's specific health care needs, address training requirements specific to the student's health care needs for school personnel with direct student contact when appropriate as determined by the school nurse, and provide information to additional school personnel on recognizing signs and symptoms associated with specific medical conditions. Additionally, the plan must provide for the authorization of a student to self-monitor and self-administer medication as prescribed by the student's health care provider unless there is sufficient evidence that unsupervised self-monitoring or self-medicating would seriously jeopardize the safety of the student or others. The policy must include, but is not limited to:

(1) a requirement that the student's parent or legal guardian provide to the school:

(a) written authorization from the parent or legal guardian for the administration of medications needed for the student's specific health

care needs to include whether school personnel or volunteers are permitted to administer, and, if appropriate, authorization for the student to self-monitor and self-administer medication; and

(b) a written statement from the student's health care practitioner who prescribed the medication verifying that the student has a medical condition and medicine is required to treat the condition. If the student has permission to self-monitor and self-administer medication, the health care practitioner's statement must verify that the student has been instructed and demonstrates competency in self-monitoring or self-administration of medications, or both.

(2) authorization for a student to possess on his person and administer medication while:

(a) in the classroom and in any area of the school or school grounds;

(b) at a school-sponsored activity;

(c) in transit to or from school or school-sponsored activities; or

(d) during before-school or after-school activities on school-operated property.

(C) The statements required in subsection (B)(1) must be kept on file in the office of the school nurse or school administrator.

(D)(1) The State Department of Education shall develop guidelines for required components of a written student individual health care plan to include training specific to the student's health care needs for school personnel with direct student contact, and if appropriate as determined by the school nurse, provide information to additional school personnel on recognizing signs and symptoms associated with specific medical conditions. These plans ~~which~~ must be developed with input from and with the approval of:

(a) the student's health care practitioner who prescribed the medication;

(b) the parent or legal guardian;

(c) the student, if appropriate; and

(d) the school nurse or other designated school staff member.

(2) If a student qualifies for a Federal 504 medical accommodations plan, that process must meet the requirements for the state-required individual health plan.

(3) The parent or guardian and the student, if appropriate, shall authorize the school to share the student's individual health care plan with school staff who have a legitimate need for knowledge of the information.

(4) If a student's health care practitioner deems appropriate and written information outlining the student's health needs is provided by the parent and health care practitioner, an EAP shall accompany the IHP for distribution to school staff who have a legitimate need for knowledge of the information.

(5) If a student's health care practitioner deems appropriate and written information outlining the student's health needs is provided by the parent and health care practitioner, an SAP shall accompany the EAP for distribution to school staff who have a legitimate need for knowledge of the information.

(E) All medication authorized to be carried by the student must be maintained in a container appropriately labeled by the pharmacist who filled the prescription.

(F) A student's permission to self-monitor or self-administer medication may be revoked if the student endangers himself or others through misuse of the monitoring device or medication.

(G) The permission for self-monitoring or self-administration of medication is effective for the school year in which it is granted and must be renewed each school year upon fulfilling the requirements of this section.

(H) A parent or guardian shall sign a statement acknowledging that:

(1) the school district and its employees and agents are not liable for an injury arising from a student's self-monitoring or self-administration of medication;

(2) the parent or guardian shall indemnify and hold harmless the district and its employees and agents against a claim arising from a student's self-monitoring or self-administration of medication;

(3) the school district and its employees and agents are not liable for an injury arising from administration of medication authorized by an IHP;

H. 3309--AMENDED AND ORDERED TO THIRD READING

The following Bill was taken up:

H. 3309 -- Reps. Gilliam, Pope, Erickson, Bradley, Davis, Caskey and M. M. Smith: A BILL TO AMEND THE SOUTH CAROLINA CODE OF LAWS BY ENACTING THE "SEIZURE SAFE SCHOOLS ACT" BY ADDING SECTION 59-63-97 SO AS TO REQUIRE THE ESTABLISHMENT OF SEIZURE ACTION PLANS IN PUBLIC SCHOOLS, AND TO PROVIDE REQUIREMENTS FOR SUCH PLANS AND THEIR IMPLEMENTATION, AMONG OTHER THINGS.

The Committee on Education and Public Works proposed the following Amendment No. 1 to H. 3309 (LC-3309.WAB0002H), which was adopted:

Amend the bill, as and if amended, by striking SECTION 2 and inserting:

SECTION X. Article 2, Chapter 10, Title 59 of the S.C. Code is amended by adding:

Section 59-10-215. Each school district and charter school shall adopt a seizure training program to provide instruction in understanding the basics about epilepsy and its impact on student learning, recognizing signs and symptoms of seizures, the appropriate steps to be taken to respond to symptoms of a seizure, and the administration of seizure medications. This training must be consistent with guidelines established by a qualified nonprofit organization that supports the welfare of

individuals with epilepsy and seizure disorders. The completion of this training must be documented by the school district and the training may be provided virtually, provided by school or district staff, or may be conducted by an individual trained to deliver such information.

SECTION X. Section 59-63-80 of the S.C. Code is amended to read:

Section 59-63-80. (A) As used in this section:

(1) "medication" is defined as medication prescribed by a health care provider contained in the original packaging with the appropriate pharmacy label or in a secure package containing a note from the prescribing physician or pharmacist that appropriately identifies the medicine;

(2) "monitoring device" is defined as implements prescribed by a health care provider for monitoring a chronic health condition; ~~and~~

(3) "individual health care plan" (IHP) is defined as a plan of care designed specifically for an individual student to provide for meeting the health monitoring and care of the student during the school day or at school-sponsored functions;

(4) "emergency action plan" (EAP) is defined as a plan for handling emergency situations that may occur as a result of a student's medical diagnosis during the school day or at school-sponsored functions;

(5) "seizure action plan" (SAP) is defined as a written, emergency action plan as a supplement to the individualized health plan provided by the parent or legal guardian of a student who is diagnosed with a seizure disorder and signed by the child's health care provider. Such a plan must acknowledge the health care needs of the student, prepare both parties to meet those needs, and apply over the course of a school year.

(B) Each school district shall adopt a policy requiring that students with special health care needs have individual health care plans. This policy must address the administration of medication needed for the student's specific health care needs, address training requirements specific to the student's health care needs for school personnel with direct student contact when appropriate as determined by the school nurse, and provide information to additional school personnel on recognizing signs and symptoms associated with specific medical conditions. Additionally, the plan must provide for the authorization of a student to self-monitor and self-administer medication as prescribed by the student's health care provider unless there is sufficient evidence that unsupervised self-monitoring or self-medicating would seriously jeopardize the safety of the student or others. The policy must include,

but is not limited to:

(1) a requirement that the student's parent or legal guardian provide to the school:

(a) written authorization from the parent or legal guardian for the administration of medications needed for the student's specific health care needs to include whether school personnel or volunteers are permitted to administer, and, if appropriate, authorization for the student to self-monitor and self-administer medication; and

(b) a written statement from the student's health care practitioner who prescribed the medication verifying that the student has a medical condition and medicine is required to treat the condition. If the student has permission to self-monitor and self-administer medication, the health care practitioner's statement must verify that the student has been instructed and demonstrates competency in self-monitoring or self-administration of medications, or both.

(2) authorization for a student to possess on his person and administer medication while:

(a) in the classroom and in any area of the school or school grounds;

(b) at a school-sponsored activity;

(c) in transit to or from school or school-sponsored activities; or

(d) during before-school or after-school activities on school-operated property.

(C) The statements required in subsection (B)(1) must be kept on file in the office of the school nurse or school administrator.

S. 298--AMENDED AND ORDERED TO THIRD READING

The following Bill was taken up:

S. 298 -- Senators Bennett, Turner, Kimbrell, Campsen and Adams: A BILL TO AMEND THE SOUTH CAROLINA CODE OF LAWS BY AMENDING SECTION 12-6-2320, RELATING TO ALTERNATE METHODS FOR THE ALLOCATION AND APPORTIONMENT OF INCOME FOR STATE INCOME TAX PURPOSES, SO AS TO SET FORTH A PROCESS FOR THE DEPARTMENT OF REVENUE AND TAXPAYERS TO ACCURATELY DETERMINE NET INCOME.

The Committee on Ways and Means proposed the following Amendment No. 1 to S. 298 (LC-298.DG0002H), which was adopted:

Amend the bill, as and if amended, SECTION 1, by striking Section 12-6-2320(B)(1), (2), (3), (4), and (5) and inserting:

(B)(1) Notice. When the department has reason to believe that any taxpayer conducts its trade or business in a manner as to fail to fairly represent the extent of the taxpayer's business activity in this State through the use of transactions that lack economic substance or are not at fair market value between members of an affiliated group of entities, the department may, upon written notice to the taxpayer, require any information reasonably necessary to determine whether the taxpayer's intercompany transactions have economic substance and are at fair market value and for the accurate computation of the taxpayer's state net income properly attributable to its business activity in this State. The taxpayer must provide the information requested within ninety days of the date of the notice.

(2) Adjust Net Income. If upon review of the information provided, the department finds that the taxpayer's intercompany transactions lack economic substance or are not at fair market value, the department may redetermine the state net income of the taxpayer properly attributable to its business activity in this State under subsection (A) by: (i) adding back, eliminating, or otherwise adjusting intercompany transactions to accurately compute the taxpayer's state net income, or, if such adjustments are not adequate under the circumstances to redetermine state net income, (ii) requiring the taxpayer to file a return that reflects the net income on a combined basis of all members of its affiliated group that are conducting a unitary business. The department shall consider and be authorized to use any reasonable method proposed by the taxpayer for redetermining its state net income attributable to its business activity in this State. In determining whether the taxpayer's

intercompany transactions lack economic substance or are not at fair market value, the department shall consider each taxable year separately.

(3) Voluntary Redetermination. In addition to the authority granted under this subsection, if the department has reason to believe that any taxpayer's state net income properly attributable to its business activity in this State is not fairly represented on a separate return required by this subsection because of intercompany transactions, without making a finding that those transactions lack economic substance or are not at fair market value, the department and the taxpayer jointly may determine and agree to an alternative filing methodology that fairly represents state net income.

(4) Combined Return. If the department finds that a combined return is required under the provisions of subsection (A) and this subsection, the department may, upon written notice to the taxpayer, require the taxpayer to submit the combined return, and the taxpayer shall submit the combined return within ninety days of the date of the notice. The submission by the taxpayer of the combined return required by the department must not be deemed to be a return or construed as an agreement by the taxpayer that an assessment based on the combined return is correct or that additional tax is due by the department's deadline for submitting the combined return. The department or the taxpayer may propose a combination of fewer than all members of the unitary group, and the department is authorized to consider whether such proposed combination is a reasonable means of redetermining state net income; provided, however, the department shall not require a combination of fewer than all members of the unitary group without the consent of the taxpayer.

(5) Written Statement of Findings. If the department makes an adjustment or requires a combined return under this section, the department shall provide the taxpayer with a written statement containing details of the facts, circumstances, and reasons for which the department has found that the taxpayer did not fairly represent its state net income properly attributable to its business activity in this State and the department's proposed method for computation of the taxpayer's state net income no later than ninety days following the issuance of a proposed assessment as provided in this section.

Amend the bill further, SECTION 1, by striking Section 12-6-2320(B)(9), (10), (11), (12), and (13) and inserting:

(9) Apportionment. If the department requires a combined return under this section, the combined state net income of the taxpayer and the members of the affiliated group of entities must be apportioned to this

State by use of an apportionment formula that fairly represents the extent of the taxpayer's business activity in this State and which fairly reflects the apportionment formula in Section 12-6-2295 applicable to the taxpayer and each member of the affiliated group included in the combined return.

(10) Affiliated Group Defined. For purposes of this section, an affiliated group is a group of two or more corporations or noncorporate entities in which more than fifty percent of the voting stock of each member corporation or ownership interest of each member noncorporate entity is directly or indirectly owned or controlled by a common owner or owners, either corporate or noncorporate, or by one or more of the member corporations or noncorporate entities. Nothing in this subsection may be construed to limit or negate the department's authority to add back, eliminate, or otherwise adjust intercompany transactions involving the listed entities to accurately compute the taxpayer's state net income properly attributable to its business activity in this State, as provided in this subsection.

The following entities must not be included in a combined return:

(a) a taxpayer not required to file a federal income tax return;

(b) an insurance company, other than a captive insurance company: (i) which is subject to tax under Title 38; (ii) whose premiums are subject to tax under Chapter 7, Title 38 or a similar tax in another state; (iii) which is licensed as a reinsurance company; (iv) which is a life insurance company as defined in Section 816 of the Internal Revenue Code; or (v) which is an insurance company subject to tax imposed by Section 831 of the Internal Revenue Code. A "captive insurance company" means an insurer that is part of an affiliated group where the insurer receives more than fifty percent of its net written premiums or other amounts received as compensation for insurance from members of the affiliated group;

(c) a taxpayer exempt from taxation under Section 501 of the Internal Revenue Code;

(d) a foreign taxpayer as defined in Section 7701 of the Internal Revenue Code, other than a domestic branch thereof;

(e) a taxpayer with at least eighty percent of its gross income from all sources in the tax year being active foreign business income as defined in Section 861(c)(1)(B) of the Internal Revenue Code in effect as of July 1, 2021;

(f) any other entity not subject to tax under Section 12-6-530.

(11) Proposed Assessment or Refund. If the department redetermines the state net income of the taxpayer in accordance with this

section by adjusting the state net income of the taxpayer or requiring a combined return, the department shall issue a proposed assessment or refund upon making the redetermination. When a refund is determined in whole or part by a proposed assessment to an affiliated group member under this section, the refund may not be issued until the proposed assessment to the affiliated group member has become collectable. The amount of the refund shall reflect any changes made by the department under this section. Otherwise, the procedures for a proposed assessment or a refund in Chapter 60 are applicable to proposed assessments and refunds made under this section.

(12) Penalties. If a combined return required by this section is not timely submitted by a taxpayer, then the taxpayer is subject to the penalties provided in Section 12-60-430. Penalties may not be imposed on an assessment under this section except as expressly authorized in this section.

(13) Advice. A taxpayer may request in writing from the department specific advice regarding whether a redetermination of the taxpayer's state net income or a combined return would be required under this section under certain facts and circumstances. The department may request information from the taxpayer that is required to provide the specific advice. The department shall provide the specific advice within one hundred twenty days of the receipt of the requested information from the taxpayer. The department's advice under this item is not a department determination under the Revenue Procedures Act.

Amend the bill further, SECTION 1, by striking Section 12-6-2320(B)(16) and inserting:

(16) Appeals. If the taxpayer appeals a final determination by the department under this section to the Administrative Law Court in a contested tax case, the administrative law judge shall review de novo: (i) whether the separate income tax returns submitted by the taxpayer fail to fairly represent the extent of the taxpayer's business activity in this State through the use of intercompany transactions that lack economic substance or are not at fair market value between members of an affiliated group of entities; (ii) whether the department's means of determining the taxpayer's state net income under this section is an appropriate means of determining the taxpayer's state net income properly attributable to this State; and (iii) if a combined return is required by the department, whether adjustments other than requiring the taxpayer to file a return on a combined basis are adequate under the circumstances to redetermine state net income.

Amend the bill further, by striking SECTION 2 and inserting:

SECTION 2. This act takes effect upon approval by the Governor and does not apply to any assessments under judicial review by the South Carolina Administrative Law Court, Court of Appeals, or Supreme Court as of the date of the Governor's approval.

Renumber sections to conform.

SPEAKER IN CHAIR

Rep. Kirby proposed the following Amendment No. 3 to H. 4710 (LC-4710.DG0012H), which was tabled:

Amend the bill, as and if amended, by striking SECTION 1 and inserting:

SECTION X. Section 41-35-50 of the S.C. Code is amended to read:

Section 41-35-50. ~~The maximum potential benefits of any insured worker in a benefit year are the lesser of:~~

~~(1) twenty times his weekly benefit amount;~~

~~(2) one-third of his wages for insured work paid during his base period.~~

~~If the resulting amount is not a multiple of one dollar, the amount must be reduced to the next lower multiple of one dollar, except that no insured worker may receive benefits in a benefit year unless, subsequent to the beginning of the next preceding benefit year during which he received benefits, he performed "insured work" as defined in Section 41-27-300 and earned wages in the employ of a single employer in an amount equal to not less than eight times the weekly benefit amount established for the individual in the preceding benefit year.~~(A) The number of weeks an individual is allowed to receive unemployment benefits depends on the seasonally adjusted statewide unemployment rate that applies to the six-month reference period that includes the effective date of the claim. One six-month reference period begins on January first and one six-month reference period begins on July first. For the reference period that begins January first, the average of the seasonally adjusted unemployment rates for the State for the preceding months of July, August, and September apply. For the reference period that begins July first, the average of the seasonally adjusted unemployment rates for the State for the preceding months of January, February, and March apply. The Department of Employment and Workforce must use the most recent seasonally adjusted unemployment rate determined by the U.S. Department of Labor, Bureau of Labor

Statistics, and not the rate as revised in the annual benchmark.

(B) The total benefits paid to an individual equals the individual's weekly benefit amount allowed under Section 41-35-40 multiplied by twelve weeks if the seasonally adjusted unemployment rate is less than five percent, or multiplied by twenty weeks if the seasonally adjusted unemployment rate is greater than five percent.

The following Bill was taken up:

H. 4231 -- Reps. M. M. Smith, Davis, Bernstein, Guest, Brittain, Henegan, B. Newton, Carter, B. L. Cox, Bannister, Herbkersman, Robbins, Schuessler, Hart and Leber: A BILL TO AMEND THE SOUTH CAROLINA CODE OF LAWS BY AMENDING SECTION 61-6-1155, RELATING TO MICRO-DISTILLERIES, SO AS TO PROVIDE THAT A MICRO-DISTILLERY MAY SELL CERTAIN LIQUORS DISTILLED ON THE PREMISES ON SUNDAYS; AND BY AMENDING SECTION 61-6-4160, RELATING TO THE PROHIBITION ON THE SALE OF ALCOHOLIC LIQUORS ON CERTAIN DAYS, SO AS TO PROVIDE THAT CERTAIN LOCAL GOVERNING BODIES MAY AUTHORIZE THE SALE OF ALCOHOLIC LIQUORS ON SUNDAYS UNDER CERTAIN CIRCUMSTANCES.

The Committee on Judiciary proposed the following Amendment No. 1 to H. 4231 (LC-4231.SA0007H):

Amend the bill, as and if amended, by striking SECTIONS 1 and 2 and inserting:

SECTION X. Section 61-6-1155 of the S.C. Code is amended by adding:

(E) Notwithstanding any other provision of law, a micro-distillery selling liquor at its licensed premises pursuant to authorization set forth in subsection (A) may sell the alcoholic liquors distilled on the licensed premises at retail between 1:00 p.m. and 5:00 p.m. on Sundays. The sale of such alcoholic liquors must comply with the provisions of this chapter, notwithstanding the prohibition of Sunday retail sales.

SECTION X. Section 61-6-4160 of the S.C. Code is amended to read:

Section 61-6-4160. (A) It is unlawful to sell alcoholic liquors ~~on Sunday except as authorized by law,~~ on Christmas Day~~,~~ or during periods proclaimed by the Governor in the interest of law and order or public morals and decorum. Full authority to proclaim these periods is conferred upon the Governor in addition to all his other powers. It is unlawful for a retail dealer to sell alcoholic liquors on Sunday except as authorized and provided for in this section.

(B) The Department of Revenue may issue a permit to allow the sale of alcoholic liquors on Sunday between 1:00 p.m. and 5:00 p.m. by a licensed retail dealer in a county or municipality that authorizes the sale of alcoholic liquors on Sunday in the manner provided in subsection (C). The department shall charge a nonrefundable filing fee of one hundred dollars for processing each application. The department shall charge for an annual fifty-two week permit a nonrefundable fee of three thousand dollars per year. However, the fifty-two-week permit must not extend beyond the expiration date of the biennial license issued pursuant to this chapter. If the expiration date is less than fifty-two weeks from the date of the application for the fifty-two-week permit, the department must prorate the three thousand dollar fee on a monthly basis. The permit fee must be waived if the applicant certifies to the department that the applicant is the owner of the retail premises in which the permit is sought, and the applicant does not have an ownership interest in other retail locations where a permit authorizing the Sunday sale of liquor may be issued. The department in its sole discretion shall specify the terms and conditions of the permit. The filing and permit fees must be distributed by the Department of Revenue pursuant to the provisions of Section 61-6-2010(B).

(C)(1) A permit authorized by this section may be issued only in those counties or municipalities where a majority of the qualified electors voting in a referendum vote in favor of the issuance of the permit. The county or municipal election commission, as the case may be, shall conduct a referendum upon petition of at least ten percent but not more than seven thousand five hundred qualified electors of the county or municipality, as the case may be. The petition form must be submitted to the election commission not less than one hundred twenty days before the date of the referendum. The names on the petition must be on the petition form provided to county election officials by the State Election Commission. The names on the petition must be certified by the election commission within sixty days after receiving the petition form. The referendum must be conducted at the next general election. The

election commission shall cause a notice to be published in a newspaper circulated in the county or municipality, as the case may be, at least seven days before the referendum. The state election laws must apply to the referendum, mutatis mutandis. The election commission shall publish the results of the referendum and certify them to the South Carolina Department of Revenue. The question on the ballot must be:

"Shall the South Carolina Department of Revenue be authorized to issue permits to licensed retail dealers in this (county) (municipality) to allow for the sale of alcoholic liquors on Sunday between 1:00 p.m. and 5:00 p.m. in compliance with the provisions of the Alcoholic Beverage Control Act?"

(2) A referendum for this purpose may not be held more often than once in forty-eight months.

(3) The expenses for this purpose must be paid by the county or municipality conducting the referendum.

(4) In addition to the petition method of calling the referendum provided for in item (1), a county or municipal governing body by ordinance also may call the referendum. Upon receipt of a copy of the ordinance filed with the county or municipal election commission at least sixty days before the date of the next general election, the commission shall conduct the referendum in the manner provided in this section at that general election. The provisions of this item are in addition to the authority of a municipal governing body to call for a referendum under the circumstances enumerated in subsection (D).

(D)(1) The municipal governing body may order a referendum on the question of the issuance of permits to allow the sale of alcoholic liquors in the following circumstances:

(a) parts of the municipality are located in more than one county;

(b) as a result of a favorable vote in a county referendum held pursuant to this section, permits may be issued in only the parts of the municipality located in that county; and

(c) the proposed referendum would authorize issuance of permits in the remaining parts of the municipality.

(2) The method of ordering a referendum provided in this subsection is in addition to the petition method. An unfavorable vote in a municipal referendum does not affect the authority to issue these permits in the part of the municipality located in a county where these permits may be issued.

(3) Upon receipt of a copy of the ordinance filed with the municipal election commission at least sixty days before the date of the

general election, the commission must conduct the referendum at the time of the general election and publish and certify its results in the same manner as provided in subsection (C).

(E) Permits authorized to be issued in a county or municipality pursuant to this section may continue to be issued or reissued without the requirement of a further referendum.

(F) Permits issued by the Department of Revenue pursuant to this section may be issued in all parts of a municipality if any part of the municipality is located in a county where the issuance of these permits is allowed.

(G)(1) For purposes of referendums held pursuant to this section, "general election" means a:

(a) municipal general election held at a time other than the first Tuesday following the first Monday in November of even-numbered years; or

(b) county general election held on the first Tuesday following the first Monday in November of even-numbered years.

(2) A municipality that does not have a municipal general election scheduled within the same calendar year as a county general election may call, by ordinance, for a referendum to be held on the same date as the county general election, provided that a copy of the ordinance has been filed with the county and municipal election commissions no later than the date required by Section 7-13-355. The expenses for a referendum ordered by a municipality must be paid by the municipality. When a municipal referendum is held at the time of a county general election, the referendum may be conducted by the municipal or county election commission as provided for by an agreement between the municipality and county.

(H) A person who violates a provision of this section is guilty of a misdemeanor and, upon conviction, must be punished as follows:

~~(a)~~(1) for a first offense, by a fine of two hundred dollars or imprisonment for sixty days;

~~(b)~~(2) for a second offense, by a fine of one thousand dollars or imprisonment for one year; and

~~(c)~~(3) for a third or subsequent offense, by a fine of two thousand dollars or imprisonment for two years.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk, Jr., as follows:

Our thought for today is from 1 Peter 2:1: "Rid yourselves, therefore, of all malice, and all guile, insincerity, envy, and all slander."

Let us pray. God of justice and mercy, we pray for Your reign to be visible in us that the World may know Your care for all those who need Your care and understanding. Bless and keep our first responders and defenders of freedom. Keep all these, Your people, safe and well. We give thanks for all the blessings, especially for our World, Nation, President, State, Governor, Speaker, Staff, and all who labor in this vineyard. We pray for our men and women who find themselves in harm's way. Protect them. Lord, in Your mercy, hear our prayers. Amen.

MOTION ADOPTED

Rep. CONNELL moved that when the House adjourns, it adjourn in memory of Chase Wyatt Newman, which was agreed to.

Chase Wyatt Newman

Mr. Speaker, I move to adjourn in memory of Chase Wyatt Newman today. Chase was involved in a terrible boating collision in May of 2023. Chase was a student at Camden High School and a member of the golf team. He was a joy to all who knew him and he was a faithful young man. Chase's family is here today. They were also present when Governor McMaster signed the "Boating Safety and Education Bill" into law. Chase served as personal motivation for many of us in the passing of that legislation.

Mr. Speaker, I ask that we observe a moment of silence in honor of Chase and in sharing our deep condolences with his family.

SILENT PRAYER

The House stood in silent prayer family and friends of Dr. Charles Pinckney Darby, Jr.

Dr. Charles Pinckney Darby, Jr.

Dr. Charles Pinckney Darby, Jr., passed away February 7, 2024. The legacy he leaves behind is exemplary, and the world is a much better place because of his dedicated and faithful service to children across the State and beyond.

Charles Darby, M.D., became MUSC's Chair of the Department of Pediatrics in 1982 where he led the charge for better pediatric healthcare across South Carolina. Following his appointment of Chair of the Department of Pediatrics, Dr. Darby began a campaign in collaboration with MUSC leadership and state legislators to construct a children's hospital, which became a reality in 1987 after 15 years of undeterred planning and perseverance. Under his leadership as Chair and Pediatrician-in-Chief, Darby made great strides in pediatric healthcare at MUSC by increasing the number of faculty from 12 to 80 during his tenure and directly leading the MUSC children's hospital to a ranking among the top ten children's hospitals in the country.

In 2007, a longstanding dream of Darby's was realized with the opening of the Darby Children's Research Institute. The Darby Children's Research Institute was created arm-in-arm with MUSC official and state legislators to serve as the research leg of the children's hospital and would consist of six floors of modern physical laboratory space that would be home to both basic and physician scientists to meet the research needs of children across South Carolina.

Dr. Darby was also instrumental in the development of MUSC's Shawn Jenkins Children's Hospital and the Pearl Tourville Women's Pavilion. Most recently, the MUSC Board of Trustees approved the naming of the Dr. Charles P. Darby, Jr. Department of Pediatrics as a testament to Darby's decades of service to MUSC and children across the state.

Dr. Darby was a pioneer, and his legacy will live on in the hearts of all the patients and families his life touched. He will be deeply missed.

Benedict College and Midlands Technical College. In 2003, she graduated from the Morris College Ministerial Certificate Program, and in 2012, she was conferred the Doctor of Divinity degree by the Great Commission Bible College; and

Whereas, her thirty-five years of service to the State started at the South Carolina Department of Juvenile Justice, followed by four years with then Lieutenant Governor Nick Theordore's office. Her final twenty-eight years were served with the South Carolina House of Representatives' Clerical Support Services; and

Whereas, a woman of faith, Freda began singing gospel at the age of fourteen and ministered through song throughout South Carolina, North Carolina, Georgia, Alabama, Louisiana, Ohio, and California. In 1994, Freda was licensed to preach by the Cornerstone Baptist Church of Columbia, where she would later serve as an associate minister, and she was ordained by the Gethsemane Baptist Association in 1995. Additionally, she was a volunteer for Sistercare, Inc., and was a member of the Speakers Bureau, addressing organizations, churches, and halfway houses on domestic violence. In 2001, she founded the New Beginnings Christian Fellowship Baptist Church and earned the title Pastor Emeritus. The church was incorporated by South Carolina Secretary of State Jim Miles; and

Whereas, for the great effort she has put into every aspect of her life, Freda has earned high recognition and numerous awards. They include the South Carolina ACORN 2007 Award in Recognition of Generosity in the Community and the 2023 Ministerial Award by the Lexington Branch NAACP #5669, being selected as a nominee for the Governor's Commission on Women 2001 Woman of Achievement award, and being listed among the Outstanding Young Women of America and Outstanding Young Christian Women of America; and

The family now includes grandchildren Justin McKie, Jade Eichelberger, Elaena Myers, and Zarah Elise Spann, and son-in-law Joshua Spann. The South Carolina House of Representatives is pleased to recognize the outstanding public service that she has rendered to the State of South Carolina and wish her a peaceful retirement spent with family and friends. Now, therefore,

Be it resolved by the House of Representatives:

That the members of the South Carolina House of Representatives, by this resolution, congratulate Alfreda “Freda” F. The following Bill was taken up:

H. 4231 -- Reps. M. M. Smith, Davis, Bernstein, Guest, Brittain, Henegan, B. Newton, Carter, B. L. Cox, Bannister, Herbkersman, Robbins, Schuessler, Hart and Leber: A BILL TO AMEND THE SOUTH CAROLINA CODE OF LAWS BY AMENDING SECTION 61-6-1155, RELATING TO MICRO-DISTILLERIES, SO AS TO PROVIDE THAT A MICRO-DISTILLERY MAY SELL CERTAIN LIQUORS DISTILLED ON THE PREMISES ON SUNDAYS; AND BY AMENDING SECTION 61-6-4160, RELATING TO THE PROHIBITION ON THE SALE OF ALCOHOLIC LIQUORS ON CERTAIN DAYS, SO AS TO PROVIDE THAT CERTAIN LOCAL GOVERNING BODIES MAY AUTHORIZE THE SALE OF ALCOHOLIC LIQUORS ON SUNDAYS UNDER CERTAIN CIRCUMSTANCES.

ACTING SPEAKER HIOTT IN CHAIR

The Committee on Judiciary proposed the following Amendment No. 1 to H. 4231 (LC-4231.SA0007H), which was adopted:

Amend the bill, as and if amended, by striking SECTIONS 1 and 2 and inserting:

SECTION X. Section 61-6-1155 of the S.C. Code is amended by adding:

(E) Notwithstanding any other provision of law, a micro-distillery selling liquor at its licensed premises pursuant to authorization set forth in subsection (A) may sell the alcoholic liquors distilled on the licensed premises at retail between 1:00 p.m. and 5:00 p.m. on Sundays. The sale of such alcoholic liquors must comply with the provisions of this chapter, notwithstanding the prohibition of Sunday retail sales.

SECTION X. Section 61-6-4160 of the S.C. Code is amended to read:

Section 61-6-4160. (A) It is unlawful to sell alcoholic liquors ~~on Sunday except as authorized by law,~~ on Christmas Day~~,~~ or during periods proclaimed by the Governor in the interest of law and order or public morals and decorum. Full authority to proclaim these periods is conferred upon the Governor in addition to all his other powers. It is unlawful for a retail dealer to sell alcoholic liquors on Sunday except as authorized and provided for in this section.

(B) The Department of Revenue may issue a permit to allow the sale of alcoholic liquors on Sunday between 1:00 p.m. and 5:00 p.m. by a licensed retail dealer in a county or municipality that authorizes the sale of alcoholic liquors on Sunday in the manner provided in subsection (C). The department shall charge a nonrefundable filing fee of one hundred dollars for processing each application. The department shall charge for an annual fifty-two week permit a nonrefundable fee of three thousand dollars per year. However, the fifty-two-week permit must not extend beyond the expiration date of the biennial license issued pursuant to this chapter. If the expiration date is less than fifty-two weeks from the date of the application for the fifty-two-week permit, the department must prorate the three thousand dollar fee on a monthly basis. The permit fee must be waived if the applicant certifies to the department that the applicant is the owner of the retail premises in which the permit is sought, and the applicant does not have an ownership interest in other retail locations where a permit authorizing the Sunday sale of liquor may be issued. The department in its sole discretion shall specify the terms and conditions of the permit. The filing and permit fees must be distributed by the Department of Revenue pursuant to the provisions of Section 61-6-2010(B).

(C)(1) A permit authorized by this section may be issued only in those counties or municipalities where a majority of the qualified electors voting in a referendum vote in favor of the issuance of the permit. The county or municipal election commission, as the case may be, shall conduct a referendum upon petition of at least ten percent but not more than seven thousand five hundred qualified electors of the county or municipality, as the case may be. The petition form must be submitted to the election commission not less than one hundred twenty days before the date of the referendum. The names on the petition must be on the petition form provided to county election officials by the State Election Commission. The names on the petition must be certified by the election commission within sixty days after receiving the petition form. The referendum must be conducted at the next general election. The election commission shall cause a notice to be published in a newspaper

circulated in the county or municipality, as the case may be, at least seven days before the referendum. The state election laws must apply to the referendum, mutatis mutandis. The election commission shall publish the results of the referendum and certify them to the South Carolina Department of Revenue. The question on the ballot must be:

"Shall the South Carolina Department of Revenue be authorized to issue permits to licensed retail dealers in this (county) (municipality) to allow for the sale of alcoholic liquors on Sunday between 1:00 p.m. and 5:00 p.m. in compliance with the provisions of the Alcoholic Beverage Control Act?"

(2) A referendum for this purpose may not be held more often than once in forty-eight months.

(3) The expenses for this purpose must be paid by the county or municipality conducting the referendum.

(4) In addition to the petition method of calling the referendum provided for in item (1), a county or municipal governing body by ordinance also may call the referendum. Upon receipt of a copy of the ordinance filed with the county or municipal election commission at least sixty days before the date of the next general election, the commission shall conduct the referendum in the manner provided in this section at that general election. The provisions of this item are in addition to the authority of a municipal governing body to call for a referendum under the circumstances enumerated in subsection (D).

(D)(1) The municipal governing body may order a referendum on the question of the issuance of permits to allow the sale of alcoholic liquors in the following circumstances:

(a) parts of the municipality are located in more than one county;

(b) as a result of a favorable vote in a county referendum held pursuant to this section, permits may be issued in only the parts of the municipality located in that county; and

(c) the proposed referendum would authorize issuance of permits in the remaining parts of the municipality.

(2) The method of ordering a referendum provided in this subsection is in addition to the petition method. An unfavorable vote in a municipal referendum does not affect the authority to issue these permits in the part of the municipality located in a county where these permits may be issued.

(3) Upon receipt of a copy of the ordinance filed with the municipal election commission at least sixty days before the date of the general election, the commission must conduct the referendum at the

time of the general election and publish and certify its results in the same manner as provided in subsection (C).

(E) Permits authorized to be issued in a county or municipality pursuant to this section may continue to be issued or reissued without the requirement of a further referendum.

(F) Permits issued by the Department of Revenue pursuant to this section may be issued in all parts of a municipality if any part of the municipality is located in a county where the issuance of these permits is allowed.

(G)(1) For purposes of referendums held pursuant to this section, "general election" means a:

(a) municipal general election held at a time other than the first Tuesday following the first Monday in November of even-numbered years; or

(b) county general election held on the first Tuesday following the first Monday in November of even-numbered years.

(2) A municipality that does not have a municipal general election scheduled within the same calendar year as a county general election may call, by ordinance, for a referendum to be held on the same date as the county general election, provided that a copy of the ordinance has been filed with the county and municipal election commissions no later than the date required by Section 7-13-355. The expenses for a referendum ordered by a municipality must be paid by the municipality. When a municipal referendum is held at the time of a county general election, the referendum may be conducted by the municipal or county election commission as provided for by an agreement between the municipality and county.

(H) A person who violates a provision of this section is guilty of a misdemeanor and, upon conviction, must be punished as follows:

~~(a)~~(1) for a first offense, by a fine of two hundred dollars or imprisonment for sixty days;

~~(b)~~(2) for a second offense, by a fine of one thousand dollars or imprisonment for one year; and

~~(c)~~(3) for a third or subsequent offense, by a fine of two thousand dollars or imprisonment for two years.

POINT OF ORDER

Rep. MCCABE raised the Point of Order that H. 4231, as amended, violated Article VIIIA, Section 1, of the South Carolina Constitution and should be ruled out of order. He stated that the Bill, as amended, allowed municipalities to issue licenses for the sale of alcoholic beverages and liquors and that the constitution prohibited such action.

The SPEAKER stated that Rep. MCCABE had raised a substantive question of constitutional law. He stated that the Speaker of the House could only rule on procedural questions that involved the legislative process and procedures. The SPEAKER further explained that substantive questions of constitutional law were reserved for adjudication by the judiciary, and, consequently, he was required to overrule the Point of Order.

The question then recurred to the adoption of the amendment.

The amendment was then adopted.

Reps. W. Newton and Elliott proposed the following Amendment No. 2 to H. 4231 (LC-4231.SA0008H), which was adopted:

Amend the bill, as and if amended, SECTION 1, by striking Section 61-6-1155(E) and inserting:

The sale of such alcoholic liquors must comply with the provisions of this chapter, notwithstanding the prohibition of Sunday retail sales.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk, Jr., as follows:

Our thought for today is from Job 13: "With God are wisdom and strength; he has counsel and understanding."

Let us pray. Almighty God, give us eyes to see You with love and service to others as we begin another day in this week of service for the people of South Carolina. Creator God, help us to see how deep and wide Your saving work for all creation is, a love that is seen most clearly in our Lord. May You, O Lord, give us and all creation peace and hope for the future. Bless and keep safe our first responders and defenders of freedom in Your care. Look in favor upon our World, Nation, President, State, Governor, Speaker, Staff, and all who give of their time and effort for this State. Remember our military members who serve in dangerous places. Keep them safe. Lord, in Your mercy, hear our prayers. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the SPEAKER *PRO TEMPORE*.

After corrections to the Journal of the proceedings of yesterday, the SPEAKER *PRO TEMPORE* ordered it confirmed.

MOTION ADOPTED

Rep. MITCHELL moved that when the House adjourns, it adjourn in memory of Charles William "Billy" Atkins, which was agreed to.

Mr. Charles William "Billy" Atkins

Mr. Speaker, I rise today to ask that we adjourn in memory of a great Hartsvillian, Mr. Charles William "Billy" Atkins. Mr. Atkins, a proud World War II veteran, was a known fixture in our community as a funeral director at the funeral home of Brown, Pennington, & Atkins. Mr. Atkins served as a funeral director in Hartsville and served hundreds of families in our area for over 77 years. Mr. Atkins passed away on February 8, 2024, at the age of 100. At the time of his death, he was the oldest living

funeral director and Freemason in the state of South Carolina. We remember Mr. Atkins and his family in our prayers.

Grant us these things. Bless and keep safe our defenders of freedom and first responders who care and provide for us. Look in favor upon our World, Nation, President, State, Governor, Speaker, Staff, and all who labor in these Halls of Government. B. Sections 44-1-80 through 44-1-140 of the S.C. Code are amended to read:

Section 44-1-80. (A) The ~~Board of Health and Environmental Control~~ Department of Public Health or its designated agents must investigate the reported causes of communicable or epidemic disease and must enforce or prescribe these preventive measures as may be needed to suppress or prevent the spread of these diseases by proper quarantine or other measures of prevention, as may be necessary to protect the citizens of the State. The ~~Board of Health and Environmental Control~~ Department of Public Health or its designated agents shall declare, when the facts justify it, any place as infected and, in case of hydrophobia or other diseases transmitted from animals to man, must declare such animal or animals quarantined, and must place all such restrictions upon ingress and egress of persons or animals therefrom as may be, in its judgment, necessary to prevent the spread of disease from the infected locality.

(B)(1) Whenever the ~~board~~ department learns of a case of a reportable illness or health condition, an unusual cluster, or a suspicious event that it reasonably believes has the potential to cause a public health emergency, as defined in Section 44-4-130, it is authorized to notify the appropriate public safety authority, tribal authorities, and federal health and public safety authorities.

(2) The sharing of information on reportable illnesses, health conditions, unusual clusters, or suspicious events between authorized personnel must be restricted to information necessary for the treatment, control, investigation, and prevention of a public health emergency. Restriction of access to this information to those authorized personnel for the protection of public health ensures compliance with all state and federal health information privacy laws.

(3) The ~~board~~ department and its agents must have full access to medical records and nonmedical records when necessary to investigate the causes, character, and means of preventing the spread of a qualifying health event or public health emergency. For purposes of this item, "nonmedical records" mean records of entities, including businesses, health facilities, and pharmacies, which are needed to adequately identify and locate persons believed to have been potentially exposed or

known to have been infected with a contagious disease.

(4) An order of the ~~board~~ department given to effectuate the purposes of this subsection is enforceable immediately by the public safety authority.

(5) For purposes of this subsection, the terms qualifying health event, public health emergency, and public safety authority have the same meanings as provided in Section 44-4-130.

Section 44-1-90. The ~~State Board of Health and Environmental Control~~ Department of Public Health or its designated agents, when it is deemed necessary by the municipal officers of any town or city or the governing body of any county, may (a) visit cities, towns, villages or localities where disease is prevalent or threatened, (b) investigate and advise with the local authorities or persons as to such measures as may tend to prevent the spread of disease or to remove or abate causes that may tend to cause or intensify disease, (c) advise, when practicable or possible, as to measures of sanitation or hygiene and (d) investigate and advise as to all matters respecting water supply, sewage, drainage, ventilation, heating, lighting or other measures connected with public sanitation or safety.

Section 44-1-100. All sheriffs and constables in the several counties of this State and police officers and health officers of cities and towns must aid and assist the Director of the Department of Public Health ~~and Environmental Control~~ and must carry out and obey his orders, or those of the Department of Public Health ~~and Environmental Control~~, to enforce and carry out any and all restrictive measures and quarantine regulations that may be prescribed. During a state of public health emergency, as defined in Section 44-4-130, the director may request assistance in enforcing orders issued pursuant to this chapter and pursuant to Chapter 4, Title 44, from the public safety authority, as defined in Section 44-4-130, other state law enforcement authorities, and local law enforcement. The public safety authority may request assistance from the South Carolina National Guard in enforcing orders made pursuant to this chapter or pursuant to Chapter 4, Title 44.

Section 44-1-110. ~~The Department of Health and Environmental Control is invested with all the rights and charged with all the duties pertaining to organizations of like character and is the sole advisor of the State in all questions involving the protection of the public health within its limits.~~ The Department of Public Health shall advise the Secretary of Health and Policy on all questions involving the protection of public health within its limits.

~~It~~ The Department of Public Health shall, through its

representatives, investigate the causes, character, and means of preventing the epidemic and endemic diseases as the State is liable to suffer from and the influence of climate, location, and occupations, habits, drainage, scavengering, water supply, heating, and ventilation. It shall have, upon request, full access to the medical records, tumor registries, and other special disease record systems maintained by physicians, hospitals, and other health facilities as necessary to carry out its investigation of these diseases. No physician, hospital, or health facility, or person in charge of these records is liable in any action-at-law for permitting the examination or review. Patient-identifying information elicited from these records and registries must be kept confidential by the department and it is exempt from the provisions of Chapter 4 of Title 30. It shall supervise and control the quarantine system of the State. It may establish quarantine both by land and sea.

Section 44-1-130. The Department of Public Health ~~and Environmental Control~~ may divide the State into health districts and establish in these districts advisory boards of health which shall consist of representatives from each county in the district. Boards of health now existing in the districts shall have representation on the district advisory board. Counties not having local boards of health shall be represented by individuals appointed by the county legislative delegation. The number of members of a district advisory board shall be determined by the department with due consideration to the population and community needs of the district. District advisory boards of health shall be subject to the supervisory and advisory control of the department. District advisory boards are charged with the duty of advising the district medical director or administrator in all matters of sanitary interest and scientific importance bearing upon the protection of the public health.

The district medical director or administrator shall be secretary of the advisory board and the district advisory board shall elect annually from its membership a chairman.

B. Section 44-7-80(6) of the S.C. Code is amended to read:

(6) "Department" means the Department of Public Health ~~and Environmental Control~~.

C. Section 44-7-84 of the S.C. Code is amended to read:

Section 44-7-84. (A) In the annual appropriations act, the General Assembly shall establish the maximum number of Medicaid patient days for which the department is authorized to issue Medicaid nursing home permits. The ~~State~~ Department of Health ~~and Human Services~~ Financing shall provide the number of Medicaid patient days available to the department within thirty days after the effective date of the annual appropriations act.

(B) Based on a method the department develops for determining the need for nursing home care for Medicaid patients in each area of the State, the department shall determine the distribution of Medicaid patient days for which Medicaid nursing home permits can be issued. Nursing homes holding a Medicaid nursing home permit must be allocated Medicaid days based on their current allocation and available funds. Requests for days must be submitted to the department no later than June fifteenth each year. The department shall issue permits to the facilities by August first of each year. The application must state the specific number of Medicaid patient days the nursing home will provide. If a nursing home requests fewer days than the previous year, or is permitted fewer days, those days first must be offered to the facilities within the same county currently holding a Medicaid nursing home permit. However, if Medicaid patient days remain available after being offered to those nursing homes currently holding a Medicaid patient days permit in that county, then existing nursing homes with a restricted Certificate of Need, within the same county, may apply for a Medicaid nursing home permit to receive the Medicaid permit days remaining available. Following the initial allocation of Medicaid patient days, any additional Medicaid permit days must be credited to a statewide pool and the days must be allocated to those counties showing the greatest need based on the average number of fully eligible Medicaid nursing facility applicants by county in the Community Long Term Care awaiting placement reports for the past twelve months. The Department of Health ~~and~~

~~Human Services~~ Financing shall provide this information to the department no later than July fifteenth of each year. The Medicaid permit days must be proportionately allocated to each facility within the county that currently holds a Medicaid permit and is currently in compliance with its Medicaid permit. A facility is deemed to be in compliance for allocation of these additional Medicaid permit days if it has not exceeded its stated Medicaid permit by more than seven percent. In addition, a nursing home that provides less than ninety percent of the stated Medicaid permit in any fiscal year may not apply for additional Medicaid permit days in the next fiscal year. If a nursing home fails to provide ninety percent of the stated Medicaid permit days for two consecutive fiscal years, the department may issue a Medicaid nursing home permit for fewer days than requested in order to ensure that the nursing home will serve the minimum number of Medicaid patients and that the State will optimize the available Medicaid days. If a nursing home has its Medicaid patient days reduced, the freed days first must be offered to other facilities in the same county before being offered to other nursing homes in the State. The department shall analyze the performance of nursing homes that are under the permit minimum or exceed the permit maximum for a fiscal year, including utilization data from the ~~State~~ Department of Health ~~and Human Services~~ Financing, anticipated back days, delayed payments, CLTC waiting list, and other factors considered significant by the department. A nursing home which terminates its Medicaid contract must not be penalized for not meeting the requirements of this section if the nursing home was in compliance with its permit at the time of the cancellation. Facilities designated as Special Focus Facilities may not be issued additional Medicaid permit days while they remain on the Special Focus list.

(C) If the Department of Health ~~and Human Services~~ Financing or the General Assembly decreases the number of Medicaid patient days available to the department, the department shall proportionately decrease the authorized Medicaid patient days for each nursing home. If additional Medicaid patient days are authorized in the following year, they must be restored proportionately to each nursing home in accordance with subsection (B).

D.Section 44-7-90 of the S.C. Code is amended to read:

Section 44-7-90. (A) Based on reports from the ~~State~~ Department of Health ~~and Human Services~~ Financing, the department shall determine each nursing home's compliance with its Medicaid nursing home permit. Violations of this article include:

(1) a nursing home exceeding by more than five percent the

number of Medicaid patient days stated in its permit;

(2) the provisions of any Medicaid patient days by a home without a Medicaid nursing home permit.

(B) A nursing home which exceeds its Medicaid patient days stated in its permit may be fined on the number of Medicaid patient days exceeding the permit days multiplied by its daily Medicaid per diem. Medicaid permit days provided to Complex Care residents, as certified by the Department of Health ~~and Human Services~~ Financing, must not be counted against the facility's Medicaid permit for the first six months of their care. Any complex care provided after six months must be counted toward the facility's Medicaid patient days under the permit days times their daily Medicaid per diem rate less the statewide average patient per diem recurring income times thirty percent. Complex Care reimbursement must not be used in the fine calculation. A facility may be fined incrementally for exceeding its Medicaid permit. Violations above five and up to ten percent of the stated permit may be fined at thirty percent of its Medicaid per diem rate less the statewide average patient per diem recurring income times the number of excess Medicaid permit days. A facility may be fined fifty percent of its Medicaid per diem rate less the statewide average patient per diem recurring income for each day above ten and up to fifteen percent of its Medicaid permit. A facility may be fined seventy percent of its Medicaid per diem rate less the statewide average patient per diem recurring income for each day in excess of fifteen percent of its stated Medicaid permit. A facility may appeal to the department any fine for days over its permit based on the facility's inability to discharge a resident based on the requirements of Section 44-7-88 if the facility can prove:

(1) the resident's primary pay source upon admission was not Medicaid;

(2) the resident did not convert to Medicaid within twenty days of being admitted as a Medicare or Medicaid replacement policy resident; and

(3) the resident did not convert to Medicaid within thirty days of being admitted as a private pay resident.

(C) In the event of a voluntary or involuntary discontinuation of participation of a nursing facility in the Medicaid program, the State must ensure that the facility provides for patient safety and freedom of choice. The Department of Public Health ~~and Environmental Control~~ and the Department of Health ~~and Human Services~~ Financing must determine the availability of existing patient days statewide for the purpose of relocating these patients. Based upon this determination, the

department, at its discretion, may reallocate the patient days from a facility discontinuing its Medicaid participation to a facility that participates in the Medicaid program and agrees to accept the residents from the facility that is discontinuing Medicaid participation. The Medicaid permit day shall permanently remain with the facility accepting the resident. In the allocation of patient days from the facility discontinuing Medicaid participation, the department must give first priority to restoring a county's allocation where a facility holding a permit closes, or discontinues participation in Medicaid. A nursing home receiving beds under the provisions of this subsection must not be a Special Focus Facility at the time of allocation.

(D~~) Effective July 1, 2014,~~ All nursing facility providers holding a Medicaid permit must report their daily Medicaid resident census information to the ~~South Carolina~~ Department of Health ~~and Human Services~~ Financing or its contractor for the purpose of maintaining a statewide bed locator and permit day tracking system.

(E) Each Medicaid day above the allowable range is considered a separate violation. A fine assessed against a nursing home must be deducted from the nursing home's Medicaid reimbursement.

E. Section 44-7-130 (4), (10), and (24) of the S.C. Code is amended to read:

~~(B) The project review criteria promulgated in regulation must be used in reviewing all projects under the Certificate of Need process. When the criteria are weighted to determine the relative importance for the specific project, the department may reorder the relative importance of the criteria no more than one time after the project review meeting. When an application has been appealed, the department may not change the weighted formula.~~

~~(C) Project review criteria must prioritize timely access to health care services and seek a balance between competition in the marketplace and regulation in the provision of health care and must support reasonable patient choice in health care facilities and services. The department shall promulgate regulations within one year of the effective date of this act identifying how the department will incorporate these considerations in reviewing Certificate of Need applications.~~

I. Section 44-7-200 (C), (D), and (E) of the S.C. Code is amended to read:

However, a person may not file a request for final review of a contested case hearing in opposition to the staff decision on a Certificate of Need unless the person provided written notice to the department during the staff review that he is an affected person and specifically states his opposition to the application under review.

Section 44-20-10. This chapter may be cited as the~~ "South Carolina Intellectual Disability, Related Disabilities, Head Injuries, and Spinal Cord Injuries Act"~~ "South Carolina Intellectual and Related Disabilities Act".

Section 44-20-20. The State of South Carolina recognizes that a person with intellectual disability, a related disability, head injury,~~ or~~ spinal cord injury, or autism is a person who experiences the benefits of family, education, employment, and community as do all citizens. It is the purpose of this chapter to assist persons with intellectual disability, related disabilities, head injuries,~~ or~~ spinal cord injuries, or autism by providing services to enable them to participate as valued members of their communities to the maximum extent practical and to live with their families or in family settings in the community in the least restrictive environment available.

When persons with intellectual disability, related disabilities, head injuries,~~ or~~ spinal cord injuries, or autism cannot live in communities or with their families, the State shall provide quality care and treatment in the least restrictive environment practical.

In order to plan and coordinate state and locally funded services for persons with intellectual disability, related disabilities, head injuries, ~~or~~ spinal cord injuries, or autism, a statewide network of ~~local boards of disabilities and special needs~~ county intellectual and related disabilities boards is established. The State recognizes the importance of the role of parents and families in shaping services for persons with intellectual disability, related disabilities, head injuries, ~~or~~ spinal cord injuries, or autism as well as the importance of providing services to families to enable them to care for a family member with these disabilities.

POINT OF ORDER

Rep. HIOTT raised the Point of Order that Amendment No. 8 was not germane to H. 4927.

The SPEAKER stated that Rule 9.3 governs the germaneness of amendments and expressly states that the Speaker shall be guided by the House precedents when applying the rule. He stated further that House precedents as far back as former Speakers Bob Sheheen and David

Wilkins consistently and clearly state that an amendment must have the same substantial effect or impact as the bill it proposes to amend. He also stated these precedents consistently hold that an amendment cannot expand upon or go beyond the scope of the bill's subject matter. The SPEAKER explained that H. 4927 is a Bill that restructures multiple health agencies under the new Executive Office of Health and Policy with a Secretary of Health, appointed by the Governor, overseeing the state health services. He stated that Amendment No. 8 seeks to implement new health-related policies and went beyond the Bill's purpose to restructure the state's health agencies and attempted to expand the Bill beyond the purpose of restructuring the agencies. He sustained the Point of Order and ruled Amendment No. 8 out of order.

Rep. White proposed the following Amendment No. 9 to H. 4927 (LC-4927.HA0023H), which was tabled:

Amend the bill, as and if amended, by striking in SECTION 1, Section 44-12-20, and inserting:

Section 44-12-20. The Secretary of Health and Policy shall be the head and governing authority of the office. The secretary must be appointed by the Governor with the advice and consent of the Senate, subject to removal from office by the Governor pursuant to the provisions of Section 1-3-240(B). In addition, the General Assembly must vote every two years on the retention of the secretary appointed by the Governor. The secretary may remain in office if the General Assembly, by majority vote of each respective body, votes in favor of the secretary remaining in office.

H. 3676--AMENDED, ADOPTED AND SENT TO SENATE

The following Concurrent Resolution was taken up:

H. 3676 -- Reps. G. M. Smith, Pope, Jordan, W. Newton, Elliott, Lowe, J. E. Johnson, Guest, Mitchell, Taylor, Robbins and Brewer: A CONCURRENT RESOLUTION TO MAKE APPLICATION BY THE STATE OF SOUTH CAROLINA UNDER ARTICLE V OF THE UNITED STATES CONSTITUTION FOR A CONVENTION OF THE STATES TO BE CALLED, RESTRICTED TO PROPOSING AN AMENDMENT TO THE UNITED STATES CONSTITUTION TO IMPOSE FISCAL RESTRAINTS ON THE FEDERAL GOVERNMENT THROUGH A BALANCED BUDGET AMENDMENT.

Reps. T. Moore, W. Newton, Jordan and King proposed the following Amendment No. 1 to H. 3676 (LC-3676.HA0001H), which was adopted:

Amend the concurrent resolution, as and if amended, by adding an undesignated paragraph to read:

Be it further resolved that the General Assembly of the State of South Carolina adopts this application expressly subject to the following reservations, understandings, and declarations:

(1) an application to the Congress of the United States to call an amendment convention of the states pursuant to Article V of the United States Constitution confers no power to Congress other than the power to call such a convention. The power of Congress to exercise this ministerial duty consists solely of the authority to name a reasonable time and place for the initial meeting of a convention; and

(2) Congress shall perform its ministerial duty of calling an amendment convention of the states only upon the receipt of applications for an amendment convention for the substantially same purpose as this application from two thirds of the legislatures of the several states; and

(3) Congress does not have the power or authority to determine any

rules for the governing of an amendment convention of the states called pursuant to Article V of the United States Constitution. Congress does not have the power to set the number of delegates to be sent by any state to such a convention, nor does it have the power to name delegates to such a convention. The power to name delegates remains exclusively within the authority of the legislatures of the several states; and

(4) by definition, an amendment convention of the states means that states shall vote on the basis of one state, one vote; and

(5) a convention of the states convened pursuant to this application must be limited to consideration of the topics specified in this joint resolution and no other. This application is made with the express understanding that an amendment that in any way seeks to amend, modify, or repeal any provision of the Bill of Rights, the thirteenth, fourteenth, and fifteenth amendments to the United States Constitution shall not be authorized for consideration at any stage. This application shall be void ab initio if ever used at any stage to consider any change to any provision of the Bill of Rights; and

(6) pursuant to Article V of the United States Constitution, Congress may determine whether proposed amendments shall be ratified by the legislatures of the several states or by special state ratification conventions. The South Carolina General Assembly recommends that Congress select ratification by the legislatures of the several states; and

(7) the South Carolina General Assembly may provide further instructions to its delegates and may recall its delegates at any time for a breach of a duty or a violation of the instructions provided.

Renumber sections to conform. Amend title to conform.

POINT OF ORDER

Rep. HART raised the Point of Order that Rules 5.9 and 5.15 did not prohibit the 24-hour Point of Order from being applied to concurrent resolutions and that the SPEAKER *PRO TEMPORE* should sustain a 24-hour Point of Order raised on H. 3676, a concurrent resolution.

The SPEAKER *PRO TEMPORE* stated that Rules 5.9 and 5.15 did not pertain to the 24-hour Point of Order. He stated that Rule 5.10 and Rule 9.1 concerned the 24-hour Point of Order with Rule 5.10 applying

only to bills and joint resolutions and Rule 9.1 only applying to Senate amendments to bills.

The SPEAKER *PRO TEMPORE* stated that the rules, by refraining from referencing concurrent resolutions when discussing the application of the 24-hour Point of Order, were excluding concurrent resolutions from the application of the rule. He overruled Rep. HART's Point of Order and stated that the printing requirements under Rule 5.10 and Rule 9.1 did not apply to concurrent resolutions.

This subsection shall not apply to a person in possession or carrying a concealable weapon ~~pursuant to Article 4, Chapter 31, Title 23, and the concealable weapon and its ammunition~~, as defined in Section 23-31-20(5).

The law enforcement agency that receives the confiscated firearm or ammunition may use it within the agency, transfer it to another law enforcement agency for the lawful use of that agency, trade it with a retail dealer licensed to sell firearms or ammunition in this State for a firearm, ammunition, or any other equipment approved by the agency, or destroy it. A firearm or ammunition must not be disposed of in any manner until the results of any legal proceeding in which it may be involved are finally determined. If the State Law Enforcement Division seized the firearm or ammunition, the division may keep the firearm or ammunition for use by its forensic laboratory. Records must be kept of all confiscated

firearms or ammunition received by the law enforcement agencies under the provisions of this section.

(2) A law enforcement agency that receives a firearm or ammunition pursuant to this section shall administratively release the firearm or ammunition to an innocent owner. The firearm or ammunition must not be released to the innocent owner until the results of any legal proceedings in which the firearm or ammunition may be involved are finally determined. Before the firearm or ammunition may be released, the innocent owner shall provide the law enforcement agency with proof of ownership and shall certify that the innocent owner will not release the firearm or ammunition to the person who has been charged with a violation of this section which resulted in the confiscation of the firearm or ammunition. A judge's failure to make a specific finding on the record does not bar or otherwise affect prosecution pursuant to this subsection and does not constitute a defense to prosecution pursuant to this subsection.

(E) A second or subsequent offense for the purpose of this section means any conviction pursuant to Section 16-23-500(A).

(F) For the purpose of this section, "crime punishable by a maximum term of imprisonment of more than one year" does not include:

SECTION 17. Section 22-5-910 of the S.C. Code is amended to read:

Section 22-5-910. (A) Following a conviction for a crime carrying a penalty of not more than thirty days imprisonment or a fine of one thousand dollars, or both, or a first offense for unlawful possession of a firearm or weapon carrying a penalty of not more than one year or a fine of one thousand dollars, or both, the defendant after three years from the date of the conviction, including a conviction in magistrates or general sessions court, may apply, or cause someone acting on his behalf to apply, to the circuit court for an order expunging the records of the arrest and conviction and any associated bench warrant. However, this section does not apply to an offense involving the operation of a motor vehicle.

(B) Following a conviction for domestic violence in the third degree pursuant to Section 16-25-20(D), or Section 16-25-20(B)(1) as it existed before June 4, 2015, the defendant after five years from the date of the conviction, including a conviction in magistrates or general sessions court, may apply, or cause someone acting on his behalf to apply, to the circuit court for an order expunging the records of the arrest and conviction and any associated bench warrant.

(C) If the defendant has had no other conviction, including out-of-state convictions, during the three-year period as provided in subsection (A), or during the five-year period as provided in subsection (B), the circuit court may issue an order expunging the records including any associated bench warrant.

(D) After the expungement, the South Carolina Law Enforcement Division is required to keep a nonpublic record of the offense and the date of the expungement to ensure that no person takes advantage of the rights of this section more than once. This nonpublic record is not subject to release pursuant to Section 34-11-95, the Freedom of Information Act, or any other provision of law except to those authorized law or court officials who need to know this information in order to prevent the rights afforded by this section from being taken advantage of more than once.

(E) As used in this section, "conviction" includes a guilty plea, a plea of nolo contendere, or the forfeiting of bail. For the purpose of this section, any number of offenses ~~for crimes carrying a penalty of not more than thirty days imprisonment or a fine of one thousand dollars, or both~~ listed pursuant to subsection (A), for which the individual received sentences at a single sentencing proceeding that are closely connected and arose out of the same incident may be considered as one offense and treated as one conviction for expungement purposes.

(F) No person may have the person's record expunged under this

section if the person has pending criminal charges of any kind unless the charges have been pending for more than five years; however, this five-year time period is tolled for any time the defendant has been under a bench warrant for failure to appear. No person may have the person's records expunged under this section more than once. A person may have the person's record expunged even though the conviction occurred before the effective date of this section.

SECTION 19. Article 4, Chapter 31, Title 23 of the S.C. Code is amended by adding:

Section 23-31-245. A person openly carrying a weapon in accordance with this article does not give a law enforcement officer reasonable suspicion or probable cause to search, detain, or arrest the person. This article does not prevent a law enforcement officer from searching, detaining, or arresting a person when he has a particularized and objective basis for suspecting the particular person stopped of criminal activity. A person merely carrying a weapon in accordance with this article is not sufficient to justify a search, detention, or arrest.

SECTION 20.Chapter 1, Title 17 of the S.C. Code is amended by adding:

Section 17-1-65. A person may apply for an expungement of one conviction for unlawful possession of a handgun as provided in Section 16-23-20, if the conviction occurred prior to the enactment of the S.C. SECTION 21. Section 23-31-215 of the S.C. Code is amended by adding:

(V)(1) The State Law Enforcement Division shall provide a statewide concealed weapon permit training course that satisfies the proof of training requirement for the issuance of a concealed weapon permit. SLED may not charge participants a fee of any kind for the concealed weapon permit training course provided for in this subsection. SLED may contract with private certified concealed weapon permit training class instructors or local law enforcement to provide the course or SLED itself may provide the course.

(2) The training course must be offered in every county in South Carolina at least twice per month. If demand exceeds the capacity of the training course in any county, SLED shall provide additional classes until there exists a sufficient number of classes offered at least twice a month to meet the demand for training in each respective county. If SLED is unable to contract with a certified concealed weapon permit training class instructor or local law enforcement in any county, SLED must conduct the training class for that county.

(3) This program does not prohibit any certified concealed weapon permit training class instructors from providing their own training classes and charging participants a fee.

SECTION 22. Chapter 23, Title 16 of the S.C. Code is amended by adding:

Section 16-23-495. (A) A person convicted of committing or attempting to commit a crime involving a concealable weapon, as defined by Section 23-31-210(5), in violation of an offense listed in Chapter 23, Title 16, or a violation of Section 10-11-320, must be imprisoned not to exceed three years. A term of imprisonment imposed for violating this section must be served consecutively to any term of imprisonment imposed for the underlying offense, and may not exceed the actual sentence imposed for the underlying offense.

(B) This section does not apply to a person with a valid permit to carry a concealable weapon issued pursuant to Article 4, Chapter 31, Title 23, provided that the permit was valid at the time the crime was committed.

(C) The additional punishment may not be imposed unless the

indictment alleged as a separate count that the person was in possession of a concealable weapon without a valid concealed weapon permit during the commission of the crime and conviction was had upon this count in the indictment. The penalties prescribed in this section may not be imposed unless the person convicted was at the same time indicted and convicted of the underlying crime.

(D) The State Law Enforcement Division shall develop a document and distribute it to retailers that are federally licensed to engage in the business of dealing in or selling firearms in South Carolina. Such retailers shall provide the document to gun purchasers in South Carolina to inform them that South Carolina law provides a process for gun owners to obtain a concealed weapon permit and allows law-abiding gun owners to carry their weapons without a permit. The document must inform gun purchasers that if a gun owner commits a crime involving a concealable weapon, and the owner does not have a valid concealed weapon permit, then there may be an additional criminal penalty for the underlying offense.

(E) The State Law Enforcement Division must conduct a regular, statewide marketing campaign to inform South Carolinians that South Carolina law provides a process for gun owners to obtain a concealed weapon permit and allows law-abiding gun owners to carry their weapons without a permit. The campaign must inform gun purchasers that if a gun owner commits a crime involving a concealable weapon, and the owner does not have a valid concealed weapon permit, then there may be an additional criminal penalty for the underlying offense.

SECTION 23. Section 23-31-215(A) of the S.C. Code is amended to read:

(A) Notwithstanding any other provision of law, except subject to subsection (B), SLED must issue a permit, which is no larger than three and one-half inches by three inches in size, to carry a concealable weapon to a resident or qualified nonresident who is at least ~~twenty-one~~eighteen years of age and who is not prohibited by state law from possessing the weapon upon submission of:

In lieu of the submission of fingerprints, the applicant must submit the written statement from a licensed medical doctor specifying the reason or reasons why the applicant's fingerprints may not be taken. If all other qualifications are met, the Chief of SLED may waive the fingerprint requirements of this item. The statement of medical limitation must be attached to the copy of the application retained by SLED. A law enforcement agency may charge a fee not to exceed five dollars for fingerprinting an applicant.

SECTION 24. No provision in this act should be construed as the General Assembly discouraging responsible gun ownership; and the General Assembly, in fact, encourages all gun owners to pursue and receive appropriate gun safety training before carrying a firearm or weapon.

SECTION 25. The repeal or amendment by this act of any law, whether temporary or permanent or civil or criminal, does not affect pending actions, rights, duties, or liabilities founded thereon, or alter, discharge, release or extinguish any penalty, forfeiture, or liability incurred under the repealed or amended law, unless the repealed or amended provision shall so expressly provide. After the effective date of this act, all laws repealed or amended by this act must be taken and treated as remaining in full force and effect for the purpose of sustaining any pending or vested right, civil action, special proceeding, criminal prosecution, or appeal existing as of the effective date of this act, and for the enforcement of rights, duties, penalties, forfeitures, and liabilities as they stood under the repealed or amended laws.

SECTION 26. If any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this act is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of the remaining portions of this act, the General Assembly hereby declaring that it would have passed this act, and each and every section, subsection, paragraph, subparagraph, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more other sections, subsections, paragraphs, subparagraphs, sentences, clauses, phrases, or words hereof may be declared to be unconstitutional, invalid, or otherwise ineffective.

SECTION 27. This act takes effect upon approval by the Governor.

~~Indicates Matter Stricken~~
Indicates New Matter

The House assembled at 10:00 a.m.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk, Jr., as follows:

Our thought for today is from Isaiah 61:1: “The Spirit of the Lord God is upon me, because the Lord has anointed me; he has sent me to bring good news to the oppressed, to bind up the brokenhearted, to proclaim liberty to the captives, and release to the prisoners; to proclaim the year of our Lord’s favor.”

Let us pray. Ever-present God, help us to see and trust that Your saving work is with us so that we may not fear, complain, or forget Your goodness to us. Awesome God, help us to live a life that reflects Your power and glory meant for us and all the World. Bless our defenders of freedom and first responders. Look in favor upon our World, Nation, President, State, Governor, Speaker, Staff, and all who give of their time and effort to make this State great. We pray for our men and women who serve our Country and who suffer from hidden wounds. Lord, in Your mercy, hear our prayers. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the SPEAKER *PRO TEMPORE*.

After corrections to the Journal of the proceedings of yesterday, the SPEAKER *PRO TEMPORE* ordered it confirmed.

MOTION ADOPTED

Rep. HENEGAN moved that when the House adjourns, it adjourn in memory of former Representative Wade R. "Ronnie" Crow, which was agreed to.

Wade R. “Ronnie” Crow

Mr. Speaker, I move that when the House adjourns today, that we do so in memory of a man who dedicated his life to serving others - Wade R. "Ronnie" Crow of Marlboro County.

Wade "Ronnie" Crow passed away on January 19, 2024, surrounded by his family.

Mr. Crow was a licensed attorney. He loved politics. He entered countywide politics in 1974, and later statewide politics. He served as an elected member of the South Carolina General Assembly.

During his term as a representative, he served on the Judiciary Committee and his second term on the Ways and Means Committee. He also served on the South Carolina State Reorganization Commission.

Attorney Crow served on many committees at the local and state level during his lifetime. He was a lifetime member of the Masonic Lodge and also a Shriner in OMAR Temple.

We extend our condolences to his wife and other family members, and I further move that these remarks be printed in the House Journal.

Representative Patricia Moore Henegan

CAROLINA CODE OF LAWS BY ADDING SECTION 27-40-350 SO AS TO PROVIDE THAT RESIDENTIAL TENANTS WHO ARE VICTIMS OF CERTAIN DOMESTIC VIOLENCE MAY TERMINATE A RENTAL AGREEMENT AND TO PROVIDE FOR NECESSARY REQUIREMENTS.

The Committee on Judiciary proposed the following Amendment No. 1 to H. 4158 (LC-4158.SA0001H):

Amend the bill, as and if amended, SECTION 1, by striking Section 27-40-350 and inserting:

Section 27-40-350 (A) If a residential tenant is a protected tenant, the tenant may:

(1) terminate the protected tenant's obligations under a rental agreement within sixty days of the date of the documented qualifying incident; and

(2) not be held liable for penalties or fees that might otherwise be imposed for the termination of the protected tenant's obligations under a rental agreement within sixty days of the documented qualifying incident.

(B) A protected tenant shall provide the landlord with written notice of the intent to terminate the protected tenant's obligations under a rental agreement within sixty days after the documented qualifying incident and is entitled to remain at the residence for at least thirty days following the submission of the notice to the landlord. The protected tenant is still responsible for paying rent and other amounts owed, other than any fees imposed for early termination of the rental agreement, during the thirty days before the termination of the protected tenant's obligations under a rental agreement.

(C) The protected tenant's obligations as a tenant must continue through the effective date of the termination. Any cotenants on the lease with the protected tenant shall remain responsible for the rent for the balance of the term of the rental agreement. If the perpetrator is the remaining sole tenant obligated on the rental agreement, the landlord may terminate the rental agreement with five days' written notice and collect actual damages for such termination against the perpetrator.

(D) A landlord:

(1) may not require or force the protected tenant to vacate the residence before the expiration of the thirty days authorized by this section, but may enter into an agreement with the protected tenant to terminate the protected tenant's obligations under a rental agreement earlier than what is required pursuant to this section; and

(2) is entitled to all remedies available arising from the destruction or damage of the rental unit caused by the protected tenant or permitted by the protected tenant while on the premises with the protected tenant's permission.

(E) A landlord may not take any retaliatory action against a protected tenant in response to the early termination of the protected tenant's obligations under a rental agreement pursuant to this section.

(F) A landlord may not terminate a tenancy, fail to renew a tenancy, refuse to enter into a rental agreement, or otherwise retaliate in the rental of a dwelling based substantially on:

(1) the tenant, applicant, or a household member's status as a protected tenant; or

(2) the tenant or applicant having terminated a rental agreement under Section 27-40-350.

JOINT ASSEMBLY

At 12:30 p.m. the Senate appeared in the Hall of the House. The President of the Senate called the Joint Assembly to order and announced that it had convened under the terms of a Concurrent Resolution adopted by both Houses.

The Reading Clerk of the House read the following Concurrent Resolution:

S. 1065 -- Senator Alexander: A CONCURRENT RESOLUTION TO WELCOME THE NATIONAL COMMANDER OF THE AMERICAN LEGION, DANIEL J. SEEHAFER, AND TO INVITE HIM TO ADDRESS THE GENERAL ASSEMBLY IN JOINT SESSION IN THE CHAMBER OF THE SOUTH CAROLINA HOUSE OF REPRESENTATIVES AT 12:30 P.M. ON WEDNESDAY, MARCH 6, 2024.

The Honorable Daniel J. Seehafer and distinguished party were escorted to the rostrum by Senators Corbin, Matthews, Hembree, Garrett and McElveen and Representatives HOSEY, B. L. COX, T. MOORE AND WILLIAMS. The President recognized our special guests and then the National American Legion Commander addressed the General Assembly as follows:

Address by the Honorable Daniel J. Seehafer
National Commander of The American Legion
March 6, 2024

Ladies, Gentlemen, distinguished Members of this great Body--It's truly an honor to speak to you today in this beautiful historic capitol.

Before I begin, please allow me a moment to introduce members of The American Legion Family of South Caorlina who are with me today.

We have the Department Commander, Jim Kvam of Charleston.

National Executive Committeeman Joe Lysaght of James Island.

James Holland, Alternate NEC from Aiken.

The Department Adjutant Mike Strauss, of North Augusta.

Our American Legion Auxiliary Department President Lorena Pate of Dalzell.

And, our Sons of the American Legion Detachment Commander Richard Hall of Chesnee.

Ladies and Gentlemen--it is an honor to be in a state with such a proud and distinguished military history. South Carolina has produced famous leaders such as General Thomas Sumter, General William Westmoreland, and Lieutenant Col. William Travis, the man who authored the "Victory or Death" letter from the Alamo.

However, I would like to begin with a tribute to a less famous son of the Palmetto State.

Eighty years ago, a 19-year-old private from the farming community of Six Mile, made the Supreme Sacrifice for this Nation.

Furman L. Smith, a soldier with the 135th Infantry Regiment, 34th Infantry Division, came under intense fire by a force of 80 Germans near Lanuvio, Italy. After his squad leader and another soldier were seriously wounded, the rest of his company safely withdrew. BUT NOT PRIVATE SMITH.

He epitomized the warrior ethos of "leave no one behind" and he placed his wounded comrades in shell craters for their protection. Against overwhelming odds, he fired his rifle and unloaded clip after clip on the enemy. He killed many of them until he was himself mortally wounded, rifle-in-hand.

For the actions he had taken on June 1st, 1944, Furman L. Smith became the first World War II Medal of Honor recipient from South Carolina. He is buried at Pleasant Hill Cemetery.

In many ways I believe Private Smith's actions are symbolic of the relationship that South Carolina has with its veterans. Private Smith refused to abandon his friends in need, just as this State has repeatedly stood at the side of its veterans.

Nearly 400,000 veterans call South Carolina home, including 63,000 military retirees. The state income tax exemptions you provide to military pensions and the multitude of other benefits you award veterans make South Carolina an attractive home for those who have served.

The American Legion is grateful that the South Carolina House of Representatives unanimously passed H. 3116, which will grant immediate property tax exemptions to certain disabled veterans.

Senate Bill S. 437 calls for the military to do more to assist veterans with transitioning. The American Legion believes that a smooth acclimation from military to civilian life can make a difference in reducing the suicide rate among veterans.

For the last several years, previous American Legion National Commanders have appeared before this legislature and discussed the importance of destigmatizing the act of seeking mental wellness.

The United States has lost more than 135,000 veterans to suicide since the 9/11 attacks. This is well more than the total American deaths incurred during the entire Korean War, Vietnam War, Gulf War and Global War on Terrorism combined.

A veteran is 50 percent more likely to take his or her own life than a person who has never served in the military.

The American Legion calls on all of us to Be the One to stop these tragedies. Be the One is not a marketing campaign, or catchy slogan or cool phrase for us.

IT IS A MISSION. A mission of relevance and purpose; yes, a mission that changes lives and saves lives. You see, family, veterans value courage and it takes courage to ask for help. Through our Buddy Check outreach programs, The American Legion does not sit back and wait for veterans to ask us. WE ASK THEM! We take a proactive approach and start conversations with veterans.

Included in those conversations is the most important question of all: "ARE YOU OKAY?" If the answer is "no," we connect that veteran with the resources he or she needs. We follow up. We do not abandon them.

As a result of our lobbying efforts, Congress passed legislation directing the Department of Veterans Affairs to conduct its own national Buddy Check Week, which they did from October 16-20, 2023.

It's impossible to tell how many lives were saved as a result, but we do know that thousands of veterans were told that their lives were valuable and worth living. We also know that in 2023 nearly 50,000 veterans accessed a new VA benefit which offers free emergency suicide prevention care in and outside the VA system.

Suicide also is a major problem for the active-duty military. South Carolia is home to eight major military installations and numerous smaller facilities.

Yesterday, I had the honor of visiting the Naval Nuclear Power Training Command Weapons Station. It is truly inspiring to meet the bright professionals serving in today's All Volunteer Force.

Nonetheless, logic would dictate that providing high quality housing, health care, childcare and other lifestyle amenities goes hand-in-hand with reducing the stress and hardships that can contribute to the suicide rate.

You have probably seen the widespread reports of moldy rooms, broken air conditioning, vermin and other problems that have plagued some military barracks and housing facilities around the world. The American Legion finds these conditions UNACCEPTABLE.

In 2022, our organization created the Base Assessment and Servicemember Experience Program - yes, the acronym is B.A.S.E. The BASE program includes assessment tours by Legion delegations and townhalls with servicemembers and their families to discuss the conditions aboard various installations.

In addition to housing, we focus on issues such as spousal employment opportunities, education, military exchanges, commissaries, economic hardships, and food insecurity.

The goal is not to criticize military commands but to identify challenges and drive solutions.

As the nation's largest veteran's organization, The American Legion is able to report our findings to the White House, Pentagon and Congress, much like the Department of South Carolina American Legion communicates with all of you.

Please consider this our invitation to you. If you have concerns about your veteran constituents or the military community in general, please reach out to our American Legion Department of South Carolina headquarters here in Columbia. Every officer in The American Legion has worn the uniform of the United States military. We have the expertise and experience to help but most importantly, we have the desire to be servant leaders for our communities and our Country.

While I am here, I would like to extend my congratulations to Charles Bratton of Clover, S.C. On July 23rd, Charles finished first in the sporter category of The American Legion Junior-3 Position Air Rifle Championships that we held in Colorado Springs. Charles's marksmanship skills earned him a $5,000 scholarship, which he is now using at Harvard University.

This summer, our Past Department Commanders Club also honored Sumter native Bobby Richardson with our 2023 Good Guy Award. Bobby was not just a legendary second baseman for the New York Yankees, but he was also a proud American Legion Baseball alumnus. He is an outstanding patriot and servant of his community.

Now, if you would allow me for one moment to call to this platform two members of this distinguished Body who have proven that they are not only great lawmakers, but they are advocates for those who have served. They have been designated by The American Legion Department of South Carolina as the Outstanding Members of the Legislature for 2024. They are true friends of veterans and The American Legion.

Senator Mike Fanning and Representative Sylleste H. Davis, would you please join me?

Congratulations Senator Fanning and Representative Davis. We appreciate all that you do on behalf of veterans.

Thank you so much, South Carolina Legislature.

God Bless you and God Bless America.

Upon conclusion of his address, The Honorable Daniel J. Seehafer and his escort party retired from the Chamber.

Make us grateful for those who protect and defend our Nation and State. Guide these Representatives and Staff to do the right thing for the right reason. Bless and keep our World, Nation, President, State, Governor, Speaker, Staff, and all who labor in this vineyard. Bestow Your blessings on our Armed Forces and especially for those in harm's way. Keep in Your love and care our men and women who suffer from hidden wounds. Lord, in Your mercy, hear our prayers. Amen.

POINT OF ORDER

Rep. WETMORE raised the Point of Order that Amendment No. 24 was not germane to the Bill under Rule 5.3.B.1.

SPEAKER G. M. SMITH stated that Rule 5.3.B was adopted in 2022 and that he was bound by the precedents from 2023. He said that the rule had been changed in 2022 to require that the principal, chief, or primary effect of an amendment to the annual general appropriations bill must be directly related to the appropriation of funds or the raising of revenue or be a rule, directive, or regulation directly related to the appropriation of funds or raising revenue. He stated that he had to look for the principal purpose or intent of the amendment. The SPEAKER stated further that it was his view that the amendment was drafted to effect what entities would receive funds for purposes of family planning. He stated that he was overruling the Point of Order.

Rep. HEWITT spoke against the amendment.

Indicates New Matter

The House assembled at 9:30 a.m.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk, Jr., as follows:

Our thought for today is from Ezekiel 18:31: "Get rid of all the sins you have done, and get for yourself a new heart and a new way of thinking."

Let us pray. Lord God, heavenly Father, thank You for this day, for Your loving spirit which comes every day. Thank You for granting us blessings that satisfy our souls and bodies. We give thanks for all Your gifts. Thank You and bless our men and women who defend our freedom and keep us safe. Help us to be thankful for Your care during this week. Look in favor upon our World, Nation, President, State, Governor, Speaker, Staff, and heal those who suffer from hidden wounds. Make us grateful for those men and women who keep us safe by going into harm's way. Lord, in Your mercy, hear our prayers. Amen.

The House assembled at 12:00 noon.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk, Jr., as follows:

Our thought for today is from Ezekiel 37:14: "And I will put my Spirit with you, and you shall live, and I will place you in your own land, then you shall know that I am the Lord; I have spoken and I will do it, declares the Lord."

Let us pray. Lord, breathe Your spirit upon us and make us live for You. Continue Your blessings upon these men and women as they continue the work set before them. Guide them and refresh them in their duties. Bless and keep our defenders of freedom and first responders as they care for us. Look in favor upon our World, Nation, President, State, Governor, Speaker, Staff, and all who give of time and effort for this great cause. Bless and keep our men and women of our Armed Forces safe. Heal the wounds, those seen and those hidden, of our brave warriors who sacrifice for all of us. Lord, in Your mercy, hear our prayers. Amen.
