MOTION ADOPTED

Rep. GARVIN moved that when the House adjourns, it adjourn in memory of Angie Stone, which was agreed to.

In Memory of Ms. Angie Stone

Mr. Speaker and Members,

I would like to adjourn in memory of Columbia native, Angie Stone. A graduate of C.A. Johnson High School, she was raised singing gospel music at the First Nazareth Baptist Church.

The Grammy-nominated R&B singer was a member of the all-female hip-hop trio The Sequence before launching a solo career. The Sequence, the first female rap group, created the 1980's top charting hit, Funk You Up, which was later sampled by artists such as Bruno Mars and Dr. Dre.

Ms. Stone tragically passed on March 1, 2025, when the Mercedes-Benz Sprinter van she was traveling in overturned on Interstate 65 before being hit by a 2021 Freightliner Cascadia truck in Alabama. The van's driver and seven others were taken to a hospital for treatment. She was traveling from one performance to another.

The singer-songwriter created hits like "No More Rain (In This Cloud)" which reached No. 1 for 10 weeks on Billboard's Adult R&B airplay chart, "Baby" with legendary soul singer Betty Wright, another No. 1 hit "Wish I Didn't Miss You," and "Brotha." Her 2001 album *Mahagony Soul* reached No. 22 on the Billboard 200, while 2007's *The Art of Love & War* peaked at No. 11.

Ms. Stone's funeral will be this Saturday, March 15 at 2pm at First Nazareth Baptist. We are incredibly proud of our South Carolina native daughter and ask that you continue to pray for her family and many friends.

I would ask that my remarks be entered into the journal.

Rep. Kambrell Garvin

STATEMENT FOR THE JOURNAL

I rise to recognize Corey Jones, a familiar face leaving us. When Rep. Sessions and I started our podcast, many pages, including Corey from Greenville, reached out with questions. Serving Rep. Rutherford, Corey graduated high school, completed an evangelical mission in Denver, and earned an associate's degree from Greenville Tech before studying political science at USC. Eager to serve, he sought out Rep. Rutherford, who hadn't yet assigned a page, and applied. While here, Corey married his wonderful wife, Amy, who joins him today. Next week, he begins Air Force Basic Training, marking a new chapter. After his military service, he plans to attend law school. I suspect we'll see Corey back in this chamber someday. Please join me in thanking Corey for his service and wishing him well in his future endeavors. Thank you, Corey.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk Jr. as follows:

Our thought for today is from Isaiah 58:8: "Then shall your light break forth like the dawn and the glory of the Lord shall be your rear guard."

Let us pray. May God's light shine through us as we continue to do the work for the people of South Carolina. We are assured Your light will guard us in all we do in this place for the right reason. Bless and keep safe our defenders of freedom and first responders. We are sure You, O Lord, will protect us during this day. Look in favor upon our World, Nation, President, State, Governor, Speaker, Staff, and all who labor in these Halls of Government. Heal the wounds of our Armed Forces and those with hidden wounds. Lord, in Your mercy, hear our prayers. Amen.

~~Indicates Matter Stricken~~
Indicates New Matter

The House assembled at 10:00 a.m.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk Jr. as follows:

Our thought for today is from Psalm 51:2: "Wash me thoroughly from my iniquity and cleanse me from my sin!"

Let us pray. Thank You, loving Father, for the gift that serving You has given us. Guide us continually with Your power. We are grateful for your continual care for each of us. We pray also for our defenders of freedom and first responders as they care for us. Look in favor upon our World, Nation, President, State, Governor, Speaker, Staff, and all who labor in this vineyard. Care for our Armed Forces and those with hidden wounds. Lord, in Your mercy, hear our prayers. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the SPEAKER *PRO TEMPORE*.

After corrections to the Journal of the proceedings of yesterday, the SPEAKER *PRO TEMPORE* ordered it confirmed.

MOTION ADOPTED

Rep. HARTNETT moved that when the House adjourns, it adjourn in memory of Gedney M. Howe III, which was agreed to.

In Memory of Mr. Gedney M. Howe III

Born November 16, 1946, Gedney M. Howe III passed peacefully the afternoon of March 21, 2025.

"A study in contrast, GIII was truly larger than life. Cutting the figure of a well-heeled, sharp-witted attorney with a short temper. Behind closed doors, he was a man of immense generosity; we will never know how many people he helped, putting people through college, showing up at the right time to make sure ends meet, sitting bedside when friends were suffering, almost always on the condition of anonymity. The values instilled in him by his parents never wavered.

Gedney III represented people, businesses, schools, even the state of South Carolina and the Senate. He also aggressively pursued businesses,

the FBI, the Coast Guard, the State, and countless others. The bane and darling of judges and juries alike, he faced the old adage, "Is it better to be feared or loved?" and decided he would be both."
(* Quote from Gedney M. Howe, IV)
Rep. Thomas Hartnett Jr.

SILENT PRAYER

The House stood in silent prayer for Gedney M. Howe III.

Rep. Robby Robbins

Reps. SPANN-WILDER, MCDANIEL, HENDERSON-MYERS, RIVERS, GOVAN, HOWARD, GILLIARD, GARVIN, GRANT, CLYBURN, J.L. JOHNSON, HOSEY, LUCK, KING and J. MOORE proposed the following Amendment No. 13 to H. 3927 (LC-3927.AHB0001H), which was tabled:

Amend the bill, as and if amended, SECTION 1, by adding:

Section 1-1-1920. (A) For purposes of this section, the term:

(1) "Family member" means any person related by blood, marriage, or adoption. This includes, but is not limited to, spouses, domestic partners, parents, children, stepchildren, siblings, half-siblings,

grandparents, grandchildren, aunts, uncles, cousins, and any other relatives by consanguinity or affinity.

(2) "Nepotism" means the practice of favoring family members in employment decisions, including hiring, promotion, or assignment, regardless of qualifications or competitive merit.

(B) No state agency or quasi-state agency, including institutions of higher education, school districts, charter schools, and all political subdivisions of this State shall engage in any form of nepotism. Specifically, no person shall be hired, promoted, or otherwise employed based solely or in part on the basis of a familial relationship by blood, marriage, or adoption with an incumbent, decision-maker, or any individual in a position to influence employment decisions. All hiring, promotion, and appointment processes conducted by a state agency or quasi-state agency, including institutions of higher education, school districts, charter schools, and all political subdivisions of this State must be based on merit and competitive, open procedures, with full disclosure of any potential familial relationships that could influence the process. All family members including, but not limited to, current employees in management positions, applicants for employment, employees receiving a promotion, and elected state and local officials must disclose family member relationships to the appropriate employing agency to ensure transparency, accountability, and fairness in hiring, employment, and promotion decisions.

(C) The prohibition provided in subsection (B) does not apply when:

(1) the family member in question independently meets the qualifications for the position through an open and competitive process without any preferential treatment; and

(2) there is full disclosure of the relationship, and the hiring decision is subject to an independent review to ensure fairness and compliance with merit-based standards.

Any exception granted under the provisions of this subsection must be documented and justified in writing by the agency responsible for the hiring decision.

(D) All state agencies or quasi-state agencies, including institutions of higher education, school districts, charter schools, and all political subdivisions of this State shall establish and maintain procedures to ensure compliance with this section. Violations of the provisions of this section are subject to administrative review and corrective action, which may include rescission of the hiring decision and other disciplinary measures as deemed appropriate.

(E) Each state agency or quasi-state agency, including institutions of higher education, school districts, charter schools, and all political subdivisions of this State shall annually report to both the House and Senate Oversight Committees the number of hires and promotions, including any exceptions approved under subsection (C), along with a summary of the measures taken to ensure compliance with this section.

So, the amendment was tabled.

Rep. HIOTT proposed the following Amendment No. 24 to H. 3927 (LC-3927.DG0011H):

Amend the bill, by striking all after the title but before the enacting

words and inserting:

Whereas, longstanding state and federal civil rights laws protect individual South Carolinians from discrimination based on race, religion, color, sex, age, national origin, or disability. These civil rights protections serve as a bedrock supporting equality of opportunity for all South Carolinians; and

Whereas, the General Assembly finds it necessary to ensure that these laws are enforced for the benefit of all South Carolinians; and

Whereas, the General Assembly finds that roughly sixty years after the passage of the Civil Rights Act of 1964, critical and influential institutions of American society, including the federal government, major corporations, financial institutions, the medical industry, large commercial airlines, and institutions of higher education have adopted and actively used dangerous, demeaning, and immoral discriminatory preferences under the guise of so-called "diversity, equity, and inclusion" (DEI) that can violate the civil rights laws of this State and Nation; and

Whereas, illegal DEI policies not only violate the text and spirit of our longstanding state and federal civil rights laws, they also undermine our national unity, as they deny, discredit, and undermine the traditional American values of hard work, excellence, and individual achievement in favor of an unlawful, corrosive, and pernicious identity-based spoils system. Hardworking South Carolinians who deserve a shot at the American Dream should not be stigmatized, demeaned, or shut out of opportunities because of unlawful discrimination; and

Whereas, these illegal DEI policies also threaten the safety of men, women, and children across South Carolina by diminishing the importance of individual merit, aptitude, hard work, and determination when selecting people for jobs and services in key sectors of American society, including all levels of government, and the medical and aviation communities. Yet in case after tragic case, South Carolinians have witnessed on the national landscape the disastrous consequences of illegal, pernicious discrimination that has prioritized how people were born instead of what they were capable of doing; and

Whereas, the Trump Administration issued Executive Order 14173, titled "Ending Illegal Discrimination and Restoring Merit-Based Opportunity," to ensure that employment and educational opportunities within the federal government are based on merit rather than unlawful discrimination; and

Whereas, it is in the best interest of the State of South Carolina to uphold these same principles by applying similar standards to state and

local governments, as well as educational institutions of this state, thereby ensuring that all individuals are treated fairly and given equal opportunities based on their qualifications and abilities; and

Whereas, following the leadership of the President in prioritizing merit-based policies will strengthen public trust in government institutions and reinforce South Carolina's commitment to fairness, equality, and the rule of law. Now, therefore,

Amend the bill further, by striking all after the enacting words and inserting:

SECTION 1. Chapter 1, Title 1 of the S.C. Code is amended by adding:

Article 29

Diversity, Equity, and Inclusion

Section 1-1-1910. (A) The State of South Carolina is charged with enforcing our civil-rights laws. The purpose of this chapter is to ensure that it does so by ending illegal preferences and discrimination.

(B) It is the policy of the State of South Carolina to protect the civil rights of all citizens of South Carolina and to promote individual initiative, excellence, and hard work. Accordingly, all public entities of this State, including all public institutions of higher learning, all of its political subdivisions, and public school districts and public charter schools, must:

(1) terminate all discriminatory and illegal preferences, mandates, policies, programs, activities, guidance, regulations, enforcement actions, consent orders, and requirements; and

(2) enforce the state's longstanding civil rights laws to combat illegal private-sector DEI mandates, policies, programs, and activities.

Section 1-1-1920. (A)For the purposes of this chapter:

(1) "Public Entity" means any agency, office, division, or other unit by any name of every agency, office, or department of this State, and all of its political subdivisions, including all institutions of higher learning and public school districts and public charter schools.

(2) "Diversity, Equity, and Inclusion" or "DEI" means any preferences, mandates, policies, programs, activities, guidance, regulations, enforcement actions, consent orders, or requirements implemented by a public entity that constitutes illegal discrimination on the basis of race, color, religion, sex, or national origin.

Section 1-1-1930. Except as required by federal law, a public entity shall not:

(1) implement, maintain, or promote diversity, equity, and inclusion, including but not limited to influencing employment practices

or admissions on the basis of diversity, equity, or inclusion;

(2) give preferential treatment on the basis of diversity, equity, and inclusion;

So, the amendment was tabled.

Rep. HIOTT proposed the following Amendment No. 24 to H. 3927 (LC-3927.DG0011H), which was adopted:

Amend the bill, by striking all after the title but before the enacting words and inserting:

Whereas, longstanding state and federal civil rights laws protect individual South Carolinians from discrimination based on race, religion, color, sex, age, national origin, or disability. These civil rights protections serve as a bedrock supporting equality of opportunity for all South Carolinians; and

Whereas, the General Assembly finds it necessary to ensure that these laws are enforced for the benefit of all South Carolinians; and

Whereas, the General Assembly finds that roughly sixty years after the passage of the Civil Rights Act of 1964, critical and influential institutions of American society, including the federal government, major corporations, financial institutions, the medical industry, large commercial airlines, and institutions of higher education have adopted and actively used dangerous, demeaning, and immoral discriminatory preferences under the guise of so-called "diversity, equity, and inclusion" (DEI) that can violate the civil rights laws of this State and Nation; and

Whereas, illegal DEI policies not only violate the text and spirit of our longstanding state and federal civil rights laws, they also undermine our national unity, as they deny, discredit, and undermine the traditional American values of hard work, excellence, and individual achievement in favor of an unlawful, corrosive, and pernicious identity-based spoils

system. Hardworking South Carolinians who deserve a shot at the American Dream should not be stigmatized, demeaned, or shut out of opportunities because of unlawful discrimination; and

Whereas, these illegal DEI policies also threaten the safety of men, women, and children across South Carolina by diminishing the importance of individual merit, aptitude, hard work, and determination when selecting people for jobs and services in key sectors of American society, including all levels of government, and the medical and aviation communities. Yet in case after tragic case, South Carolinians have witnessed on the national landscape the disastrous consequences of illegal, pernicious discrimination that has prioritized how people were born instead of what they were capable of doing; and

Whereas, the Trump Administration issued Executive Order 14173, titled "Ending Illegal Discrimination and Restoring Merit-Based Opportunity," to ensure that employment and educational opportunities within the federal government are based on merit rather than unlawful discrimination; and

Whereas, it is in the best interest of the State of South Carolina to uphold these same principles by applying similar standards to state and local governments, as well as educational institutions of this state, thereby ensuring that all individuals are treated fairly and given equal opportunities based on their qualifications and abilities; and

Whereas, following the leadership of the President in prioritizing merit-based policies will strengthen public trust in government institutions and reinforce South Carolina's commitment to fairness, equality, and the rule of law. Now, therefore,

Amend the bill further, by striking all after the enacting words and inserting:

SECTION 1. Chapter 1, Title 1 of the S.C. Code is amended by adding:

Article 29

Diversity, Equity, and Inclusion

Section 1-1-1910. (A) The State of South Carolina is charged with enforcing our civil-rights laws. The purpose of this chapter is to ensure that it does so by ending illegal preferences and discrimination.

(B) It is the policy of the State of South Carolina to protect the civil rights of all citizens of South Carolina and to promote individual initiative, excellence, and hard work. Accordingly, all public entities of this State, including all public institutions of higher learning, all of its political subdivisions, and public school districts and public charter schools, must:

(1) terminate all discriminatory and illegal preferences, mandates, policies, programs, activities, guidance, regulations, enforcement actions, consent orders, and requirements; and

Section 1-1-1930. Except as required by federal law, a public entity shall not:

(1) implement, maintain, or promote diversity, equity, and inclusion, including but not limited to influencing employment practices or admissions on the basis of diversity, equity, or inclusion;

(2) give preferential treatment on the basis of diversity, equity, and inclusion;

(3) compel, require, induce, or solicit any person to provide a diversity, equity, and inclusion statement or give preferential consideration to any person based on the provision of a diversity, equity, and inclusion statement.

(4) establish or support any office, unit or division within that public entity that is established or exists, in whole or in part, for the promotion of diversity, equity, and inclusion; or

(5) require an individual to participate in a diversity, equity, and inclusion program or training.

(C) The head of each public entity shall include in every contract, grant, or incentives award:

(1) a term requiring the contractual counterparty or grant or incentives recipient to agree that its compliance in all respects with all applicable state and federal antidiscrimination laws is material to the government's decision to award such contract, grant, or incentive; and

(2) a term requiring such counterparty or recipient to certify that it does not operate any programs promoting DEI that violate any applicable state or federal antidiscrimination laws.

Section 1-1-1950. (A) As used in this section:

(1) "Accrediting agency" means an agency or association that accredits institutions of higher learning.

(2) "Accreditation cycle" means the period of time during which a constituent institution is accredited.

(B) An institution of higher learning shall pursue accreditation with an accrediting agency that is different from its current accrediting agency if its current accrediting agency requires the institution of higher learning to maintain a DEI program that constitutes illegal discrimination on the basis of race, color, religion, sex, or national origin.

(C) If the institution is not granted candidacy status by any regional accrediting agency that is different from its current accrediting agency at least three years prior to the expiration of its current accreditation, the institution may remain with its current accrediting agency for an additional accreditation cycle.

Section 1-1-1960. (A)(1) This article does not apply to lawful state or private sector employment and contracting preferences for veterans of the U.S. Armed Forces or persons protected by the Randolph-Sheppard Act, 20 U.S.C. 107, et seq.

(2) This article does not prevent state or local governments, contractors, or federally funded state and local educational agencies or institutions of higher education from engaging in First Amendment-protected speech.

(B)(1) This article is not intended to and does not create any private right or benefit, substantive or procedural, enforceable at law or in equity by any party against the State, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(2) The Inspector General may investigate and address or enforce any allegations of violations of this article. The Inspector General shall develop a process and platform whereby complaints may be filed regarding potential violations of this article. An individual making a report pursuant to this article is protected by the provisions set forth in

Chapter 27, Title 8.

(3) Every public entity shall report to the Department of Administration by August first of each year the total number and nature of the complaints made to the respective entity in the previous year regarding a violation of the provisions of this article and the resolution, or status, of the complaint. The department shall provide a report to the Speaker of the House of Representatives, the President of the Senate, the Inspector General, and the Attorney General by October first of each year summarizing this information. Nothing in this item requires the disclosure of the identity of the individual who made the complaint.

(4) The Attorney General may enforce the provisions of this article and may bring an action for injunctive or declaratory relief in any court of competent jurisdiction.

Section 1-1-1970. (A) The provisions of this article shall not be construed to infringe upon, diminish, or otherwise take away any rights, protections, or privileges afforded to individuals with disabilities under the laws of this State or the United States, including but not limited to the Americans with Disabilities Act of 1990, as amended, and any other applicable federal or state law.

(B) The provisions of this article shall not be construed to diminish or infringe upon any right protected under the First Amendment to the United States Constitution.

(C) The provisions of this article shall not be construed to limit any person's right to pursue any additional civil remedy otherwise allowed by law.

~~Indicates Matter Stricken~~
Indicates New Matter

The House assembled at 10:00 a.m.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk Jr. as follows:

Our thought for today is from Isaiah 30:21: “Whether you turn to the right or to the left, your ears will hear a voice behind you saying, “This is the way; walk in it.”

Let us pray. Gracious Lord, You have called us to be Your servants to serve the people of whom You have placed before us. Continue to be the One who carries out the message of power and might and love for all people. Bless and keep our defenders of freedom and first responders. Look in favor upon our World, Nation, President, State, Governor, Speaker, Staff, and all who labor in these Halls of Government. Care for our men and women in our Armed Forces and those with hidden wounds. Lord, in Your mercy, hear our prayers. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the SPEAKER.

After corrections to the Journal of the proceedings of yesterday, the SPEAKER ordered it confirmed.

MOTION ADOPTED

Rep. CHAPMAN moved that when the House adjourns, it adjourn in memory of A. B. "Buck" Roberts, which was agreed to.

In Memory of A.B. “Buck” Roberts

I move that we adjourn today in memory of A.B. “Buck” Roberts, who passed away on February 7, 2025.

Buck was a beloved Andersonian whose dedication to his community left an indelible mark. As a second-generation builder, he contributed significantly to the Home Builders Association at the local, state and national levels, earning a place in the South Carolina Housing Hall of Fame in 1996.

I had the privilege of serving alongside Buck for many years on the Anderson City Council, where he served with distinction for 18 years.

Buck will be missed by all who loved him, while his commitment and impact to the HBA and the Anderson community will be felt for many years.

I ask that we keep his wife, Carol, with whom he shared 65 years of marriage, and the entire Roberts family in our thoughts and prayers.

Lastly, I respectfully request that these words be added to the official Journal.

Thank you,

Rep. Don Chapman

(e) fails to make payment of rent at the rental rate agreed upon and by the time agreed upon.

(2) The admission of a person to, or the removal of a person from, any recreational vehicle park may not be based upon race, color, national origin, sex, physical disability, or creed.

(B) The operator of any recreational vehicle park shall notify such guest that the park no longer desires to entertain the guest and shall request that the guest immediately depart from the park. Notice must be given in writing, as follows: “You are hereby notified that this recreational vehicle park no longer desires to entertain you as its guest, and you are requested to leave at once. To remain after receipt of this notice is a misdemeanor under the laws of this State.” If such guest has paid in advance, the park, at the time notice is given, shall tender to the guest the unused portion of the advance payment. Any guest who remains or attempts to remain in such park after being requested to leave commits a misdemeanor and must be punished by a fine not exceeding three hundred dollars or by imprisonment for not more than thirty days.

(C) If a guest has accumulated an outstanding account in excess of an amount equivalent to three nights’ rent at a recreational vehicle park, the operator may disconnect all utilities of the recreational vehicle and

notify the guest that the action is for the purpose of requiring the guest to confront the operator or permittee and arrange for the payment of the guest's account. Such arrangement must be in writing, and a copy must be furnished to the guest. Upon entering into the agreement, the operator shall reconnect the utilities of the recreational vehicle.

(D) If any person is illegally on the premises of any recreational vehicle park, the operator of the park may call upon any law enforcement officer of this State for assistance. It is the duty of law enforcement officers, upon the request of an operator, to remove from the premises or place under arrest any guest who, according to the park operator, violated subsection (A) or (B). If a warrant has been issued by the proper judicial officer for the arrest of any guest who violates subsection (A) or (B), the officer shall serve the warrant, arrest the guest, and take the guest into custody. Upon removal or arrest, with or without warrant, the guest is considered to have abandoned or given up any right to occupancy of the premises of the recreational vehicle park; and the operator of the park shall employ all reasonable and proper means to care for any personal property left on the premises by the guest and shall refund any unused portion of moneys paid by the guest for the occupancy of such premises. If conditions do not allow for immediate removal of the guest's property, he may arrange a reasonable time, not to exceed forty-eight hours, with the operator to come remove the property, accompanied by a law enforcement officer.

(E) In addition to the grounds for ejection established by law, grounds for ejection may be established in a written lease agreement between a recreational vehicle park operator or permittee and a recreational vehicle park guest.

Continue Your power over us as we seek to do Your will. Lord God, help us cast our anxieties on You, knowing You care for us. Bless our defenders of freedom and first responders who keep us safe. Remember, O Lord, our World, Nation, President, State, Governor, Speaker, Staff, and all who labor in these Halls of Government. The Committee on Judiciary proposed the following Amendment No. 1 to H. 3924 (LC-3924.PH0002H), which was adopted:

Amend the bill, as and if amended, by striking all after the enacting words and inserting:

SECTION 1. Title 56 of the S.C. Code is amended by adding:

CHAPTER 46

Consumable Hemp Products

Section 56-46-10. It is unlawful for a person under the age of twenty-one to possess or consume a “consumable hemp product.” A “consumable hemp product” is defined as a hemp, tetrahydrocannabinol (THC) or cannabinoid product that is a hemp or cannabinoid derived good intended for human ingestion, absorption, or consumption made from a cannabinoid that is naturally occurring in a hemp plant or made from a cannabinoid that is chemically derived or otherwise synthetically manufactured that has been extracted or purified from an agricultural product. The following chemically derived hemp cannabinoids are specifically included in the definition of a consumable hemp product:

(1) Hexahydrocannabinol (HHC);

(2) Tetrahydrocannabinol acetate ester (THCo);
(3) Tetrahydrocannabiphorol (THCp);
(4) Delta 8 Tetrahydrocannabinol;
(5) Delta 10 Tetrahydrocannabinol;
(6) Delta 4 Tetrahydrocannabinol;
(7) Delta 11 Tetrahydrocannabinol;
(8) Delta 6a10a Tetrahydrocannabinol;
(9) Hehahydrocannabinol Acetate (HHC-O);
(10) Delta 9 Tetrahydrocannabiphorol;
(11) Delta 9 Tetrahydrocannabihexol;
(12) Delta 9 Tetrahydrocannabinol octyl;
(13) Delta 9 Tetrahydrocannabinol methyl ether (THC-M);
(14) Delta 8 Tetrahydrocannabinol octyl; or
(15) Delta 7 Tetrahydrocannabinol.

Section 56-46-20. (A) No person may knowingly:

(1) sell or distribute a product containing a consumable hemp product to a person who is under twenty-one years of age or purchase a product containing a consumable hemp product on behalf of a person who is under twenty-one years of age;

(2) persuade, entice, send, or assist a person who is under twenty-one years of age to purchase, acquire, receive, or attempt to purchase a consumable hemp product. This section does not preclude law enforcement efforts involving:

(a) the use of a minor if the minor's parent or legal guardian has consented to this action; or

(b) the use of a person under twenty-one years of age who is not a minor if the individual has consented to this action;

(3) distribute samples of consumable hemp product in or on a public street, sidewalk, or park; or

(4) sell or distribute a consumable hemp product without having first obtained proof of age from the purchaser or recipient.

(B) Any consumable hemp beverage product offered for retail sale shall be merchandised in such a manner including, but not limited to, signage, shelf-talkers, and stickers on cooler doors, so as to clearly indicate to consumers the product contains hemp-derived cannabinoids.

(C) With the exception of consumable hemp beverages, it is a violation to fail to maintain any product containing consumable hemp products locked away or behind the counter of a retail establishment in an area inaccessible to the customer.

(D) A person violating subsection (A) is guilty of a misdemeanor and, upon conviction:

(1) for a first offense, must be fined not less than two hundred dollars nor more than three hundred dollars or imprisoned not more than thirty days, or both; and

(2) for a second or subsequent offense, must be fined not less than four hundred dollars nor more than five hundred dollars or imprisoned not more than thirty days, or both.

(E) Section 61-6-4080 is applicable to a person who is in violation of subsection (A)(1) for the sale or distribution of a consumable hemp product.

(F) It is unlawful for a person under twenty-one years of age to:

(1) knowingly purchase, possess, or accept receipt of a consumable hemp product; or

(2) knowingly present purported proof of age that is false, fraudulent, or not actually that person for the purpose of purchasing or receiving a consumable hemp product.

(G) A person violating subsection (F) is guilty of a misdemeanor and, upon conviction, must be fined not less than one hundred dollars nor more than two hundred dollars or must be imprisoned for not more than thirty days, or both.

(H) A person eighteen years of age and older lawfully employed to serve or remove consumable hemp products, beer, wine, or alcoholic beverages in establishments licensed to sell these beverages is not considered to be in unlawful possession of the beverages during the course and scope of his duties as an employee. The provisions of this subsection do not affect the requirement that a bartender must be at least twenty-one years of age.

Section 56-46-30. (A) The Department of Agriculture must enforce this chapter in a manner that may reasonably be expected to reduce the extent to which consumable hemp products are sold or distributed to persons under twenty-one years of age, and must conduct random, unannounced inspections at locations where such products are sold or distributed to ensure compliance with this chapter.

(B) The Department of Agriculture must submit an annual report to the General Assembly describing in detail the department's enforcement efforts under this chapter. The report also must be published and made available to the public on the department's website.

Section 56-46-40. (A) A person engaged in the business of selling at retail consumable hemp products must post in each location for which he has obtained a license a sign with the following words printed thereon:

"The possession of a consumable hemp product by a person under

twenty-one years of age is a criminal offense under the laws of this State, and it is also unlawful for a person to knowingly give false information concerning his age for the purpose of purchasing a consumable hemp product."

(B) The South Carolina Department of Agriculture must prescribe by regulation the size of the lettering and the location of the sign on the seller's premises.

(C) A retail seller of consumable hemp products who fails to display the sign required by this section is guilty of a misdemeanor and, upon conviction, must be fined not more than one hundred dollars or imprisoned for not more than thirty days, or both.

Section 56-46-50. (A) Nothing in this act shall be construed to:

(1) legalize the sale, possession, or consumption of THC products by any person in this State where such products are otherwise prohibited by law;

(2) permit the sale or distribution of any product that exceeds the established THC limits; or

(3) prohibit the sale or distribution of any hemp product that is otherwise legal under state or federal law provided the sale or distribution is not in violation of this article.

(B) This article does not limit or affect any other federal or state law more strictly regulating THC or controlled substances in this State.

Section 56-46-60. An entity that is in the business of manufacturing or selling products containing a hemp-derived cannabinoid in this State, including a producer or retailer, may not be located within one thousand feet of a school, daycare facility, or other similar locations.

SECTION 2. If any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this act is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of the remaining portions of this act, the General Assembly hereby declaring that it would have passed this act, and each and every section, subsection, paragraph, subparagraph, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more other sections, subsections, paragraphs, subparagraphs, sentences, clauses, phrases, or words hereof may be declared to be unconstitutional, invalid, or otherwise ineffective.

SECTION 3. During the first 180 days after the effective date of this act, law enforcement officers shall only issue warnings for violations of this article.

Please note this in the House Journal.

Sincerely,
Representative Jordan Pace

SILENT PRAYER

The House stood in silent prayer for the family and friends of Robert Frank "Bob" McCurry Sr.

STATEMENT FOR THE JOURNAL

This week, my business partner and dear friend of our family Matt McCurry's father, Bob McCurry of Holly Hill, widower of Caroline Rhame McCurry, passed away on Monday, April 7, 2025, at the age of 91. Bob was a giant in the SC agriculture industry. He was born in Greenwood, SC, raised in Ware Shoals, and joined the National Guard while in high school. He was a 1956 graduate of University of South Carolina. While there, he met his lifelong love, Caroline Rhame of Holly Hill, who was attending Columbia College.

After graduating, Bob was hired by the Rock Hill YMCA, eventually rising to Executive Director. When his father-in-law's health deteriorated, they moved their family to Holly Hill to help with the family farming business. Bob devoted his life from then on to agriculture, particularly farming and peach production. He served on the South Carolina Agricultural Commission and traveled to the Far East and to Europe on multiple trade missions to promote SC agriculture and commerce. He also was proud to serve for many years on the Board of Farmers and Merchants Bank.

A devoted member of Holly Hill Methodist Church, Bob taught junior high Sunday School for 33 years, sang in the choir, and served in many other roles. Bob also had a heart for teaching and coaching. He served on the board of Holly Hill Academy and was its first varsity basketball coach.

I ask that my fellow Members of the House stand for a moment of silent prayer in honor and memory of Robert "Bob" McCurry.

SPEAKER IN CHAIR

S. 164--AMENDED AND ORDERED TO THIRD READING

The following Bill was taken up:

S. 164 -- Senator Campsen: A BILL TO AMEND THE SOUTH CAROLINA CODE OF LAWS BY AMENDING SECTION 1-23-120, RELATING TO THE REQUIREMENTS AND PROCEDURES FOR REGULATIONS, SO AS TO TOLL THE PERIOD OF LEGISLATIVE REVIEW FROM THE SECOND FRIDAY IN MAY THROUGH THE SECOND MONDAY IN JANUARY; AND TO ADD A PROVISION REVISING THE PERIOD OF LEGISLATIVE REVIEW FOR REGULATIONS FILED ON JANUARY 14, 2025, TO ONE HUNDRED THIRTEEN DAYS.

The Committee on Regulations, Admin. Proc., AI and Cybersecurity proposed the following Amendment No. 1 to S. 164 (LC-164.WAB0001H), which was adopted:

Amend the bill, as and if amended, SECTION 1, by striking Section 1-23-115(A) and inserting:

(A) Upon written request by two members of the General Assembly, made before submission of a promulgated regulation to the General Assembly for legislative review, a regulation that has a substantial economic impact must have an assessment report prepared pursuant to this section and in accordance with the procedures contained in this article. In addition to any other method as may be provided by the General Assembly, the legislative committee to which the promulgated regulation has been referred, by majority vote, may send a written notification to the promulgating agency informing the agency that the committee cannot approve the promulgated regulation unless an assessment report is prepared and provided to the committee. The written notification tolls the running of the ~~one hundred twenty day~~~~one hundred day~~one-hundred-ten-day legislative review period, and the period does not begin to run again until an assessment report prepared in accordance with this article is submitted to the committee. Upon receipt of the assessment report, additional days must be added to the days remaining in the ~~one hundred twenty day~~~~one hundred day~~one-hundred-ten-day review period, if less than twenty days, to equal twenty days. A copy of the assessment report must be provided to each member of the committee.

Amend the bill further, SECTION 2, by striking Section 1-23-120(C) and (D) and inserting:

(C) Upon receipt of the regulation, the President and Speaker shall refer the regulation for review to the standing committees of the Senate and House which are most concerned with the function of the promulgating agency. A copy of the regulation or a synopsis of the regulation must be given to each member of the committee, and Legislative Council shall notify all members of the General Assembly when regulations are submitted for review either through electronic means or by addition of this information to the website maintained by the Legislative Services Agency, or both. The committees to which regulations are referred have one hundred ten ~~twenty~~ days from the date regulations are submitted to the General Assembly to consider and take action on these regulations. However, if a regulation is referred to a committee and no action occurs in that committee on the regulation within sixty calendar days of receipt of the regulation, the regulation must be placed on the agenda of the full committee beginning with the next scheduled full committee meeting.

(D) If a joint resolution to approve a regulation is not enacted within

one hundred ten ~~twenty~~ days after the regulation is submitted to the General Assembly or if a joint resolution to disapprove a regulation has not been introduced by a standing committee to which the regulation was referred for review, the regulation is effective upon publication in the State Register. Upon introduction of the first joint resolution disapproving a regulation by a standing committee to which the regulation was referred for review, the ~~one-hundred-twenty-day~~~~one-hundred-day~~one-hundred-ten-day legislative review period for automatic approval is tolled. A regulation may not be filed under the emergency provisions of Section 1-23-130 if a joint resolution to disapprove the regulation has been introduced by a standing committee to which the regulation was referred. Upon a negative vote by either the Senate or House of Representatives on the resolution disapproving the regulation and the notification in writing of the negative vote to the Speaker of the House of Representatives and the President of the Senate by the Clerk of the house in which the negative vote occurred, the remainder of the period begins to run. If the remainder of the period is less than ninety days, additional days must be added to the remainder to equal ninety days. The introduction of a joint resolution by the committee of either house does not prevent the introduction of a joint resolution by the committee of the other house to either approve or disapprove the regulations concerned. A joint resolution approving or disapproving a regulation must include:

(1) the synopsis of the regulation as required by subsection (B)(4);

(2) the summary of the final assessment report prepared by the office pursuant to Section 1-23-115 or, as required by subsection (B)(5), the statement or explanation that an assessment report is not required or is exempt.

Amend the bill further, SECTION 3, by striking Section 1-23-120(E) and inserting:

(E) The ~~one-hundred-twenty-day~~~~one-hundred-day~~one-hundred-ten-day legislative review period ~~of review~~ begins on the date the regulation is filed with the President and Speaker. ~~Sine die adjournment of the General Assembly tolls the running of the period of review, and the remainder of the period begins to run upon the next convening of the General Assembly excluding special sessions called by the Governor~~The legislative review period is tolled from the second Friday in May through the second Monday the following January.

Amend the bill further, SECTION 4, by striking Section 1-23-120(F) and inserting:

(F) Any member of the General Assembly may introduce a joint resolution approving or disapproving a regulation thirty days following the date the regulations concerned are referred to a standing committee for review and no committee joint resolution approving or disapproving the regulations has been introduced and the regulations concerned have not been withdrawn by the promulgating agency pursuant to Section 1-23-125, but the introduction does not toll the ~~one-hundred-twenty-day~~~~one-hundred-day~~one-hundred-ten-day legislative review period ~~of~~ for automatic approval.

Amend the bill further, SECTION 5, by striking Section 1-23-125(C) and inserting:

(C) The notification tolls the ~~one-hundred-twenty-day~~~~one-hundred-day~~one-hundred-ten-day legislative review period for automatic approval, and when an agency withdraws regulations from the General Assembly prior to the time a committee resolution to approve or disapprove the regulation has been introduced, the remainder of the period begins to run only on the date the regulations are resubmitted to the General Assembly. Upon resubmission of the regulations, additional days must be added to the days remaining in the legislative review period for automatic approval, if less than twenty days, to equal twenty days, and a copy of the amended regulation must be given to each member of the committee. If an agency decides to take no action pursuant to subsection (B)(3), it shall notify the committee in writing and the remainder of the period begins to run only upon this notification.

Amend the bill, as and if amended, SECTION 2, by striking Section 16-15-332(A), (B), and (C) and inserting:

(B) A person who violates the provisions of this section, with the intent to cause physical, mental, economic, or reputational harm to the individual portrayed in the image, or for the purpose of profit or pecuniary gain, is guilty of a felony and, upon conviction, for a:

(1) first offense, must be fined not more than five thousand dollars or imprisoned not more than five years, or both; or

(2) second or subsequent offense, after an intervening adjudication for a previous violation of the provisions of this section, must be fined not more than ten thousand dollars or imprisoned not less than one year but not more than ten years, or both. Amend the bill, as and if amended, by adding appropriately numbered SECTIONS to read:

SECTION X. Section 11-44-30 of the S.C. Code is amended to read:

Section 11-44-30. For purposes of this chapter:

(1) "Angel investor" means an accredited investor as defined by the United States Securities and Exchange Commission, who is:

(a) an individual person who is a resident of this State or a nonresident who is subject to taxes imposed by Chapter 6, Title 12; or

(b) a pass-through entity which is formed for investment purposes, has no business operations, does not have committed capital under management exceeding five million dollars, and is not capitalized with funds raised or pooled through private placement memoranda directed to institutional investors. A venture capital fund or commodity fund with institutional investors or a hedge fund does not qualify as an angel investor.

(2) "Department" means the South Carolina Department of Revenue.

~~(2)~~(3) "Headquarters" means the facility or portion of a facility where corporate staff employees are physically employed, and where the majority of the company's or company business unit's financial, personnel, legal, planning, information technology, or other headquarters-related functions are handled.

~~(3)~~(4) "Net income tax liability" means South Carolina state income tax liability reduced by all other credits allowed under Titles 11, 12, and 48.

~~(4)~~(5) "Pass-through entity" means a partnership, an S-corporation, or a limited liability company taxed as a partnership.

~~(5)~~(6) "Qualified business" means a registered business that:

(a) is either a corporation, limited liability company, or a general or limited partnership located in this State and has its headquarters located in this State at the time the investment was made and has maintained these headquarters for the entire time the qualified business benefitted from the tax credit provided for pursuant to this section. A business that is either a corporation, limited liability company, or limited partnership must be on file with the South Carolina Secretary of State and in good standing for the duration of its registration as a qualified business;

(b) was organized no more than five years before the qualified investment was made;

(c) employs twenty-five or fewer people in this State at the time

it is registered as a qualified business;

(d) has had in any complete fiscal year before registration gross income as determined in accordance with the Internal Revenue Code of two million dollars or less on a consolidated basis;

(e) is primarily engaged in manufacturing, processing, warehousing, wholesaling, software development, information technology services, research and development, or a business providing services set forth in Section 12-6-3360(M)(13), other than those described in subitem (f); and

(f) does not engage substantially in:

(i) retail sales;

(ii) real estate or construction;

(iii) professional services;

A business is substantially engaged in one of the activities defined in subitem (f) if its gross revenue from an activity exceeds twenty-five percent of its gross revenues in a fiscal year or it is established pursuant to its articles of incorporation, articles of organization, operating agreement, or similar organizational documents to engage as one of its primary purposes such activity.

~~(6)~~(7) "Qualified investment" means an investment by an angel investor of cash in a qualified business for common or preferred stock or an equity interest or a purchase for cash of subordinated debt in a qualified business. Investment of common or preferred stock or an equity interest or purchase of subordinated debt does not qualify as a qualified investment if a broker fee or commission or a similar remuneration is paid or given directly or indirectly for soliciting an investment or a purchase.

~~(7)~~(8) "Registered" or "registration" means that a business has been certified by the ~~Secretary~~ department as a qualified business at the time of application to the ~~Secretary~~department.

~~(8) "Secretary" means the Secretary of State.~~

SECTION X. Section 11-44-60 of the S.C. Code is amended to read:

Section 11-44-60. (A) A qualified business shall register with the ~~Secretary~~ department for purposes of this chapter. Approval of this registration constitutes certification by the ~~Secretary~~ department for twelve months after being issued. A business is permitted to renew its

registration with the ~~Secretary~~ department so long as, at the time of renewal, the business remains a qualified business. Upon approval of qualified business's registration, the department shall transmit a copy of the certification of registration to the South Carolina Secretary of State. The Secretary of State shall then publish an electronic copy of the certification of registration on its website.

(B) If the ~~Secretary~~ department finds that any information contained in an application of a business for registration under this chapter is false, the ~~Secretary~~ department shall revoke the registration of the business. The ~~Secretary~~ department shall not revoke the registration of a business only because it ceases business operations for an indefinite period of time, as long as the business renews its registration. Upon revocation of qualified business's registration, the department shall transmit a copy of the revocation of registration to the South Carolina Secretary of State. The Secretary of State shall then publish an electronic copy of the revocation of registration on its website.

(C) A registration as a qualified business may not be sold or otherwise transferred, except that, if a qualified business enters into a merger, conversion, consolidation, or other similar transaction with another business and the surviving company would otherwise meet the criteria for being a qualified business, the surviving company retains the registration for the twelve-month registration period without further application to the ~~Secretary~~department. In this case, the qualified business shall provide the ~~Secretary~~ department with written notice of the merger, conversion, consolidation, or similar transaction and other information as required by the ~~Secretary~~department.

(D) By January thirty-first each year, the ~~Secretary~~ department shall report to the House Ways and Means Committee, the Senate Finance Committee, and the Governor, a list of the businesses that have registered with the ~~Secretary~~ department as a qualified business. The report must include, by county, the name and address of each business, the location of its headquarters, a description of the type of business in which it engages, the amount of capital it has raised including the amount of qualified investment as defined by this chapter, the number of full-time, part-time, and temporary jobs created by the business during the period covered by the report, and the average wages paid by these jobs. An aggregated statewide report containing the number of businesses, the amount of capital raised by the businesses including the amount of qualified investment as defined by this chapter, the number of full-time, part-time and temporary jobs created by the businesses, and the average wages paid by these jobs also must be made available in a conspicuous

place on the ~~Secretary's~~ department's website. The report must be updated annually.

HOUSE RESOLUTION

The following was introduced:

H. 4351 -- Reps. G. M. Smith, Mitchell, Alexander, Anderson, Atkinson, Bailey, Ballentine, Bamberg, Bannister, Bauer, Beach, Bernstein, Bowers, Bradley, Brewer, Brittain, Burns, Bustos, Calhoon, Caskey, Chapman, Chumley, Clyburn, Cobb-Hunter, Collins, B. J. E. Johnson, J. L. Johnson, Jones, Jordan, Kilmartin, King, Kirby, Landing, Lawson, Ligon, Long, Lowe, Luck, Magnuson, Martin, May, McCabe, McCravy, McDaniel, McGinnis, Montgomery, J. Moore, T. Moore, Morgan, Moss, Murphy, Neese, B. Newton, W. Newton, Oremus, Pace, Pedalino, Pope, Rankin, Reese, Rivers, Robbins, Rose, Rutherford, Sanders, Schuessler, Sessions, M. M. Smith, Spann-Wilder, Stavrinakis, Taylor, Teeple, Terribile, Vaughan, Waters, Weeks, Wetmore, White, Whitmire, Wickensimer, Williams, Willis, Wooten and Yow: A HOUSE RESOLUTION TO RESPECTFULLY REQUEST THAT THE BLUECROSS BLUESHIELD OF SOUTH CAROLINA ANNUAL LEGISLATIVE SOFTBALL GAME BE NAMED THE "BLUECROSS BLUESHIELD OF SOUTH CAROLINA MARY ELIZABETH MULLIKIN ANNUAL LEGISLATIVE SOFTBALL GAME" AS A LASTING TRIBUTE TO MARY ELIZABETH MULLIKIN'S LEGACY OF SERVICE, FRIENDSHIP, AND JOY.

Whereas, the members of the South Carolina House of Representatives were deeply saddened by the passing of Mary Elizabeth Mullikin at the age of thirty-eight on Sunday, March 30, 2025; and

Whereas, Mary Elizabeth was born on July 3, 1986, to parents Thomas Stowe Mullikin and Virginia Ann Mullikin. Her childhood years were marked by her care for her friends and family and her ambition to excel. Her excellence and work ethic were apparent in her accomplishments, including her number one position on the Camden High School girls tennis team, her status as a black belt in American freestyle karate, and her certification as a SCUBA diving instructor; and

Whereas, following her graduation from the University of South Carolina, Mary Elizabeth served in the White House under former President George W. Bush. She also worked in the South Carolina Senate, where she formed relationships that would endure for the rest of her career; and

Whereas, the daughter of two lawyers, Thomas and Virginia Ann, Mary Elizabeth went on to pursue the family interest in law and obtained her juris doctorate from the Charleston School of Law in 2011. She served with a boutique tax law firm and a large multistate law firm while she was in law school; and

Whereas, Mary Elizabeth gained experience and extensive knowledge

on state and federal laws governing healthcare and insurance and the South Carolina legislative process while working for the Mullikin Law Firm, which was founded by her parents. This experience led her to a position at BlueCross BlueShield of South Carolina, where she was an accomplished lawyer and lobbyist; and

Whereas, always defined by her faith, Mary Elizabeth had a passion for serving others. This included a drive to support victims of domestic abuse. She served on the board of directors of Pathways to Healing, a nonprofit organization aimed at ending sexual violence through advocacy, education, and supportive services for domestic abuse victims; and

Whereas, during Mary Elizabeth's time with BlueCross BlueShield of South Carolina, she worked with members and staff in a bipartisan and collaborative fashion. She particularly enjoyed the legislative softball game, an event for legislators, staff, and their families that is hosted every year by BlueCross BlueShield of South Carolina; and

Whereas, the BlueCross BlueShield of South Carolina Annual Legislative Softball Game has long served as a celebration of our legislative community, bipartisan fellowship, and the family spirit of the General Assembly—values that Mary Elizabeth embodied every day of her time at the State House; and

Whereas, renaming the BlueCross BlueShield of South Carolina Annual Legislative Softball Game in Mary Elizabeth's honor would be a fitting tribute to this daughter of South Carolina who exemplified the very best of the State and who brought joy to the State House through her laughter, grace, and generous heart. Now, therefore,

Be it resolved by the House of Representatives:

That the members of the South Carolina House of Representatives, by this resolution, respectfully request that the BlueCross BlueShield of South Carolina Annual Legislative Softball Game be renamed the "BlueCross BlueShield of South Carolina Mary Elizabeth Mullikin Annual Legislative Softball Game" as a lasting tribute to Mary Elizabeth Mullikin's legacy of service, friendship, and joy.

Be it further resolved that a copy of this resolution be presented to

BlueCross BlueShield of South Carolina and to the family of Mary Elizabeth Mullikin.

On motion of Rep. MITCHELL, with unanimous consent, the Resolution received immediate consideration.

The Resolution was adopted.

Indicates New Matter

The House assembled at 10:00 a.m.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk Jr. as follows:

Our thought for today is from 1 Peter 5:4: "And when the chief Shepherd appears, you will receive the unfading crown of glory."

Let us pray. Love, power, and glory are ours as we receive such wonderful things from our Lord who loves us and grants us everything we need. Bless and keep our defenders of freedom and first responders safe as they care for us. Look in favor upon our World, Nation, President, State, Governor, Speaker, Staff, and all who labor in this vineyard. Bless and keep our Armed Forces safe and those who suffer wounds, those seen and those hidden. Lord, in Your mercy, hear our prayers. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the SPEAKER *PRO TEMPORE*.

In Memory of Mr. John V. Furgess Sr.

John V. Furgess Sr. passed away earlier in 2025 at the age of 82 in Columbia, SC.

Mr. Furgess, born on April 15, 1942, in Columbia, South Carolina, was a remarkable individual whose life was defined by service, dedication, and a profound commitment to improving his community. Growing up in the Waverly Community near Allen University, Furgess developed a passion for education and community development. He graduated from C.A. Johnson High School and went on to earn a degree in Business Administration from Allen University.

Furgess's career was marked by his unwavering commitment to public service. One of his most notable contributions was his involvement with

the COMET Board of Advisors, Columbia's bus system. Under his leadership, the board made significant strides in enhancing public transportation in Columbia, ensuring that the bus system was accessible, efficient, and responsive to the needs of the community.

He is sorely missed.

In Memory of Former Representative Kenneth Folden Hodges

Representative Kenneth Folden Hodges, a son of the late Benjamin F. Hodges and Lydia Whaley Hodges, was born in the Sea Island Community of Bennetts Point, SC. He received his early education at Green Pond Elementary School and Walterboro High School. Representative Hodges attended Clark College in Atlanta, GA where he received a Bachelor of Arts degree in Business Administration in 1977 and a Master of Divinity degree from Morehouse School of Religion of the Interdenominational Theological Center in 1986.

Reverend Hodges returned to his native state in 1986 to become the Pastor of Shiloh Baptist Church in Bennettsville, SC. On August 6, 1995, he resigned from Shiloh to become Pastor of the historic Tabernacle Baptist Church in Beaufort.

Reverend Hodges used his spiritual gifts to advance of the Kingdom of God both here and abroad by serving as Moderator of the Old Ashley Association, Faculty of the SC Baptist Congress of Christian Education, and Instructor for Morris College Extension Program. He was a member of three ministerial delegations to London and Africa where he taught and preached.

Representative Kenneth Hodges served on numerous Boards, Commissions, and Advisory Councils. He had political experiences as Bennettsville City Councilman, and in August 2005, Kenneth F. Hodges was elected to the South Carolina State House of Representatives for District 121, serving the constituents of Colleton and Beaufort counties exceptionally for eleven years.

During the early part of his tenure, Representative Hodges advocated naming the new bridge (which was being erected on Highway 17, connecting Colleton and Beaufort counties over the Combahee River) the Harriet Tubman Bridge in order to educate residents of and visitors to this area about the role of one of the most prominent persons of the Civil War era for years to come. As a noted historian, his stance on education was second to none. The legislators approved and the unveiling of the name took place on Saturday, October 18, 2008, with State Representative Kenneth F. Hodges presiding over the Dedicatory Ceremony.

Reverend Kenneth Hodges served as proprietor of Lybensons Art Gallery and Gullah Geechee Visitors Center, St. Helena Island, SC. Representative Kenneth Hodges married the former Miss Patricia A. Few, and they had three daughters, Kendrea, Kenyatta and Kenithea.

Review Committee Report as to the Qualifications of Candidates for the Public Service Commission, Seats 2, 4, and 6

Introduction

Section 58-3-530(1)(a) of the South Carolina Code of Laws charges the State Regulation of Public Utilities Review Committee ("Review Committee") with the duty to nominate candidates for the members of the South Carolina Public Service Commission ("Commission"). The terms for Commission Seats 2, 4, and 6 expired on June 30, 2022.

The Review Committee began the screening process on March 7, 2025, with advertisements and press releases regarding the positions. A total of six candidates submitted applications by the application deadline of March 28, 2025. Two of these candidates withdrew from consideration prior to the Review Committee's public hearings on April 17, 2025. After the public hearings concluded, the Review Committee found a total of four candidates qualified and nominated for consideration by the General Assembly.

The Review Committee conducted background investigations of each candidate, including credit, driver's license, and law enforcement checks. It gave a written examination to determine the level of knowledge that each candidate has with respect to substantive public utility issues, ethical constraints applicable to the Commission, and the operations of the Commission. During the public hearings, each candidate was questioned and given an opportunity to make statements as to his or her qualifications and desire to serve as a Commissioner. Each candidate was also questioned and given an opportunity to discuss matters from his or her background check; matters of a private or confidential nature were discussed in executive session.

Legal Qualifications

Pursuant to Section 58-3-20(A), members of the Commission must have the following qualifications:

> (1) a baccalaureate or more advanced degree; and
> (2) a background of substantial duration and an expertise in at least one of the following areas:
>
> (a) energy;
> (b) telecommunications;
> (c) consumer protection and advocacy;
> (d) water and wastewater;
> (e) finance, economics, and statistics;
> (f) accounting;
> (g) engineering; or
> (h) law.

The Review Committee is also required to consider: "(1) the ability, dedication, compassion, common sense, and integrity of the candidates; and (2) the race and gender of the candidates and other demographic factors to assure nondiscrimination to the greatest extent possible of all segments of the population of the State." S.C. Code Ann. §58-3-560. The determination of legal qualifications includes a determination of the candidate's residence in the appropriate Public Service Commission district as established by Section 58-3-20, the candidate's eligibility for election as determined by Section 58-3-24, and the candidate's compliance with constitutional provisions limiting election to those persons eligible to be electors of this State.

Pursuant to S.C. Code Ann. §58-3-530, the annual performance review of Commissioners seeking reelection must be made a part of the Commissioner's record for consideration if the Commissioner seeks reelection. These evaluations are included after the Commissioners' summary of qualifications.

General Qualifications

To determine fitness beyond mere legal qualifications, the Review Committee considered each candidate's experience, temperament, compliance with and knowledge of legal and ethical constraints on public service, knowledge of Commission operations, demonstrated or potential aptitude for meaningful leadership and/or service at the Commission, and demonstrated integrity, including the handling of personal financial affairs. The Review Committee considered each candidate as a whole in making a determination of qualified and nominated.

Experience

Section 58-3-20 requires that Commissioners have a background of substantial duration and an expertise in energy; telecommunications; consumer protection and advocacy; water and wastewater; finance, economics, and statistics; accounting; engineering; or law. The Review Committee considered not only whether a candidate has succeeded in one of these fields but also whether the candidate has the capability of transferring this success and knowledge to the operations of the Commission. The Review Committee's transcript contains each applicant's background and employment history.

Temperament

The Review Committee sought to determine whether a candidate's sense of the role he or she is to fill on the Commission is such that his or her work will be productive, proactive, and protective of the interests of all South Carolinians.

Compliance with and Knowledge of Legal and Ethical Constraints

Section 58-3-30 requires that Commissioners adhere to the State Ethics Act and the Judicial Code of Conduct. The Review Committee believes that not only must the candidates be aware of the legal and ethical

constraints, they must have conducted and comported themselves with the highest regard for ethics in their actions.

Potential Aptitude for Meaningful Leadership and/or Service at the Public Service Commission

The Review Committee believes that the Commission should have strong leadership, work toward common goals, have a positive influence on employees, and ensure that parties and persons appearing before the Commission are treated fairly and impartially. The Review Committee therefore sought to gauge each candidate's potential aptitude to serve as a leader and/or as a Commissioner supporting the goals and mission of the agency.

Integrity

Candidates must assure the Review Committee that their word is their bond. The Code of Judicial Conduct requires, among other factors, that Commissioners and candidates handle their finances in a responsible manner. The Review Committee therefore considered the way each candidate has managed his or her financial affairs.

Substantive Knowledge of Commission Operations

The Review Committee believes that every candidate, whether incumbent or non- incumbent, must demonstrate some basic understanding of the role of the Commission and its operations. It would be unfair, however, to require non-incumbents to have accumulated a wealth of knowledge about Commission operations specifically, or regulated utilities generally. Unlike incumbent Commissioners, challengers have not had the benefit of a compensated opportunity to educate themselves in hearings or through conversations with Commission staff. The Review Committee expects incumbents and others who have substantial experience appearing before the Commission to be able to discuss these matters with a greater fluency than those persons who have, to date, committed themselves to other employment. The Review Committee emphasizes that the substantive knowledge findings contained in this report are a measure of a candidate's knowledge at the time of his or her candidacy. The findings are not necessarily indicative of a candidate's ability to subsequently

master Commission operations and the multitude of issues relating thereto.

FINDINGS AS TO QUALIFICATIONS AND NOMINATIONS

The Review Committee screened a total of four candidates for Seats 2, 4, and 6 on April 17, 2025. In accordance with Section 58-3-530(1)(a), the Review Committee may nominate up to three candidates per seat to be elected by the General Assembly. The Review Committee found the following candidates qualified and nominated them for election to the South Carolina Public Service Commission:

SEAT 2 **Florence P. Belser**
Richard N. McIntyre

SEAT 4 **H. David Britt**

SEAT 6 **Justin T. Williams**

This report provides a summary of qualifications for the candidates found qualified and nominated. More detailed information about each candidate can be found in the screening transcripts at: *https://www.scstatehouse.gov/CommitteeInfo/PublicUtilitiesReviewComm/2025PublicServiceCommissionScreeningInfo.php*

(2) NARUC Energy Resources and the Environment Committee (ERE Committee)

During the review period, I participated in one ERE Committee meeting via a Zoom conference call on September 26, 2023. (Approximately 2 hours) I was unable to participate in other calls scheduled during the review period due to conflicts with the Commission's scheduled hearings or with other Commission business.

Benefits of attending NARUC and SEAR UC programs:

NARUC and SEARUC meetings provide excellent educational opportunities on multiple utility issues across industries. By attending these meetings, I have increased my knowledge and understanding of utility regulation and learned of current issues on both the state and national levels. Each meeting and session attended provides exposure to additional information on issues. The knowledge gained and shared through these meetings and conferences broadens my perspective which I can draw upon in making decisions.

The Commission benefits from my attendance at these meetings because increased knowledge, experience, and understanding of issues help me make more informed decisions on the matters before the Commission for adjudication.

II. In House Briefings/ Educational Sessions

(1)Ethics Training (Required by S.C. Code Ann. § 58-3-30(C) (2015)) (Total hours 6.0)

a. October 2, 2023 (3.0 hours in this session)

- Freedom of Information Act presented by Steven W. Hamm, Esquire (LO hour)
- Code of Judicial Conduct presented by Hon. Thomas W. Cooper, Jr. (l.0 hour)

- Code of Judicial Conduct/Ethics & Administrative Procedures Act presented by Desa Ballard, Esquire (1.0 hour)

- Ethical Public Service: Beyond the State Ethics Act presented by Barbara M. Seymour, Esquire (1.0 hour)
- Substance Abuse and Cyber Ethics presented by Jack Pringle, Esquire (2.0 hours)

This required training reinforces the Code of Judicial Conduct (CJC), the State Ethics Act (SEA), and the Administrative Procedures Act (APA). As Commissioners, we must adhere to these rules and statutes, and, for me, continual study strengthens my knowledge and understanding of the requirements contained in the CJC, SEA, and APA. It is a benefit to the Commission as an institution that commissioners and employees are knowledgeable of the provisions of the CJC, SEA, and APA so that we may all conduct ourselves and the business of the Commission in compliance with the requirements of the CJC, SEA, and APA.

Additionally, a session of mental health, wellness, and substance abuse was presented. For us to be effective employees, we need to be aware of challenges and stresses we may encounter that could impact our ability to be productive employees. This session provided some valuable tips and resources on dealing with stress and challenges associated with both work-life and private-life and encouraging productive habits for mental well-being. This session has proven to be popular with commission employees.

The class lasted three days and instruction covered five 160-minute sessions for total attendance of 13.33 hours. The class was conducted on the internet with virtual attendance. I participated from the office and received a certificate of attendance.

The class provided me with additional instruction in regulated utility ratemaking principles and increased knowledge is a benefit to

Commission. I try to take advantage of as many classes as possible as there is always something new to learn. Also, review of material aids is very helpful. Continued exposure and study leads to an expanded understanding of issues and regulatory policies and law. Classes which broaden my knowledge, and which assist in understanding the issues in the cases that come before the Commission, aid in making reasoned and sound decisions.

2. Participation in organizations.

Provide the following information regarding your participation in organizations:

A. The name of organization, position held, and committee served on;

B. A description of the organization's function;

C. How participation in the organization helped you as a commissioner and benefitted the Commission; and

D. The amount of time spent out of the office due to your participation in organizations.

A. The name of organization, position held, and committee served on;

I am a member of the National Association of Regulatory Utility Commissioners (NARUC) and the Southeastern Association of Regulatory Utility Commissioners (SEARUC). Within NARUC, I am a member of the NARUC Committee on Energy Resources and the Environment (ERE).

B. A description of the organization's function;

NARUC is a non-profit organization dedicated to representing the state public service commissions which regulate the utilities that provide essential services such as energy, telecommunications, power, water, and transportation. NARUC's stated mission is to serve in the public interest by improving the quality and effectiveness of public utility regulation. Under state law, NARUC's members have an obligation to ensure the establishment and maintenance of utility services as may be required by law and to ensure that such services are provided at rates and conditions that are fair, reasonable, and nondiscriminatory for all consumers.

SEARUC is also a non-profit corporation, and the purpose of SEARUC is "the advancement and education of commission regulation through the study and discussions of subjects concerning the operation and supervision of public utilities to protect the interests of the people with respect to regulation of the Southeastern States."

The NARUC ERE Committee focuses on renewable and distributed resources, energy efficiency, consumer protection, environmental protection, and public interest research and development. The Committee provides a venue for state regulators to discuss current issues on both the national and state levels and to exchange information of environmentally sustainable and affordable energy.

C. How participation in the organization helped you as a commissioner and benefitted the Commission:

The greatest benefits from participation in NARUC and SEARUC are education and exposure to current issues. The conferences provide relevant and timely educational programs related to public utility regulation. The conferences, while educational, provide opportunities to learn from other utility commissioners as well as opportunities to gain regional and national perspectives on issues. I have benefited from these meetings by enhancing and increasing my knowledge of public utility regulation. Information gained from attending conferences and participating on committee conference calls has alerted me to recent issues and provided me with a better understanding of many issues. Increased knowledge and exposure of relevant, current topics improves my effectiveness as a regulator by providing greater understanding of public utility regulation. The Commission and the state benefit from commissioners being well-informed, and the conferences, webinars, and conference calls offered by NARUC and SEAR UC are opportunities for me to further study and learn about utility regulation and issues.

D. The amount of time spent out of the office due to your participation in organizations.
In June 2024, I attended the SEAR UC annual conference and was out of the office for three
(3) days.

I also participated in one NARUC ERE Committee meeting during the review period. These committee meetings are held virtually via Zoom, and I participate from my office. Due to scheduled hearings and other Commission business, I only participated in one ERE Committee meeting.

3. Representation in Official Capacity as Commissioner.
For any event attended in your official capacity as commissioner that has not been included in item l or 2, provide the following information:
A. Each event attended;
B. The sponsoring organization;
C. A description of the activity (if speech or panel discussions, describe the topic); and
D. The amount of time spent out of the office due to your representation as commissioner.

I did not attend any events in my official capacity as a commissioner during the review period.

4. Notable Cases.
In your own words, describe three cases in which you participated that you believe were the most significant during the review period. Provide a brief summary of the case, including the case name, the docket number, and the issues and outcome (two-three sentences). Your response should focus on: (a) why this case was significant; and (b) how the educational programs you attended, your participation in organizations and/or experience as a commissioner benefitted your decisions in each case.

A. Petition of Duke Energy Progress, LLC for a Storm Securitization Financing Order (Docket No. 2023-89-E)

In 2022, the South Carolina General Assembly passed Act 227 (Storm Securitization Statute) which addressed storm damage recovery costs by authorizing an electrical utility to pursue securitization to recover prudently incurred costs due to storm recovery activity. The process consists of two parts: first, identification of prudently incurred storm recovery costs (Phase l) and second, issuance of a financing order which will authorize the issuance of the storm recovery bonds; the imposition, collection, and

periodic adjustments of a storm recovery charge; the creation of storm recovery property; and the sale, assignment, or transfer of storm recovery property to an assignee (Phase 2).

In August 2022, DEP filed a petition for review and recovery of storm recovery principal costs (Phase l). *(See,* Docket No. 2022-256-E). Following a hearing in Docket No. 2022- 256-E, the Commission issued Order No. 2023-260 (dated May 30, 2023) approving a partial Stipulation and approving storm costs of approximately $170 million.

On March 31, 2023, Duke Energy Progress, LLC (DEP) filed its petition for a financing order requesting authorization for the financing of storm recovery costs due to storm recovery activities resulting from several named storms {Phase 2). This docket marked the continuation of the first case brought by an electrical utility pursuant to the S.C. Act No. 227 of2022 {Storm Securitization Statute). The parties filed a Settlement Agreement in the case. Following a hearing on the Phase 2 petition and the Settlement Agreement, the Commission on October 23, 2023, issued the "Storm Recovery Financing Order Approving Comprehensive Settlement Agreement and Accounting Order." *(See,* Order No. 2023- 752(A)).

This case is significant because it is the first case on a financing order pursuant to the Storm Securitization Statute. Commissioners and staff members spent considerable time preparing for the case including studying the Storm Securitization Statute and the materials filed in the docket. My experience as a commissioner and as a lawyer practicing in the area of utility regulation, along with knowledge gained from seminars and educational opportunities, helped in understanding the issues presented in this case.

B. 2023 Integrated Resource Plan for the South Carolina Public Service Authority (Santee Cooper) (Docket No. 2023-154-E)

2019 Act 62 (South Carolina Energy Freedom Act or SCEFA) requires the Commission to hold a proceeding to review each electrical utility's IRP. Act 90, passed in 2021, requires the South Carolina Public Service Authority (Santee Cooper) to file its IRP with the Commission for review. Prior to the passage of 2019 Act

62 and 2021 Act 90, electrical utilities filed their IRPs with the State Energy Office, but no formal proceedings were required for review of the IRPs.

In May 2023, Santee Cooper filed its 2023 Integrated Resource Plan (IRP). This docket is significant because this is the first instance where Santee Cooper's IRP was reviewed by the Commission. The Commission issued its order in March 2024 approving Santee Cooper's IRP.

This case is noteworthy because this docket was the first instance where the Commission reviewed an IRP filed by Santee Cooper. To me, this case is also significant because the Commission has only recently been tasked with reviewing IRPs and IRP Updates, and each IRP case the Commission reviews presents another opportunity to gain more understanding of the complex issues involved and addressed in the IRP process. In reviewing an IRP, I rely upon my experience as a commissioner, as an attorney having practiced in the area of utility regulation for 30 years, as well as knowledge gained from attendance at conferences, seminars, and educational sessions, in identifying and understanding the issues presented in these cases. I have also found that every case, not just cases involving IRPs, presents a learning experience, and with the review of IRPs and the complexity and detail of the issues, each IRP case involves considerable study of the materials to grasp the issues.

C. Annual Review of Base Rates for Fuel Costs of Duke Energy Progress, LLC (Docket No. 2024-1-E)

Under the provisions of S.C. Code Ann. Section 58-27-865 (2015), the Commission must review annually the base rate for fuel costs of electrical utilities. The Commission is required to determine the amount designed to recover the fuel costs found to be appropriate for the succeeding twelve months, including adjustment for any over-recovery or under- recovery from the preceding twelve months. Stated another way, the base rate of fuel for the upcoming twelve months is based on the true-up of the cost of fuel the utility paid in the previous year and the projected cost of fuel for the upcoming year. Also addressed in the context of the annual fuel proceeding is the Distributed Energy Resource Program (DERP) charge allowed

pursuant to S.C. Code Ann. Section 58-39-150 (2015) and Commission Order No. 2015-194.

This case is important for two reasons. First, this 2024 case resulted in a decrease in the fuel factor following increases from the past couple of years. Second, an issue that arose from a customer complaint case was addressed in this docket. In Docket No. 2023-242-E, the Commission heard a customer complaint alleging improper billing by Duke Energy Progress (DEP). One area where the customer alleged to have been overcharged related to the charge for the Distributed Energy Resource Program (DERP). In that customer complaint docket, the Commission determined that DEP had charged the customer an extra DERP charge on the customer's outdoor lighting service. DEP agreed with the billing error related to that customer and started an investigation of possible instances where other customers may have also been overcharged. In this current fuel case, DEP reported results of its investigation and reported 3,584 accounts were affected by the overcharge for a total amount of $69,956.12. DEP agreed to refund the overcharges to all customers identified, and DEP is in the process of making the refunds to those customers. Further, the Commission required DEP to continue to investigate the DERP overcharge issue, report its findings to ORS, provide a root cause analysis and corrective action plan to ORS, and further update and address this issue in the 2025 annual fuel proceeding.

The statute governing the recovery of fuel costs by electric utilities is designed to provide recovery of prudently incurred fuel costs. The parties to the proceeding must present evidence regarding, and the Commission must review, the prices paid during the review period, the prices forecast for the upcoming twelve months, outages of generating units, and other factors to ensure that the utility made every reasonable effort to minimize fuel costs. The totality of my experiences (as a commissioner, previous work experiences, and numerous educational opportunities over a number of years) has helped me understand the concepts and issues presented in these cases which occur annually. Further, my experience helped to identify that one of the issues raised by the customer in the complaint docket was valid, leading to DEP's investigation and identification of the billing error which impacted numerous customers.

5. Accomplishments of the Public Service Commission

Describe what you believe are the greatest accomplishments of the commission during the review period.

The time in issuing Commission orders has improved. In the review period, the average time to issue orders improved to 32.83 days - an improvement from 37.80 days in 2022- 2023 and 39.55 days in 2021-2022. The Commission speaks through its orders, and it is important to the parties, the public, the Commission, and the regulatory process that well- written, well-reasoned, and accurate orders are issued in a timely manner. The Commission continues to work toward issuing all orders within thirty (30) days of the decision on a matter. During the review period, all orders subject to a statutory deadline have been issued within the statutory deadline.

During the review period and to assist with tracking and collaborating on orders, the Commission implemented the use of Smartsheet, a workflow management program. Among other functions, Smartsheet generates and sends reports to Commissioners and
Staff from information entered into the spreadsheets in the program. Use of this program has assisted in keeping Commissioners informed on the status of orders, including when deadlines are nearing and when orders are available for review by Commissioners. Once the benefits of Smartsheet were observed, the Executive Director and Staff members identified other areas where Smartsheet could be useful and began using Smartsheet for workflow in other departments and areas. In my opinion, Smartsheet has proven to be an effective tool and has resulted in improved workflow, collaboration, and communication.

6. Work Schedule and Preparation.

A. Describe your schedule during an average work week. For example, how often are you in your office in Columbia? How many hours do you telecommute?

I live in Columbia and rarely telecommute. I am in the office daily, usually arriving by 8:30 a.m. and remaining in the office until 4:45 p.m. or later. When the daily or weekly schedule requires additional time, I arrive earlier or stay later than normal business hours or work on the weekend. I am accustomed to an office environment and am more comfortable with working in the office than working from

home. Additionally, being in the office helps ensure that I have access to all materials I may need.

I usually start the day by going through emails and reviewing the daily activity report containing matters which were filed the previous day. A large part of Monday is spent reviewing matters on the agendas for the Commission business meeting, which is usually held on Thursday afternoon. Throughout the week, I will discuss upcoming matters on the meeting agenda with other commissioners and commission staff.

I spend a good portion of my time reviewing materials for upcoming hearings or upcoming business meetings. Preparation for hearings and meetings requires reviewing materials of each case or matter. Pleadings and prefiled testimony take considerable time to read. I read quite a bit while at the office and also read at home during the evenings and on weekends. After hearings, time is spent reviewing the record and proposed orders in preparation for making decisions on various matters at a Commission Business Meeting. After the Commission votes on a matter at the Commission Business Meeting, a directive recording the prevailing motion and vote is issued. Commission Staff attorneys then prepare an order memorializing the decision of the Commission and submit the order for Commissioner review. After I complete my review of an order, I will discuss with one or more of the attorneys any edits, suggestions, or concerns I have with the order. Reviewing the orders drafted by the staff attorneys and discussions following my review take time, but it is time well spent to produce a good order.

During the review period, I served as Chair of the Commission and met with the Executive Director and the leadership team to set the agendas for the business meetings. I also attended meetings with the Executive Director, managers, and other personnel regarding agency operations.

B. Describe how you prepare for a hearing.

Hearing preparation requires reading and studying the pleadings, prefiled testimony, and other documents filed in a case. Pursuant to Commission's regulations parties must prefile written testimony and exhibits. On most cases, I track the established dates for prefiling of

testimony and exhibits so that I can obtain the prefiled testimony and exhibits within a few days of the documents being filed. I go through the testimony and exhibits to identify issues and make notes for reference. I try to keep up with additional materials as they are filed because I find it better to stay abreast as matters are received than try to absorb all the information at one time shortly before the hearing. However, once all the testimony and exhibits are filed, I go through the materials to ensure that I am familiar with the parties' positions, evidence, and arguments. I also research and review relevant statutes and case law on the issues presented. Commission staff members also provide briefings on major cases, and it is helpful to consult with staff members and other commissioners on issues and matters on which I have questions.

Following a hearing, work continues to prepare for discussion and voting on a case or matter at a business meeting. I review post-trial briefs or proposed orders and often review the hearing transcript or hearing record. Throughout the process, I try to discuss issues with other commissioners and with commission staff. These discussions with other commissioners and with commission staff are helpful to review the issues and evidence upon which the Commissioners must base our decisions.

7. **Effects of Code of Judicial Conduct and South Carolina's ethics laws on your role as Commissioner.**
In your own words, discuss how the Code of Judicial Conduct and the Ethics Laws interact and affect you and your role as a commissioner.

The Code of Judicial Conduct provides a set of ethical principles and guidelines to promote integrity, impartiality, and diligence. Our legal system is based on the premise that an independent, fair, and competent judiciary will interpret and apply the laws that govern us, and these same principles apply to Commissioners who serve on the Public Service Commission. The Code of Judicial Conduct provides guidance and structure to our professional and personal lives, and when followed, the Code of Judicial Conduct helps us maintain high standards of professional and personal conduct. Similarly, the State Ethics Laws also provide structure on how we must comport ourselves in the discharge of our duties.

It is an honor to serve as a Commissioner on the Public Service Commission. I take the responsibilities of this office seriously and strive to carry out my duties as a commissioner in a professional manner. Public trust is essential to government and is essential to being a good commissioner. It is important that we are fair, impartial, and unbiased. All who are impacted by the Commission's decisions, from the parties appearing before the Commission to ratepayers, deserve impartial decisions free from bias and improper influence. Adherence to the Code of Judicial Conduct and the state ethics rules help me be an effective commissioner and state employee.

8. Challenges of the Public Service Commission

Describe three challenges of the Public Service Commission during the review period, and how those challenges were managed.

A. Scheduling

During the review period, the Commission dealt with a number of complex and time- consuming cases. Scheduling of matters is often a challenge. There are several types of cases which occur annually, and for these annual cases, schedules have been developed to meet dates for decisions which are set internally or by statute for when these cases must be decided. For many cases which do not require a hearing, study of pleadings, filings, and law is required to make an informed decision, and some of these cases require considerable preparation and study. In cases requiring a hearing, scheduling can be a challenge to ensure that parties have enough time for preparation, that time is reserved for hearing, that adequate time is afforded for commissioners to review the case record and deliberate before making a decision, and that sufficient time to prepare an order is reserved. Even after schedules are set, schedules must often be adjusted to accommodate requests from parties. Challenges in scheduling have been met by the Commission and the parties working together as much as possible to ensure that conflicts in scheduling are resolved while maintaining all parties' right to a fair process. Flexibility from the Commission and parties to the proceeding is needed to address scheduling of matters. Scheduling challenges will continue to arise, and the Commission will need to continue to work with the parties to ensure that all are afforded a fair hearing while balancing the Commission's need for sufficient time to study a record, make a decision, and timely issue a well-reasoned, complete order.

B. Content of Orders

While more of a goal than a challenge, the writing of clear, well-reasoned, accurate orders is an area where continued improvement is desired. The Commission's orders must accurately explain the case, address the issues presented, and clearly and correctly explain the reasons for the decision reached. The Commission has a statutory requirement to ensure that "final orders and decisions of the commission must be sufficient in detail to enable the court on appeal to determine the controverted questions presented ... and must include (1) findings and conclusions, and the reasons or bases therefore, upon all materials issues of fact or law presented." *See,* S.C. Code Ann. Section 58-3-250 (2015). Staff attorneys worked diligently on orders during the review period, and commissioners have worked with the staff attorneys in reviewing and providing suggestions to reflect the decisions of the Commission. Content of the orders has been, and continues to be, a priority and is an area where improvement should always be sought.

C. Continued Improvement

Despite best efforts and hard work, issues will arise that indicate areas of improvement. The Commission and commission staff must be engaged to identify when improvements may be required. Upon identifying issues, we must all be willing to address the issue, work on solutions, and reassess to ensure resolution. As discussed above, shortening the timeframe for issuance of orders has been a challenge which the Commission and commission staff have worked to address and will continue to address. Identifying and utilizing technology (Smartsheet) is one area that helped in reducing the time to issue orders. However, technology alone will not solve an issue. We all must be willing to change habits or thoughts to improve our work. A mindset of "this is the way we have always done it" and not being open to change or new approaches will not produce different or better results. While change may not be easy, we must seek to improve so that we can do our best work and produce a quality work product. The only way to improve is to work with an open mind to new methods and opportunities and approaches. We are all creatures of habit; there is comfort in routine. However, the challenge lies in changing our habits and routines to work smarter and more effectively whether that be through embracing new technologies or by treating challenges as an opportunity for improvement.

9. Recusal

If there was a matter in which you were recused during the review period, provide a brief description of the matter and the reason(s) for the recusal.

I had no recusals during this review period for any reason under the Code of Judicial Conduct.

On June 20, 2023, I was on sick leave due to illness. The Commission was scheduled to hear two dockets on that date. Pursuant to Commission Order No. 2023-295 (dated April 27, 2023), the Commission scheduled the hearing in Docket No. 2022-159-E to be heard starting at l 0:00 a.m. on June 20, 2023, and upon conclusion of that hearing, to hear the matter in Docket No. 2022-158-E. At the outset of the hearing in Docket No. 2022-159-E, a motion was made to hold the hearing in Docket No. 2022-158-E in abeyance to allow the parties additional time to discuss and resolve certain issues in that docket. That motion was granted on the record by the Acting Chairman, and the hearing in Docket No. 2022-158-E was not held. The hearing in Docket No. 2022-159-E proceeded as scheduled on June 20, 2023. Pursuant to S.C. Code Ann. Section 58-3-225 (2015) which states in relevant part, "If a commissioner is absent from or leaves a hearing for fifteen consecutive minutes or longer ... the commissioner may not participate in the deliberations or vote on the matter." Because I missed the hearing in Docket No. 2022-159-E, I did not participate in deliberations or vote on the matter when it came before the Commission for a decision.

NOTE: Do not provide any information that would violate the prohibition against ex parte communication or would otherwise violate any privilege.

Ethics Statement: I, **Commissioner Florence P. Belser have read and understand the Code of Judicial Conduct and the ethics laws of South Carolina.** I **certify that** I **have adhered to these standards at all times during this review period.**

1. **Educational programs.**

Provide the following information regarding educational programs attended:

A. The name of the program and the sponsoring organization
Duke University, Nicholas School of the Environment, Duke Environmental Leadership Master of Environmental Management (concentration in energy and the environment).

B. A description of the topics and any certificate or recognition received

Strategic Planning for Environmental Leaders: This course focused on the development of management skills, including decision-making, motivation, working in teams, organizational cultures, organizational design, learning organizations, and change management for private, public, and not-for-profit organizations.

Environmental Law and Policy: This course focused on the evolution of environmental policies from strict reliance on command-and-control systems to experimentation with alternative approaches by examining the history and context of U.S. policy development processes and institutions. This course also explored command approaches to air and water pollution and waste management and alternative approaches, such as market-based programs, public-private partnerships, voluntarism, policies for managing land, natural resources, species protection, and addressing transnational and global environmental problems.

Duke Environmental Leadership Seminar: This course focused on reflecting on each student's leadership journey, defining and refining the "WHY" for each student's leadership efforts, and learning and practicing leadership skills crucial for today's rapidly changing world.

Research Design for Environmental Social Science: The purpose of the course was to 1) examine the concept of' research' (philosophy and epistemology, as well as practice) in general and the environmental and social sciences specifically and 2) overview types of data used by environmental, social scientists, and some specific methods for collecting them. Although a range of methods and data sources were scoped, the focus was on qualitative data and the methods used to 'collect' data from/with people; 3) introduce approaches to and methods for analyzing qualitative data and presenting it. Although topics and methods are relevant to social sciences generally, readings, examples, and activities highlight the relevance and utility of research methods for understanding human uses, values, interactions, and beliefs about the environment.

Mandatory Masters Project: This course was a culminating hands-on experience that allowed me to apply the professional skills and

knowledge that I acquired in the classroom to tackle a real-world industry and government challenge.

After completing 36 hours of coursework, including a 43-page Master's project, Duke University, Nicholas School of the Environment awarded me a Master of Environmental Management on May 12, 2024.

C. How the program helped you as a commissioner and benefitted the Commission

This rigorous academic program has exposed me to educational theories and emerging issues of law, policy, and technology related to the provision of energy and environmental management. It has also enhanced my critical thinking skills regarding energy and environmental issues associated with the local community, the state, the nation, and the world. I have also received intensive leadership coaching and counseling, allowing me to grow as a leader. The commission has benefited from my participation in this program through my sharing of the lessons that I have learned with fellow commissioners and commission staff and offering a spectrum of academic perspectives during commission deliberations.

D. The amount of time spent out of the office due to attending educational programs.

I spent nine days out of the office during the rating period to complete this program.

A. The name of the program and the sponsoring organization

United States Army Command and General Staff Officer College Intermediate Leader Education Phases 2 and 3.

B. A description of the topics and any certificate or recognition received

C300A Unified Action: C300 Unified Action (UA) is a 44-hour block of instruction broken into two blocks (C300A and C300B) that builds on the study of the strategic level of war and systems perspective introduced in C200 *Strategic Context of Operational Art.* The block (C300A) begins with a basic understanding of the roles, functions, capabilities,

limitations, and operational considerations of the US military services and unified action partners: US Anny, US Air Force, US Navy & US Coast Guard, USMC, Special Operations Forces (SOF), Space Operations, Cyberspace Operations, Conventional Nuclear Integration, and Joint Logistics & Army Sustainment Support of UA. The remaining lessons (C300B in Phase 3) provided me with an understanding of the fundamentals of Unified Action, Joint Functions, the range of military operations (ROMO), Multinational Operations, and lnterorganizational Cooperation and Support to provide the context for how joint forces and unified action partners are integrated and synchronized to support the Joint Force Command's plans and operations.

FI00 Force Management: This course focused on following the Force Management Model in examining primary systems, concepts, and issues of Army change management while describing how resource management supports integrating and maintaining capabilities at the unit level. Students' understanding of force management and resource management are key topics in developing military professionals who understand the service as a whole.

Hl00 History: The course gave a broad perspective on the relationship between the study of history, the development of the theory upon which doctrine is written, and that doctrine's
implementation in war. The block also examines the interplay between war and Western society and, through that perspective, some insights into the challenges and opportunities the US military faces today. The block consisted of 27 hours of instruction, distributed across thirteen lessons. H100 contributes to the college's outcomes by producing officers who can understand war, the spectrum of conflict, and the complexity of the operational environment (history, culture, ethics, geography). The block also develops critical and creative thinkers who can apply solutions to operational problems in a volatile, uncertain, complex, or ambiguous environment. Last, Hl00 enhances an officer's ability to communicate concepts clearly and precisely in written and oral forms.

Ll00 Leadership: This course discussed leadership in a formal professional military education setting. It also focused on professional growth as an organizational-level leader, centered on transitioning from direct to organizational-level leadership. It addressed the challenges leaders face as they improve organizations while operating to accomplish the mission.

C400 Apply US Army Doctrine: This course focused on learning and applying Unified Land Operations and Mission Command, which links critical and creative thinking with the tactical level of war, the strategic level of war, and Unified Action.

C500 Operational Art and Joint Planning: This course was a culminating hands-on capstone experience that allowed students to practice and display their understanding of operational art and design by developing, analyzing, and evaluating an operation approach with a doctrinally complete course of action at the operational level of war based on a scenario in the Baltics State region.

After completing 284.5 hours of coursework, including five significant papers, two briefings, eight exams, and a capstone project, I graduated from the United States Anny Command and General Staff College Command and General Staff Officer Common Core Course on May 24, 2024.

C. How the program helped you as a commissioner and benefitted the Commission

This program helped me develop as a leader by teaching me to dissect and evaluate various leadership styles and organizational theories to determine their effectiveness. It also helped me understand how to use the tools available in an organization, including how to interpret and apply history to accomplish the desired end state. The commission benefitted from my participation in this program because I am actively using the skills that I learned to improve the efficiency and effectiveness of the commission at all levels (commissioners, staff, hearing preparation, hearings, and orders).

D. The amount of time spent out of the office due to attending educational programs.

I spent 10 days out of the office during the rating period to complete this program.

A. The name of the program and the sponsoring organization

National Association of Regulatory Utility Commissioners (NARUC) Winter Policy Summit

B. A description of the topics and any certificate or recognition received

The Changing Energy Landscape and Regulatory Challenges: ***The Hon. Jennifer Granholm, Secretary of Energy, DOE***

The Wright Touch: A Conversation with David Wright

The Hon. Tricia Pridemore, Georgia, hosted a one-on-one with the Hon. David Wright, Nuclear Regulatory Commission and past president of NARUC.

Measuring Equity: The Energy Equity Roundtable

The IIJA and IRA will provide more than $1 trillion in investments to address climate change and a just energy transition. There is a clear focus on equity in these significant investments, and the Justice40 Initiative is most visible. The established goal is to achieve an equitable distribution of resources, such that 40 percent of the federal investment spending should benefit disadvantaged and underserved communities. But how do you measure success? The goals of equitable opportunities, allocation of resources, and impact of programs cannot be achieved without a precise measure of what constitutes equity.

This session used a roundtable talk show format that brought together crucial energy equity stakeholders, including the current administration, corporate leaders, energy regulators, and community engagement experts. The roundtable discussed and examined existing initiatives to probe for a universal definition of equity. Participants further discussed evaluative tools to assess community needs and strategic approaches for policymakers who must direct efforts to achieve equitable impacts for underserved and disadvantaged communities. Discussions overall center on big-bucket energy issues such as infrastructure, transportation/EV, energy manufacturing/innovation, and Workforce development. This session stimulated collaborative conversations that could lead to action solutions so that the great energy transition leaves no community behind.

Overcoming the Transmission Bottleneck: Exploring Federal Funding and Regional Planning to Support Transmission Expansion for a Clean Energy Future

Over the past two decades, approximately 200 GW of wind and solar were added to the U.S. power grid, and recently enacted federal incentives in the Inflation Reduction Act (IRA) will only accelerate the deployment of clean energy and storage across the U.S. Currently, a large amount of potential clean power capacity is struggling with the wait times and costs of connecting to the transmission grid, and the declining construction of new high-voltage transmission lines over the last decade. A lack of sufficient transmission capacity stands to be a potential barrier to fully achieving IRA's emissions reduction potential, which studies have shown will require a doubling of the historical pace of electricity transmission expansion that has been seen over the last decade. This panel covered how **IRA, IIJA,** and DOE funding can be leveraged to support transmission projects by deploying capacity-enhancing Grid Enhancing Technologies (GETs) on existing transmission infrastructure and exploring ways to engage in effective regional infrastructure planning.

Making the Smart Grid Smarter Through Intelligent Rate Design

As the array of distributed energy resources (DERs) available to customers expands and diversifies, the ability to facilitate an increasingly flexible, efficient, and cleaner "grid of the future" becomes more important than ever. In the past decade, billions of dollars have been spent on "smart" meters and other advanced metering infrastructure (AMI) to modernize the grid, improve grid resilience, increase DER participation, and reduce costs to ratepayers. However, the benefits of a "smart" grid can't be realized without implementing rates intelligently designed to activate changes on the demand side. Rate design is, therefore, central to optimizing DERs and the other benefits of AMI for customers and the grid. States are piloting and exploring DER-optimized rate designs, from designs that provide price signals to charge and discharge battery storage to options that encourage EV owners to charge their cars during off-peak hours. This panel explored the various time-varying and dynamic rate design options to facilitate optimized DER adoption, grid resilience, and increased customer benefits.

GSA-Utility Partnerships Will Cut Emissions and Lower Energy Costs for the Nation's Largest Energy Consumer

The federal government is the single largest consumer of energy in the country and also the country's biggest landlord, overseeing nearly 350,000 buildings. The U.S. General Services Administration (GSA) has committed to 100% Carbon Pollution-Free Electricity on a Net Annual

Basis by 2030, including 50% on a 24/7 basis. GSA is continuing its work to eliminate onsite carbon pollution in newly constructed facilities and facilities undergoing major modernization to achieve Net-Zero Emissions Buildings by 2045, including a 50% reduction by 2032. Through these actions, GSA creates innovative economic opportunities that advance clean energy goals, create jobs, develop healthy and prosperous communities, and save taxpayer money. Partnerships are critical to success, including utilities regulated by NARUC's members. Panelists discussed the impact and implementation of these goals as well as the role of utility regulators and stakeholders.

First Do No Harm: Siting EV Charging Infrastructure
Joint with the Committee on Energy Resources and the Environment

Electrification, including transportation electrification (TE), has the potential to be a source of downward pressure on rates. To allow for this potential, the infrastructure necessary to serve TE load must be sited strategically to avoid locations requiring costly and time-consuming upgrades to support additional load on the electric system. Moreover, as we prepare for the disbursement of National Electric Vehicle Infrastructure (NEVI) program funds, planning for and siting infrastructure in locations requiring less grid investment will stretch those funds. However, to ensure that ratepayers paying for all or a part of this infrastructure get the most benefits for their cost, charging infrastructure should be placed in high-traffic areas and convenient locations for EV users to maximize usage. To ensure these deciding factors are considered, regulators and utilities must partner with local traffic planners to determine if and where optimal traffic-based locations also have minimal grid upgrades and associated costs. Panelists discussed the issues mentioned above and offered an opportunity for the audience to ask questions.

Looking Back--and Forward--at FERC-State Engagement

Managing energy policies that affect the entire nation is a daunting but necessary task for regulators. This session looks at the relationship between state regulators and the Federal Energy Regulatory Commission in recent history, often with NARUC as an essential facilitator in these dialogues. We have reached a point where communication and engagement have increased, with all players having to, at times, navigate through an atmosphere of politics while staying focused on serving the public interest. Managing and respecting different and competing

priorities is not a simple feat, and we've reached this point through intentional measures. The panelists, all former members of FERC, discussed how the relationships with state regulators have evolved and offered insight on how to ensure that the relationship continues in the right direction.

C. How the program helped you as a commissioner and benefitted the Commission

Participating in NARUC's Winter Policy Summit helps me stay current on utility regulatory issues. It also benefits the commission by allowing commissioners to access utility regulatory information and discuss utility regulatory issues in an academic setting.

D. The amount of time spent out of the office due to attending educational programs.

I spent 3 days out of the office during the rating period to complete this program.

2. Participation in organizations.

Provide the following information regarding your participation in organizations:

A. The name of the organization, position held, and committee served on;
B. A description of the organization's function;
C. How did participation in the organization helped you as a commissioner and benefitted the Commission; and
D. The amount of time spent out of the office due to your participation in organizations.

National Association of Regulatory Utility Commissioners (NARUC). Currently, I am a member of the electricity committee.

NARUC is a non-profit organization dedicated to representing the state public service commissions who regulate the utilities that provide essential services such as energy, telecommunications, power, water, and transportation.

NARUC's members include all 50 states, the District of Columbia, Puerto Rico, and the Virgin Islands. Most state commissioners are

appointed by their governor or legislature, whereas commissioners in 11 states are elected by the public and in two states by the general assembly.

NARUC's mission is to serve the public interest by improving the quality and effectiveness of public utility regulation. Under state laws, NARUC's members have an obligation to ensure the establishment and maintenance of utility services as may be required by law and to ensure that such services are provided at rates and conditions that are fair, reasonable, and nondiscriminatory for all consumers.

Participation in NARUC helps me stay knowledgeable and informed on various utility issues that impact South Carolina, the Southeast, and the rest of the United States.

I was out of the office for three days to attend NARUC's Winter Policy Summit.

3. Representation in Official Capacity as Commissioner.

For any event attended in your official capacity as commissioner that has not been included in item 1 or 2, provide the following information:

A. Leadership South Carolina Natural Resources Session;
B. Leadership South Carolina;
C. Oral presentation on the history and purpose of the Public Service Commission of South Carolina.
D. I spent 1 day out of the office to attend this event.

A. HBCU Energy Pathways Energy Panel;
B. E4 Carolinas;
C. Oral presentation on my path to working in the energy industry.
D. I spent 2 hours out of the office to attend this event.

A. HBCU Energy Pathways Energy Competition;
B. E4 Carolinas;
C. Provided feedback on student case studies that resolved an energy and environmental issue.
D. I spent 1 day out of the office to attend this event.

A. Energy Efficiency and Demand Side Management Panel (during lunch at the NARUC Winter Policy Summit);
B. Edison Foundation Institute for Electric Innovation;
C. Oral presentation on how energy efficiency and demand side management programs work in South Carolina
D. I did not spend additional time out of the office for this event as I was already attending the NARUC Winter Policy Summit.

4. Notable Cases.

In your own words, describe three cases you participated in that you believe were the most significant during the review period. Provide a summary of the case, including the case name, the docket number, and the issues and outcome (two to three sentences). Your response should focus on: (a) why this case was significant; and (b) how the educational programs you attended, your participation in organizations and experience as a commissioner benefitted your decisions in each case.
2023-89-E: Duke Energy Progress, LLC's Petition for a Storm Securitization Financing Order ("Phase II")

Duke Energy Progress, LLC filed a petition before the commission requesting permission to securitize storm costs and up-front financing costs associated with the issuance of storm recovery bonds, approval of their securitization financing structure, approval to issue storm recovery bonds, approval of financing costs, and approval to create storm recovery property. This case was significant because it was the first petition for a storm securitization financing order in South Carolina and the result of the commission's approval of the petition will deliver $35 million in savings to ratepayers. The educational programs I attended during the review period gave me insight into long-term planning, innovative problem-solving, and best practices in the utility regulatory space, making it easier for me to understand, appreciate, and grant the petition.

2024-34-E: Application of Dominion Energy South Carolina, Inc. for Authority to Adjust and Increase Its Retail Electric Rate Schedules, Tariffs, and Terms and Conditions

Dominion Energy South Carolina, Inc. filed an application to adjust and increase its retail electric rates. Notwithstanding the unopposed settlement agreement, the applicant presented the most robust and transparent rate case I witnessed as a commissioner. This case was significant because it demonstrated the applicant's willingness to be accountable, forthright, and transparent with the commission, parties to the processing, and ratepayers. The educational programs that I attended during the review period, especially the education at Duke University and the United States Anny Command and General Staff College, exposed me to various leadership methods, risks associated with utility operation and regulation, and the ability to learn from past mistakes without being crippled from moving forward towards a better future.

2023-242-E: Johnny Hedwin, Complainant/Petitioner v. Duke Energy Progress, LLC Defendant/Respondent

Johnny Hedwin filed a complaint against Duke Energy Progress, LLC (Company) alleging that the Company overcharged his electricity account. The commission conducted a hearing where Mr. Hedwin appeared as a pro se litigant. While working through this case, the commission identified a billing discrepancy on Mr. Hedwin's account, resulting in the company overcharging Mr. Hedwin. This case is significant because it demonstrates the commission's commitment to giving ratepayers access and due process as the commission worked with Mr. Hedwin so that he could appear virtually. While it may seem like a small accomplishment, the commission's staff worked very hard to make sure Mr. Hedwin could "have his day in court" without having to drive to Columbia, S.C. Additionally, this case is significant because it proves that when ratepayers have access and due process before the commission, the commission is empowered to better serve ratepayers by adjudicating matters that it would not know of without hearing the ratepayers case. In this case, the Company realized that Mr. Hedwin was not the only customer overcharged and was in the process of issuing refunds. The educational programs that I attended during the review period helped strengthen my ability to resolve unconventional issues involving parties with various backgrounds through a collaborative process that focuses on problem-solving rather than finger-pointing and casting blame.

5. Accomplishments of the Public Service Commission

Describe what you believe are the most significant accomplishments of the commission during the review period.

During this review period, the commission's most significant accomplishments were its continued commitment to demonstrated results in increasing access to the commission and protecting the due process of ratepayers, utilities, and interested parties. The commission has leveraged technology to allow ratepayers, utilities, and interested parties to appear in proceedings remotely, telephonically, and in person.

6. Work Schedule and Preparation.

A. The average work week included a commission business meeting briefing on Mondays and commission business meetings on Thursdays at a minimum. Most weeks during the review period included a hearing or a hearing briefing. After the commission business meeting briefing, professional staff and commissioners prepare motions for each item. On average, I was in the office four days a week during the review period. When I was not in the office, I was telecommuting using my government-issued laptop, the docket management system, or performing reading and mental preparation for an upcoming matter.

B. During this review period, I have worked closely with the Special Counsel to prepare for hearings. First, I prepared individually by reading the application/petition, the applicable law and regulations, and the pre-filed testimony and discussing my questions with the Special Counsel and other commissioners.

7. Effects of the Code of Judicial Conduct and South Carolina's ethics laws on your role as Commissioner.

In your own words, discuss how the Code of Judicial Conduct and the Ethics Laws interact and affect you and your role as a commissioner.
I constantly check my words and deeds against the Code of Judicial Conduct and the Ethics Laws to ensure that I meet both standards. Strictly adhering to these Laws is the only way to maintain public trust and afford all parties due process.

8. Challenges of the Public Service Commission

Describe three challenges of the Public Service Commission during the review period and how those challenges were managed.

Internal case management - The commission has many open complex dockets and double-digit filings are made in commission dockets daily. This creates an overwhelming number of matters to manage for commissioners and staff, and sometimes, filings fall through the cracks. The commission is managing this issue through new docket management software and continuing to refine the Docket Management System.

Understanding our purpose - The commission's mission is "[t]o regulate just and reasonable rates and services of public utilities in the state of South Carolina." Regulating utilities according to the applicable laws and regulations is not the same as managing a utility in the way that we believe is appropriate. The commission is managing this issue by focusing on understanding our limited role in the regulatory process by focusing on better understanding our laws and regulations.

Commissioner and staff efficiency and effectiveness - Since my election to the commission, the commission has increased its operational tempo every year. With the requirements of new laws and the filing of more cases, the commission is still working to identify the best commissioner and staff model that allows the commission to operate at maximum efficiency and effectiveness.

9. Recusal

If there was a matter in which you were recused during the review period, provide a brief description of the matter and the reason(s) for the recusal.

Not applicable for this review period.

NOTE: Do not provide any information that would violate the prohibition against ex parte communication or otherwise violate any privilege.

Ethics Statement: I, **Commissioner Justin T. Williams have read and understand the Code of Judicial Conduct and the ethics laws of**

South Carolina. I certify that I have adhered to these standards at all times during this review period.

Smith, Spann-Wilder, Stavrinakis, Taylor, Teeple, Terribile, Vaughan, Waters, Weeks, Wetmore, White, Whitmire, Wickensimer, Williams, Willis, Wooten and Yow: A HOUSE RESOLUTION TO EXPRESS THE PROFOUND SORROW OF THE SOUTH CAROLINA HOUSE OF REPRESENTATIVES UPON THE PASSING OF THE HONORABLE KENNETH F. HODGES OF BEAUFORT COUNTY, TO CELEBRATE HIS LIFE AND ACHIEVEMENTS, AND TO EXTEND THE DEEPEST SYMPATHY TO HIS FAMILY AND MANY FRIENDS.

Whereas, the members of the South Carolina House of Representatives were deeply saddened by the passing of the Honorable Kenneth F. Hodges, former member of the South Carolina House, on April 22, 2025, at the venerable age of seventy-three; and

Whereas, born February 11, 1952, in the Sea Island community of

Bennetts Point, he was the son of Benjamin F. Hodges and Lydia Whaley Hodges. The young Kenneth finished his early education at Walterboro High School and next entered Clark College in Atlanta, Georgia, where he received a Bachelor of Arts, followed by a Master of Divinity from Morehouse School of Religion of Interdenominational Theological Center in Atlanta; and

Whereas, in 1982, Kenneth Hodges married his beloved Patricia, God blessing the couple with three children, Kendrea, Kenyatta, and Kenithea; and

Whereas, this man of faith returned to his native state in 1986 to become pastor of Shiloh Baptist Church in Bennettsville. On August 6, 1995, he accepted a call to the pastorate of Tabernacle Baptist Church in downtown Beaufort. For thirty years, he used his spiritual gifts to advance the Kingdom of God both there and abroad by serving as moderator of the Old Ashley Association, as a faculty member of the South Carolina Baptist Congress of Christian Education, and as an instructor for the Morris College Extension Program. Moreover, he was a member of three ministerial delegations to London and Africa, where he taught and preached; and

Whereas, Kenneth Hodges served in the South Carolina House of Representatives from 2005 to 2016 for House District 121 (Beaufort and Colleton counties). As a state lawmaker, he supported small businesses in rural areas because he believed self-employment was a way out of poverty. As a community-minded man, he further served on numerous boards, commissions, and advisory councils over the years and was a Bennettsville City councilman; and

Whereas, while Kenneth Hodges was best known for his duties as a pastor and state lawmaker, he was also a businessman and talented photographer. He owned LyBensons Gallery and Studio in downtown Beaufort, which featured some of his own photography, including photos he took of famous figures such as jazz trumpet player Dizzy Gillespie, entertainer Sammy Davis Jr., poet Maya Angelou, and civil rights icon Rosa Parks; and

Whereas, he leaves behind a legacy of community activism and preserving the history of the church and historic figures with ties to it including Harriet Tubman and Robert Smalls. One of his crown jewels

was the monument to Tubman which he promoted for years leading fundraising efforts that finally culminated in a sculpture depicting Tubman leading a faction during the Combahee River Raid in 1863. The statue captures the moments when Tubman joined Col. James Montgomery on an armed steamer sailing from Beaufort on a raid at the Combahee Ferry. Tubman, who had extensive local knowledge of the waters of the Lowcountry, freed 750 formerly enslaved people; and

Whereas, Kenneth Hodges leaves to cherish his memory his loving wife, Patricia; his dear daughters, Kendrea, Kenyatta, and Kenithea; and a host of other family members, friends, and admirers. He will be remembered as a humble public servant and beloved South Carolina leader, one who will be greatly missed. Now, therefore,

Be it resolved by the House of Representatives:

That the members of the South Carolina House of Representatives, by this resolution, express their profound sorrow upon the passing of the Honorable Kenneth F. Hodges of Beaufort County, celebrate his life and achievements, and extend the deepest sympathy to his family and many friends.

Be it further resolved that a copy of this resolution be presented to the family.

The Resolution was adopted.

The Committee on Ways and Means proposed the following Amendment No. 1 to H. 3645 (LC-3645.DG0001H), which was adopted:

Amend the bill, as and if amended, SECTION 1, by striking Section 8-11-150(A)(2) and inserting:

(2) "Eligible state employee" ~~means an employee occupying any percentage of a full-time equivalent position~~ any person employed ~~full-time by this State, its departments, agencies, or institutions. This includes any person employed full-time by a four-year or postgraduate institution of higher education under the control of the State or a technical college supported and under the control of the State~~ by any department, institution, commission, board, or any other unit of government of this State who occupies a position eligible to earn annual leave. This includes any person employed by a four-year or postgraduate institution of higher education under the control of the State or a technical college supported and under the control of the State who occupies a fulltime equivalent, temporary grant or time limited position.

Amend the bill further, SECTION 1, by striking Section 8-11-150(B) and inserting:

(B) Eligible state employees who are employed by this State, its departments, agencies, or institutions and who give birth are entitled to receive ~~six~~twelve weeks of paid parental leave. Other eligible state employees who do not give birth are entitled to receive ~~two~~four weeks of paid parental leave. An employee's paid parental leave is based on an employee's average workday.

An eligible state employee does not have to exhaust all other forms of leave before being eligible to take leave granted under this section. However, an employer may require that an employee use paid parental leave before using annual leave if the employee's leave is taken pursuant to the Family Medical and Leave Act. Eligible state employees shall accrue

annual and sick leave at the normal rate while on this leave, if applicable.

Amend the bill further, SECTION 2, by striking Section 8-11-155(A)(2) and (3) and inserting:

(2) "Eligible state employee" means ~~an employee occupying any percentage of a full-time equivalent position~~any person employed by any department, institution, commission, board, or any other unit of government of this State who occupies a position eligible to earn annual leave. This includes any person employed by a four-year or postgraduate institution of higher education under the control of the State or a technical college supported and under the control of the State who occupies a position eligible to earn annual leave.

(3) "Paid parental leave" means ~~six~~twelve weeks of paid leave at one hundred percent of the eligible state employee's ~~base~~ pay or ~~two~~four weeks of paid leave at one hundred percent of the eligible state employee's ~~base~~ pay. Leave for part-time eligible state employees must be on a prorated basis corresponding to the percentage of hours they are normally scheduled to work.

Amend the bill further, SECTION 2, by striking Section 8-11-155(B) and inserting:

(B) Eligible state employees who are employed by this State, its departments, agencies, or institutions and are primarily responsible for furnishing the care and nurture of the child, are entitled to ~~six~~twelve weeks of paid parental leave upon the occurrence of a qualifying event. Eligible state employees who are employed by this State, its departments, agencies, or institutions who are not primarily responsible for furnishing the care and nurture of the child, are entitled to ~~two~~four weeks of paid parental leave upon the occurrence of a qualifying event. An employee's paid parental leave is based on an employee's average workday.

Amend the bill further, SECTION 2, by striking Section 8-11-155(C)(6) and inserting:

(6) Paid parental leave must run concurrently with leave taken pursuant to the Family Medical and Leave Act and any other unpaid leave to which the eligible state employee may be entitled as a result of the qualifying event. However, leave granted under this section is with pay and is not annual leave or sick leave and therefore does not deduct from the eligible state employee's accrued leave balance. An eligible state employee does not have to exhaust all other forms of leave before being eligible to take leave granted under this section. However, an employer may require that an employee use paid parental leave before using annual leave if the employee's leave is taken pursuant to the

Family and Medical Leave Act. Eligible state employees shall accrue annual and sick leave at the normal rate while on this leave, if applicable.

Help us to support one another in times of need. Shower Your blessing on each of us. We continue to ask Your blessings on our Nation, President, State, Governor, Speaker, Staff, and all who labor in these Halls of Government. Protect our defenders of freedom, as they protect us. H. 3758--AMENDED AND ORDERED TO THIRD READING

The following Bill was taken up:

H. 3758 -- Reps. Mitchell and Yow: A BILL TO AMEND THE SOUTH CAROLINA CODE OF LAWS BY AMENDING SECTION 59-1-435, RELATING TO THE RELIGIOUS VIEWPOINTS ANTIDISCRIMINATION ACT, SO AS TO PROVIDE SCHOOL DISTRICTS SHALL ADOPT AND IMPLEMENT CERTAIN POLICIES CONCERNING LIMITED PUBLIC FORUMS AND VOLUNTARY STUDENT EXPRESSION OF RELIGIOUS VIEWPOINTS BEFORE THE 2026-2027 SCHOOL YEAR, AND TO PROVIDE A MODEL POLICY THAT SCHOOLS MAY ADOPT AND IMPLEMENT TO ENSURE COMPLIANCE WITH THESE POLICY REQUIREMENTS.

The Committee on Education and Public Works proposed the following Amendment No. 1 to H. 3758 (LC-3758.WAB0001H), which

was adopted:

Amend the bill, as and if amended, SECTION 1, by striking Section 59-1-435(B), (C), (D), (E), (F), and (G) and inserting:

(B) As used in this section, "discriminate" means to make a distinction in favor of or against a person on the basis of the group, class, or category to which the person belongs, rather than according to actual merit.

(C)~~(B)~~ A school district and charter schools shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and must not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.

~~(C)~~(D)(1) To ensure that the school district does not discriminate against a student's publicly stated voluntary expression of a religious viewpoint, if any, and to eliminate any actual or perceived affirmative school sponsorship or attribution to the district of a student's expression of a religious viewpoint, if any, a school district and charter school shall adopt a policy which must include the establishment of a limited public forum for student speakers at all school events at which a student is to publicly speak. This policy must be adopted and implemented before the beginning of the 2026-2027 School Year. The policy regarding the limited public forum must also require the school district and charter school to:

(a) provide the forum in a manner that does not discriminate against a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject;

(b) provide a method, based on neutral criteria, for the selection of student speakers at school events and graduation ceremonies;

(c) ensure that a student speaker does not engage in obscene, vulgar, offensively lewd, or indecent speech; and

(d) state, in writing, orally, or both, that the student's speech does not reflect the endorsement, sponsorship, position, or expression of the district.

(2) ~~The~~A school district and charter school disclaimer ~~required by subsection (G)(7)~~ must be provided at all graduation ceremonies. The school district and charter school must also continue to provide the disclaimer at any other event in which a student speaks publicly for as long as a need exists to dispel confusion over the district's

nonsponsorship of the student's speech. The disclaimer must be stated in written or oral form, or both, such as, "The student giving the introduction for this event is a volunteering student selected on neutral criteria to introduce the event. The content of the introduction is the private expression of the student and does not reflect the endorsement, sponsorship, position, or expression of the school district".

(3) Student expression on an otherwise permissible subject may not be excluded from the limited public forum because the subject is expressed from a religious viewpoint.

~~(D)~~(E) A student may express his beliefs about religion in homework, artwork, and other written and oral assignments free from discrimination based on the religious content of his submission. Homework and classroom assignments must be judged by ordinary academic standards of substance and relevance and against other legitimate pedagogical concerns identified by the school district. A student may not be penalized or rewarded based on the religious content of his work.

~~(E)~~(F) Students may organize prayer groups, religious clubs, "see you at the pole" gatherings, or other religious gatherings before, during, and after school to the same extent that students are permitted to organize other noncurricular student activities and groups. Religious groups must be given the same access to school facilities for assembling as is given to other noncurricular groups without discrimination based on the religious content of the students' expression. If student groups that meet for nonreligious activities are permitted to advertise or announce meetings of the groups, the school district must not discriminate against groups that meet for prayer or other religious speech. A school district may disclaim school sponsorship of noncurricular groups and events in a manner that neither favors nor disfavors groups that meet to engage in prayer or religious speech.

(G) For each speaker, the district shall set a maximum time limit reasonable and appropriate to the occasion.

~~(F) Before the start of the 2026-2027 School Year, each school district shall adopt and implement a local policy regarding a limited public forum and voluntary student expression of religious viewpoints. If a school district voluntarily adopts and follows the model policy governing voluntary religious expression in public schools as provided in subsection (G), the district is in compliance with the provisions of this subchapter covered by the model policy.~~

~~(G) As used in this section:~~

~~(1) "discriminate" means to make a distinction in favor of or~~

~~against a person on the basis of the group, class, or category to which the person belongs, rather than according to actual merit.~~

~~(2) "model policy" means a local policy adopted by the school district that is substantially identical to the following:~~

~~(a) The school district shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.~~

~~(b) The school district hereby creates a limited public forum for student speakers at all school events at which a student is to publicly speak. For each speaker, the district shall set a maximum time limit reasonable and appropriate to the occasion. Student speakers shall introduce:~~

~~(i) football games;~~

~~(ii) any other athletic events designated by the district;~~

~~(iii) opening announcements and greetings for the school day; and~~

~~(iv) any additional events designated by the district, which may include, without limitation, assemblies and pep rallies.~~

~~(3) The forum shall be limited in the manner provided by this article.~~

~~(4) Only those students in the highest two grade levels of the school and who hold one of the following positions of honor based on neutral criteria are eligible to use the limited public forum: student council officers, class officers of the highest grade level in the school, captains of the football team, and other students holding positions of honor as the school district may designate.~~

~~(5) An eligible student shall be notified of the student's eligibility, and a student who wishes to participate as an introducing speaker shall submit the student's name to the student council or other designated body during an announced period of not less than three days. The announced period may be at the beginning of the school year, at the end of the preceding school year so student speakers are in place for the new year, or, if the selection process will be repeated each semester, at the beginning of each semester or at the end of the preceding semester so speakers are in place for the next semester. The names of the volunteering student speakers shall be randomly drawn until all names have been selected, and the names shall be listed in the order drawn. Each selected student will be matched chronologically to the event for~~

~~which the student will be giving the introduction. Each student may speak for one week at a time for all introductions of events that week, or rotate after each speaking event, or otherwise as determined by the district. The list of student speakers shall be chronologically repeated as needed, in the same order. The district may repeat the selection process each semester rather than once a year.~~

~~(6) The subject of the student introductions must be related to the purpose of the event and to the purpose of marking the opening of the event, honoring the occasion, the participants, and those in attendance, bringing the audience to order, and focusing the audience on the purpose of the event. The subject must be designated, a student must stay on the subject, and the student may not engage in obscene, vulgar, offensively lewd, or indecent speech. The school district shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based on a religious viewpoint expressed by the student on an otherwise permissible subject.~~

~~(7) For as long as there is a need to dispel confusion over the nonsponsorship of the student's speech, at each event in which a student will deliver an introduction, a disclaimer shall be stated in written or oral form, or both, such as, "The student giving the introduction for this event is a volunteering student selected on neutral criteria to introduce the event. The content of the introduction is the private expression of the student and does not reflect the endorsement, sponsorship, position, or expression of the school district."~~

~~(8) Certain students who have attained special positions of honor in the school have traditionally addressed school audiences from time to time as a tangential component of their achieved positions of honor, such as the captains of various sports teams, student council officers, class officers, homecoming kings and queens, prom kings and queens, and the like, and have attained their positions based on neutral criteria. Nothing in this policy eliminates the continuation of the practice of having these students, irrespective of grade level, address school audiences in the normal course of their respective positions. The school district shall create a limited public forum for the speakers and shall treat a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject in the same manner the district treats a student's voluntary expression of a secular or other viewpoint on an otherwise permissible subject and may not discriminate against the student based~~

~~on a religious viewpoint expressed by the student on an otherwise permissible subject.~~

Amend the bill, as and if amended, SECTION 1, by striking Section 40-69-510(1), (2), (3), (4), (5), (6), (7), (8), (9), (10), and (11) and inserting:

"Teletriage" does not include the rendering of a diagnosis but may include the provision of tele-advice.~~

~~(10) "Veterinarian-client-patient relationship" means:~~

~~(a) The veterinarian has recently seen and is personally acquainted with the keeping and care of the animal through an in-person, physical examination of or visit to the premises where the animal is kept.~~

~~40-69-560.~~

Amend the bill further, SECTION 1, by striking Section 40-69-540(A) and inserting:

~~Section 40-69-570. A licensed veterinarian shall ensure that a client's privacy and confidentiality are protected when the veterinarian is providing veterinary services using telehealth pursuant to the veterinarian's professional and legal obligations.~~

SECTION X. Section 61-2-60 of the S.C. Code is amended by adding:

(9) regulations governing the development, implementation, education, and enforcement of responsible alcohol server training positions.

SECTION X. Section 61-2-145 of the S.C. Code is amended to read:

Section 61-2-145. (A) In addition to all other requirements, a person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, is required to maintain a liquor liability insurance policy or a general liability

insurance policy with a liquor liability endorsement ~~for a total coverage~~with an annual aggregate limit of at least one million dollars during the period of the biennial permit or license, unless the person licensed or permitted to sell alcoholic beverages qualifies under the terms of a liquor liability risk mitigation program pursuant to subsection (E). Failure to maintain this coverage during the period of the biennial permit or license constitutes grounds for suspension or revocation of the permit or license and is sufficient grounds for the department to seek an emergency revocation order as provided in Sections 12-60-1340 and 1-23-370(c). An insurance policy issued pursuant to this section must provide for minimum coverage of at least fifty percent of the total aggregate limit, per occurrence, given rise to the claim.

(B) The department shall add this requirement to all applications and renewals for biennial permits or licenses to sell alcoholic beverages for on-premises consumption, in which the permittees and licensees remain open and sell alcoholic beverages for on-premises consumption after five o'clock p.m. Each applicant or person renewing its license or permit, to whom this requirement applies, shall provide the department with documentation of a liquor liability insurance policy or a general liability insurance policy with a liquor liability endorsement in the required amounts.

(C) Each insurer writing liquor liability insurance policies or general liability insurance policies with a liquor liability endorsement to a person licensed or permitted to sell alcoholic beverages for on-premises consumption, in which the person so licensed or permitted remains open to sell alcoholic beverages for on-premises consumption after five o'clock p.m., must notify the department in a manner prescribed by department regulation of the lapse or termination of the liquor liability insurance policy or the general liability insurance policy with a liquor liability endorsement within thirty days of the lapse or termination.

(D) For the purposes of this section, the term "alcoholic beverages" means beer, wine, alcoholic liquors, and alcoholic liquor by the drink as defined in Chapter 4, Title 61, and Chapter 6, Title 61.

(E) A person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, may qualify for liquor liability risk mitigation. A person qualifies if the person and the entity for which the person obtained the license or permit:

(1) stop serving alcohol by twelve o'clock a.m. A person meeting the requirements of this item may reduce the required annual aggregate

limit by one hundred thousand dollars, and an additional one hundred thousand dollars for each hour earlier until six o'clock p.m.;

(2) complete an alcohol server training course pursuant to Title 61, Chapter 3;

(3) have less than forty percent of its total sales deriving from alcohol sales; or

(5) A person meeting the requirement of item (2) or (3) may reduce the required annual aggregate limit by one hundred thousand dollars each. An entity meeting the requirements of item (4) may reduce the annual aggregate limit by five hundred thousand dollars. A person complying with any combination of items (1)-(4) must receive the permitted reduction in the required annual aggregate limit for each item the entity complies with provided a person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, must at all times maintain coverage with an annual aggregate limit of at least two hundred fifty thousand dollars during the period of the biennial permit or license.

(6) Insurers must establish liquor liability mitigation measures and offer premium discounts for compliance therewith that reduce the risk to the general public associated with the service of on-premises consumption of alcohol.

(F) For purposes of this section, the calculation of total sales shall include sales of alcohol sold for on-premises consumption and all food and nonalcoholic beverages sold on the premises where the alcohol is sold, including food and nonalcoholic beverages sold by third-party vendors.

SECTION X. Title 61 of the S.C. Code is amended by adding:

A copy of the report shall be given to the Governor, the Speaker of the House of Representatives, and the President of the Senate; posted on the websites of the department and the division; and recorded in the journals of each body of the General Assembly at the beginning of each legislative year.

Section 61-3-140. (A)(1) The department must issue an alcohol server certificate to each applicant who completes an approved program or a recertification program and who provides other information as may be required by the department in an application form that is available on the department's website. A person must apply for an alcohol server

certificate within six months of completing a program. The department, if circumstances warrant the issuance of a temporary alcohol server certificate, may issue a temporary alcohol server certificate that is valid for a period of no more than thirty calendar days.

(2) The department, in collaboration with DAODAS and the division, may issue an alcohol server certificate to an individual from outside of the State who applies for an alcohol server certificate if the individual has an alcohol server certificate from a nationally recognized or comparable, state-recognized alcohol server certification program that the department, DAODAS, and the division find meets or exceeds the programs offered in this State.

~~Indicates Matter Stricken~~
Indicates New Matter

The House assembled at 10:00 a.m.

Deliberations were opened with prayer by the SPEAKER *PRO TEMPORE* as follows:

Our thought for today is from Isaiah 61:1: “The Spirit of the Lord God is upon me, because the Lord has anointed me; he has sent me to bring good news to the oppressed, to bind up the brokenhearted, to proclaim liberty to the captives, and release to the prisoners; to proclaim the year of our Lord’s favor.”

Let us pray. Ever-present God, help us to see and trust that Your saving work is with us so that we may not fear, complain, or forget Your goodness to us. Awesome God, help us to live a life that reflects Your power and glory meant for us and all the World. Bless our defenders of freedom and first responders. Look in favor upon our World, Nation, President, State, Governor, Speaker, Staff, and all who give of their time and effort to make this State great. We pray for our men and women who serve our country and who suffer from hidden wounds. Lord, in Your mercy, hear our prayers. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the SPEAKER *PRO TEMPORE*.

POINT OF ORDER

Rep. CROMER made the Point of Order that the Bill was improperly before the House for consideration since its number and title have not been printed in the House Calendar at least one statewide legislative day prior to second reading.

Rep. HIOTT moved to waive Rule 5.10, pursuant to Rule 5.15.

By a division vote of 77-20, Rule 5.10 was waived, pursuant to Rule 5.15.

The Committee on Ways and Means proposed the following Amendment No. 1 to H. 4137 (LC-4137.SA0002H), which was adopted:

Amend the bill, as and if amended, SECTION 1, Section 12-21-3920, by adding items to read:

(24) “American Heroes Bingo” or “game” means a specific game of chance, commonly known as bingo, in which prizes are awarded based on designated numbers or symbols on an electronic card conforming to numbers or symbols selected at random. American Heroes Bingo uses a caller to draw balls from a cage. A new drawing of bingo balls is to be drawn daily or once the game-ending pattern is called. The caller or automatic aid inputs the resulting ball draw sequence into a location-based server via electronic interface. The player then utilizes an electronic bingo aid to purchase, play, and daub electronic cards based on the outcome of the ball draw sequence. The electronic bingo aid then communicates to the player using various stimuli of visual and audial queues if the electronic card has accurately achieved a preannounced configuration match.

(25) “Electronic Card” means a nonprinted design, which may include an electronic representation on which there are arranged five horizontal rows and five vertical columns forming twenty-five squares. Numbers are printed in twenty-five of the squares. The five columns are denominated from left to right and must be a minimum of one-half inch by one-half inch.

(26) “Location-based server” means a computer server that is physically located on the licensed premises of the veteran’s organization. The location-based server is used in connection with the electronic bingo aids to accurately identify instances of preannounced configuration matches and nonmatches. The location-based server is not connected to any other location-based server.

(27) “Electronic bingo aids” means an electronic device used in connection with a location-based server that will identify, display, and communicate bingo outcomes accurately via automatic electronic daub. The electronic bingo aid may be equipped with currency and voucher equipment which allows for additional purchases of electronic cards and provide for a voucher or other medium considered to be appropriate to redeem prizes won in the bingo game via a medium from the electronic bingo aid. The location-based server maintains track of the player’s credit balance, while the electronic bingo aid displays the same information. The electronic bingo aid must show an electronic representation of the bingo card on screen while the player is using the device. Electronic bingo aids are excluded from the definitions included in Chapter 21, Title 12 and Chapter 19, Title 16.

(28) “Net hold” means the total revenue, coin, currency, tickets, or equivalent placed into the electronic bingo aids or otherwise paid by players, less any prizes paid out to players.

(29) "Vendor" means any individual, firm, association, limited liability company, or corporation that was a resident of, or domiciled in this State for a period of two years or more before January 1, 2026, that provides electronic bingo aids to a veteran's organization.

Amend the bill further, SECTION 2, by striking Section 12-21-4020(7) and inserting:

(7)(a) CLASS G: A veteran's organization operating ~~a bingo~~American Heroes Bingo game offering prizes, which do not exceed ~~eight~~ fifty thousand dollars ~~a session~~per game, shall obtain a Class G bingo license at a cost of one thousand dollars. The holder of a Class G license may not conduct more than ~~five~~ six bingo sessions a week. ~~The bingo games must be conducted in the same manner as provided under the Class C license.~~

(b) Not withstanding anything in this article to the contrary, American Heroes Bingo must be played in the following manner, and the following procedures apply to the conduct of the game:

(i) American Heroes Bingo is played by a player and a caller, the latter of which is associated with the veteran's organization. Each player may pay face value for each electronic card to be played during a game and may purchase additional electronic cards during the course of a session.

(ii) Before each game begins, the potential winning patterns are available to view by the players of the configuration or configurations that will win the game. A configuration consists of a number of grids covered in the manner and sequence announced by the caller. Any method of playing the game is allowed if the method is shown before each game's beginning and prominently displayed in the facility. The configuration or configurations must be prominently visible on the electronic bingo aids.

(iii) The caller shall draw and announce numbers from the cage one at a time. After the number is announced, it must be prominently displayed on the master board and on the electronic bingo aids.

(iv) A player then uses an electronic bingo aid to purchase electronic cards, participate in the game via electronic daub, and redeem prizes. The electronic bingo aid communicates to the player if the electronic card played has accurately achieved a preannounced configuration match using various visual and audial stimuli. The location-based server adjusts the player's credit balance as required by the results of the game and the electronic bingo aid displays this information to the player.

(v) Electronic bingo aids may be used to offer visual and audio feedback for all players including, but not limited to, easy to read bingo cards on screen, symbols representative of bingo card wins and bonus wins, and entertaining displays and sounds designed to easily identify accurately achieved preannounced configuration matches.

(vi) A veterans' organization may enter into any contract with any vendor for the vendor to operate electronic bingo aids, concessions, security, or any other service on behalf of the veterans' organization.

(vii) A veterans' organization may not hold more than one American Heroes Bingo license. Multiple veterans' organizations may operate or cause the operation of American Heroes Bingo in a building, provided that there is a single specified license holder per building. This applies to all buildings regardless of ownership, primary use, or original use.

Amend the bill further, SECTION 4, by striking Section 12-21-4070 and inserting:

Section 12-21-4070. No license, as provided by this article, may be issued to an organization, promoter, vendor, veteran's organization, or individual that has not been domiciled in this State for at least three ~~two~~ years immediately preceding the license application. In the case of the organization or vendor, the organization or vendor must also have been active in this State for at least two years.

Amend the bill further, SECTION 5, by striking Section 12-21-4190(A) and inserting:

(A) The department shall charge and retain ten cents for each dollar of face value for each bingo card sold for AA, B, D, and E licenses. The department shall charge and retain five cents for each dollar of face value for each bingo card sold for an F license. The department shall charge and retain four cents for each dollar of face value for each bingo card sold for a C license. ~~The department shall charge and retain twenty-five cents for each dollar of face value for each bingo card sold for a G license.~~

Amend the bill further, SECTION 5, by striking Section 12-21-4190(D) and inserting:

(D)(1) The provisions of ~~subsection~~subsections (A) and (B) do not apply to holders of a Class G ~~licenses~~license. ~~Of the amount charged and retained from Class G licenses, sixty percent must be distributed to the Veterans' Trust Fund. An amount of forty percent must be distributed equally to the South Carolina state headquarters of the Veterans of Foreign Wars, American Legion, Daughters of the American~~

~~Revolution, and AMVETS.~~ An amount of fifteen percent of the net hold for a month derived from American Heroes Bingo of each veteran's organization must be remitted to the Veteran's Trust Fund. A total amount of ten percent of the net hold for a month derived from American Heroes Bingo of each veteran's organization must be split and remitted equally to the South Carolina state headquarters of the American Legion, Veterans of Foreign Wars, and Disabled American Veterans. Other chartered Veteran's Service Organizations with membership in excess of four thousand also may submit a claim to the proceeds derived from American Heroes Bingo. Such payments are due on or before the twentieth day of the following month.

(2) All revenues received and deposited into the Veterans' Trust Fund from American Heroes Bingo are subject to an annual budget process. A budget outlining all anticipated expenditures of such funds must be prepared and submitted to the Secretary of Veterans' Affairs for approval. Disbursement of funds derived from American Heroes Bingo may not be made without the prior approval of the Secretary.

Amend the bill further, by adding an appropriately numbered SECTION to read:

SECTION X. Section 33-57-100 (A) and (D) of the S.C. Code is amended to read:

(A) A lottery or raffle of any type whatsoever is unlawful unless it is authorized by the following:

(1) Chapter 150, Title 59, the Education Lottery;

(2) Article 24, Chapter 21, Title 12, Charitable Bingo; ~~or~~

(3) Chapter 57, Title 33, Nonprofit Raffles for Charitable Purposes~~.~~; or

(4) Article 24, Chapter 21, Title 12, American Heroes Bingo.

(D) Except for raffles conducted by the South Carolina Lottery Commission pursuant to Chapter 150, Title 59 or Charitable Bingo authorized by Article 24, Chapter 21, Title 12, or American Heroes Bingo authorized by Article 24, Chapter 21, Title 12, the provisions of this chapter provide the sole means by which activities associated with conducting raffles are authorized. The provisions of this chapter must be narrowly construed to ensure that tax-exempt entities conducting a nonprofit raffle pursuant to this chapter are in strict compliance with the requirements of this chapter.

Dear Speaker Smith,
I am notifying you in accordance with S.C. Code Ann. H. 4000--AMENDED AND ORDERED TO THIRD READING

The following Bill was taken up:

H. 4000 -- Reps. M. M. Smith, Stavrinakis, B. L. Cox, Davis, Wetmore, Bustos, Teeple, Holman, Spann-Wilder, Kirby, Robbins, Landing, Hartnett, Brewer, Gilliard, Gatch, J. Moore, T. Moore, Murphy, W. Newton, Duncan and Bauer: A BILL TO AMEND THE SOUTH CAROLINA CODE OF LAWS BY AMENDING SECTION 61-2-100, RELATING TO THE PERSONS ENTITLED TO BE LICENSEES OR PERMITTEES, SO AS TO ADD PERFORMING ARTS AND CONVENTION COMPLEXES; BY AMENDING SECTION 61-4-515, RELATING TO THE PERMIT FOR PURCHASE AND SALE FOR ON-PREMISES CONSUMPTION, SO AS TO ADD PERFORMING ARTS AND CONVENTION COMPLEXES; AND BY AMENDING SECTION 61-6-2016, RELATING TO THE BIENNIAL

LICENSE FOR PURCHASE AND SALE FOR ON-PREMISES CONSUMPTION, SO AS TO ADD PERFORMING ARTS AND CONVENTION COMPLEXES.

The Committee on Judiciary proposed the following Amendment No. 1 to H. 4000 (LC-4000.SA0001H), which was adopted:

Amend the bill, as and if amended, SECTION 1, Section 61-2-100, by adding a subsection to read:

(k) notwithstanding any other provision of law, a license or permit may be issued to a municipality that manages an amphitheater as defined in Sections 61-6-2016(D)(6) and 61-4-515(D)(6), which is considered to be the applicant pursuant to Section 61-2-160. The municipality must submit an application and a sworn affidavit provided by the department. The department, by regulation, must establish the necessary information contained in the affidavit and make that information publicly accessible. The affidavit must contain sufficient information to establish the individual submitting the application has the authority to act on behalf of the municipality.

Amend the bill further, SECTION 2, by striking Section 61-4-515(A), (B), and (C) and inserting:

(A) In addition to the permits authorized pursuant to the provisions of this article, the department also may issue a biennial permit to the owner, or his designee, of a motorsports entertainment complex, tennis specific complex, soccer complex, performing arts and convention complex, amphitheater, or baseball complex located in this State, which authorizes the purchase and sale for on-premises consumption of beer and wine at any occasion held on the grounds of the complex year round on any day of the week. The nonrefundable filing fee and the fees for the motorsports, tennis complex, soccer complex, performing arts and convention complex, amphitheater, or baseball complex biennial permit are the same as for other biennial permits for on-premises consumption of beer and wine, with the revenue therefrom used for the purposes provided in Section 61-4-510. Notwithstanding another provision of this article, the issuance of this permit authorizes the permit holder to purchase beer and wine from licensed wholesalers in the same manner that a person with appropriate licenses issued pursuant to this title purchases beer and wine from licensed wholesalers. The department in its discretion may specify the terms and conditions of the permit, pursuant to the provisions of Chapter 4, Title 61, and other applicable provisions under Title 61.

(B) The department may require such proof of qualifications for the

issuance of these permits as it considers necessary, pursuant to the provisions of Chapter 4, Title 61, and these permits may be issued whether or not the motorsports entertainment complex, tennis specific complex, soccer complex, performing arts and convention complex, amphitheater, or baseball complex is located in a county or municipality which pursuant to Section 61-6-2010 successfully has held a referendum allowing the possession, sale, and consumption of beer or wine or alcoholic liquors by the drink for a period not to exceed twenty-four hours.

(C) The owner or designee of the motorsports entertainment complex, the tennis specific complex, the soccer complex, performing arts and convention complex, amphitheater, or the baseball complex may designate particular areas within the complex where patrons of events who have paid an admission price to attend or guests who are attending private functions at the complex, whether or not a charge for attendance is made, may possess and consume beer and wine provided at their own expense or at the expense of the sponsor of the private function.

Amend the bill further, SECTION 2, Section 61-4-515(D), by adding an item to read:

(6) "amphitheater" means an open air facility that is owned by a municipality and seats at least four hundred people.

Amend the bill further, SECTION 3, by striking Section 61-6-2016(A), (B), and (C) and inserting:

(A) In addition to the other provisions of this chapter, the owner, or his designee, of a motorsports entertainment complex, tennis specific complex, soccer complex, or performing arts and convention complex, amphitheater, or baseball complex that is located in this State may be issued, upon application, a biennial license that authorizes the purchase and sale for on-premises consumption of alcoholic liquors by the drink at any occasion held on the grounds of the complex under the same terms and conditions provided in Section 61-4-515, and the nonrefundable filing fee and license fee are the same as for other biennial licenses issued by the department for on-premises consumption of alcoholic liquors by the drink. In the event that the owner or his designee applies for both a permit to purchase and sell for on-premises consumption beer and wine and a license to purchase and sell for on-premises consumption alcoholic liquors by the drink, only one fee is required, which is the same as the fee for the fifty-two week local option permit under Section 61-6-2010 with the revenue therefrom used for the same purposes as provided in Section 61-6-2010.

(B) The department may require such proof of qualifications for the

issuance of these licenses as it considers necessary, pursuant to the provisions of Chapter 6, Title 61, and these licenses may be issued whether or not the motorsports entertainment complex, tennis specific complex, soccer complex, or performing arts and convention complex, amphitheater, or baseball complex is located in a county or municipality, which pursuant to Section 61-6-2010 has successfully held a referendum allowing the possession, sale, and consumption of beer or wine or alcoholic liquors by the drink for a period not to exceed twenty-four hours.

(C) The owner or designee of the motorsports entertainment complex, the tennis specific complex, the soccer complex, performing arts and convention complex, amphitheater, or the baseball complex may designate particular areas within the complex where patrons of events who have paid an admission price to attend or guests who are attending private functions at the complex, whether or not a charge for attendance is made, may possess and consume alcoholic liquors by the drink provided at their own expense or at the expense of the sponsor of the private function.

Amend the bill further, SECTION 3, Section 61-6-2016(D), by adding an item to read:

(6) "amphitheater" means an open-air facility that is owned by a municipality and has permanent seating of at least four hundred people.

Amend the bill further, by adding appropriately numbered SECTIONS to read:

SECTION X. Article 5, Chapter 4, Title 61 of the S.C. Code is amended by adding:

Section 61-4-523. (A) Notwithstanding any other provision of law, the sale of beer and wine at collegiate sporting venues pursuant to Section 61-4-520 is prohibited unless the holder of the permit:

(4) prohibits sales of beer and wine in student sections with designated concession areas; and

(5) prohibits sales of beer and wine to customers presenting

vertical identification cards.

(B) The department shall consider these preventative measures and other factors described in Section 61-4-590(C) when assessing administrative penalties in the event violations of this chapter occur and may reduce any administrative penalty when the department finds the permit holder acted in good faith to prevent a violation.

SECTION X. Section 61-4-590 of the S.C. Code is amended by adding:

(C) In administering the provisions of this section, the department shall develop and implement an alternate revenue and penalty structure for collegiate sporting venues which recognizes the unique characteristics of such venues including, but not limited to, the number of sales locations within the collegiate sporting venue, sales volume and number of patrons served per event held at such collegiate sporting venue, number of sales personnel necessary to staff sales locations within the collegiate sporting venue, and frequency of events held at such collegiate sporting venue during which sales of beer and wine occur. The department shall develop and implement the alternative revenue procedure and penalty structure for collegiate sporting venues not later than August 31, 2025. The department shall determine the seating capacity necessary for a collegiate sporting venue to be subject to the alternate revenue procedure and penalty structure.

(A) In addition to all other requirements, a person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, is required to maintain a liquor liability insurance policy or a general liability insurance policy with a liquor liability endorsement ~~for a total coverage~~with an annual aggregate limit of at least one million dollars during the period of the biennial permit or license, unless the person licensed or permitted to sell alcoholic beverages qualifies under the terms of a liquor liability risk mitigation program pursuant to subsection (E). Failure to maintain this coverage during the period of the biennial permit or license constitutes grounds for suspension or revocation of the permit or license and is sufficient grounds for the department to seek an emergency revocation order as provided in Sections 12-60-1340 and 1-23-370(c). An insurance policy issued pursuant to this section must provide for minimum coverage of at least fifty percent of the total aggregate limit, per occurrence, given rise to the claim.

(B) The department shall add this requirement to all applications and renewals for biennial permits or licenses to sell alcoholic beverages for on-premises consumption, in which the permittees and licensees remain open and sell alcoholic beverages for on-premises consumption after five o'clock p.m. Each applicant or person renewing its license or permit, to whom this requirement applies, shall provide the department with documentation of a liquor liability insurance policy or a general liability insurance policy with a liquor liability endorsement in the required amounts.

(D) For the purposes of this section, the term "alcoholic beverages" means beer, wine, alcoholic liquors, and alcoholic liquor by the drink as defined in Chapter 4, Title 61, and Chapter 6, Title 61.

(E) A person licensed or permitted to sell alcoholic beverages for

(1) stop serving alcohol by twelve o'clock a.m. A person meeting the requirements of this item may reduce the required annual aggregate limit by one hundred thousand dollars, and an additional one hundred thousand dollars for each hour earlier until six o'clock p.m.;

(2) complete an alcohol server training course pursuant to Title 61, Chapter 3;

(3) have less than forty percent of its total sales deriving from alcohol sales; or

(5) A person meeting the requirement of item (2) or (3) may reduce the required annual aggregate limit by one hundred thousand dollars each. An entity meeting the requirements of item (4) may reduce the annual aggregate limit by five hundred thousand dollars. A person complying with any combination of items (1)-(4) must receive the permitted reduction in the required annual aggregate limit for each item the entity complies with provided a person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, must at all times maintain coverage with an annual aggregate limit of at least two hundred fifty thousand dollars during the period of the biennial permit or license.

(6) Insurers must establish liquor liability mitigation measures and offer premium discounts for compliance therewith that reduce the risk to the general public associated with the service of on-premises consumption of alcohol.

(F) For purposes of this section, the calculation of total sales shall include sales of alcohol sold for on-premises consumption and all food and nonalcoholic beverages sold on the premises where the alcohol is sold, including food and nonalcoholic beverages sold by third-party vendors.

Section 61-3-110. If a permittee or licensee functions or is employed as an alcohol server or manager on the permitted or licensed premises, then the permittee or licensee must also complete training on responsible alcohol server training and obtain an alcohol server certificate pursuant to the provisions of this chapter. An alcohol server shall not consume alcohol or be mentally or physically impaired by alcohol, drugs, or controlled substances while serving alcohol.

(B) Each permittee or licensee shall maintain at all times on its permitted or licensed premises copies of the alcohol server certificates of the permittee or licensee, if applicable, and the alcohol server certificates of each manager and each alcohol server then employed by the permittee or licensee. Copies of the alcohol server certificate must be made available, upon request, to the department, the division, or the agents and employees of each. For the purposes of enforcement of the provisions of this chapter, a permittee or licensee must also make available to the department or the division, when requested, the hire date of an alcohol server.

(C) Failure to produce a copy of an alcohol server certificate when an alcohol server has been employed for sixty calendar days subjects the permittee or licensee to noncompliance with Section 61-2-145(E).

Section 61-3-120. (A)(1) The department, in collaboration with DAODAS and the division, is authorized to approve alcohol server training programs, based on best-evidence practice standards, offered by providers. A provider may appeal denial pursuant to Section 61-2-260 and the South Carolina Administrative Procedures Act.

(2) A provider must provide alcohol server training programs to all applicable individuals free of charge.

(B) The curricula of each program must include the following subjects:

(7) methods of identifying and refusing to serve or sell alcoholic beverages to individuals under twenty-one years of age and intoxicated individuals;

(8) methods for properly and effectively checking the identification of an individual, for identifying illegal identification, and for handling situations involving individuals who have provided illegal identification;

(9) South Carolina law enforcement information; and

(10) other topics related to alcohol server education and training designated by the department, in collaboration with DAODAS and the division, to be included.

(C) The department shall approve only online-designed training programs that meet each of the following criteria:

(1) a program must cover the content specified in subsection (B);

(2) the content in a program must clearly identify and focus on the knowledge, skills, and abilities needed to responsibly serve alcoholic beverages and must be developed using best practices in instructional design and exam development to ensure that the program is fair and legally defensible;

(3) a program shall be offered online;

(4) online training must be at least four hours, be available in English and Spanish, and include a test;

(5) online or computer-based training programs must use linear navigation that requires the completion of a module before the course proceeds to the next module, with no content omitted; be interactive; have audio for content; and include a test;

(6) training and testing must be conducted online. All tests must be monitored by an online proctor. A passing grade for a test, as provided by the program, is required; and

(7) training certificates are issued by the provider only after training is complete and a test has been passed successfully.

Within ten business days after a training is completed, each provider must give to the department a report of all individuals who have successfully completed the training and testing. The provider must also maintain these records for at least five years following the end of the training program for purposes of verifying certification validity by the department or the division.

(D) The department, in collaboration with DAODAS and the division, may suspend or revoke the authorization of a provider that the department determines has violated the provisions of this chapter. If a provider's authorization is suspended or revoked, then that provider must cease operations in this State immediately and refund any money paid to it by individuals enrolled in that provider's program at the time of the suspension or revocation.

Section 61-3-130. (A) The provider of a program that is authorized by the department must pay a fee, in an amount to be determined by the department, not to exceed five hundred dollars per year, renewable each year. State agency providers are exempt from payment. Each fee shall be deposited into the Responsible Alcohol Server Training Fund to assist with the costs associated with implementation and enforcement of the provisions of this chapter.

(B) The Responsible Alcohol Server Training Fund is a revolving fund, and no funds deposited therein shall revert to the general fund of the state treasury.

(C) On or before the second Tuesday of each year, the department, with the assistance of the division, must make a report of all income and expenditures made from the Responsible Alcohol Server Training Fund as of December thirty-first of the previous year. A copy of the report shall be given to the Governor, the Speaker of the House of Representatives, and the President of the Senate; posted on the websites of the department and the division; and recorded in the journals of each

Section 61-3-140. (A)(1) The department must issue an alcohol server certificate to each applicant who completes an approved program or a recertification program and who provides other information as may be required by the department in an application form that is available on the department's website. A person must apply for an alcohol server certificate within six months of completing a program. The department, if circumstances warrant the issuance of a temporary alcohol server certificate, may issue a temporary alcohol server certificate that is valid for a period of no more than thirty calendar days.

(2) The department, in collaboration with DAODAS and the division, may issue an alcohol server certificate to an individual from outside of the State who applies for an alcohol server certificate if the individual has an alcohol server certificate from a nationally recognized or comparable, state-recognized alcohol server certification program that the department, DAODAS, and the division find meets or exceeds the programs offered in this State.

(B) Alcohol server certificates shall not be issued to graduates of programs that are not approved by the department.

(C) An alcohol server certificate is the property of the individual to whom it is issued and is transferrable among employers.

(D) Alcohol server certificates are valid for a period of five years from the date that the alcohol server certificate was issued. After the five-year period, a new or recertified alcohol server certificate must be obtained pursuant to the provisions of this chapter.

(E) Upon expiration of an alcohol server certificate, the individual to whom the alcohol server certificate was issued may obtain recertification in accordance with regulations promulgated by the department and approved by the General Assembly.

(F) The department must issue and renew alcohol server certificates for all qualifying applicants free of charge.

(G) An applicant must be deemed to be a qualifying applicant for the purpose of alcohol server certificate issuance and renewal if they have successfully completed all training and testing requirements as found in Section 61-3-120.

The department is responsible for bringing administrative actions for violations of the provisions of this chapter or related regulations, and those actions shall proceed according to the provisions of Section 61-2-260 and the South Carolina Administrative Procedures Act.

However, in lieu of the thirty-day imprisonment, the court may provide for forty-eight hours of public service employment. Within ten business days after a training is completed, each provider must give to the department a report of all individuals who have successfully completed the training and testing. The provider must also maintain these records for at least five years following the end of the training program for purposes of verifying certification validity by the department or the division.

(D) The department, in collaboration with DAODAS and the division, may suspend or revoke the authorization of a provider that the department determines has violated the provisions of this chapter. If a provider's authorization is suspended or revoked, then that provider must cease operations in this State immediately and refund any money paid to it by individuals enrolled in that provider's program at the time of the suspension or revocation.

Section 61-3-130. (A) The provider of a program that is authorized by the department must pay a fee, in an amount to be determined by the department, not to exceed five hundred dollars per year, renewable each year. A copy of the report shall be given to the Governor, the Speaker of the House of Representatives, and the President of the Senate; posted on the websites of the department and the division; and recorded in the journals of each body of the General Assembly at the beginning of each legislative year.

Section 61-3-140. (A)(1) The department must issue an alcohol server certificate to each applicant who completes an approved program or a recertification program and who provides other information as may be required by the department in an application form that is available on the department's website. A person must apply for an alcohol server certificate within six months of completing a program. The department, if circumstances warrant the issuance of a temporary alcohol server certificate, may issue a temporary alcohol server certificate that is valid for a period of no more than thirty calendar days.

(2) The department, in collaboration with DAODAS and the division, may issue an alcohol server certificate to an individual from outside of the State who applies for an alcohol server certificate if the individual has an alcohol server certificate from a nationally recognized or comparable, state-recognized alcohol server certification program that the department, DAODAS, and the division find meets or exceeds the programs offered in this State.

(B) Alcohol server certificates shall not be issued to graduates of programs that are not approved by the department.

(C) An alcohol server certificate is the property of the individual to whom it is issued and is transferrable among employers.

Section 61-3-160. The division and the department are responsible for enforcement of the provisions of this chapter. The department is responsible for bringing administrative actions for violations of the provisions of this chapter or related regulations, and those actions shall proceed according to the provisions of Section 61-2-260 and the South Carolina Administrative Procedures Act.

However, in lieu of the thirty-day imprisonment, the court may provide for forty-eight hours of public service employment.
