SECTION X. Section 61-2-60 of the S.C. Code is amended by adding:

(9) regulations governing the development, implementation, education, and enforcement of responsible alcohol server training positions.

SECTION X. Section 61-2-145 of the S.C. Code is amended to read:

Section 61-2-145. (A) In addition to all other requirements, a person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, is required to maintain a liquor liability insurance policy or a general liability insurance policy with a liquor liability endorsement ~~for a total coverage~~with an annual aggregate limit of at least one million dollars during the period of the biennial permit or license, unless the person licensed or permitted to sell alcoholic beverages qualifies under the terms of a liquor liability risk mitigation program pursuant to subsection (E). Failure to maintain this coverage during the period of the biennial permit or license constitutes grounds for suspension or revocation of the permit or license and is sufficient grounds for the department to seek an emergency revocation order as provided in Sections 12-60-1340 and 1-23-370(c). An insurance policy issued pursuant to this section must provide for minimum coverage of at least fifty percent of the total aggregate limit, per occurrence, given rise to the claim.

(B) The department shall add this requirement to all applications and renewals for biennial permits or licenses to sell alcoholic beverages for on-premises consumption, in which the permittees and licensees remain open and sell alcoholic beverages for on-premises consumption after five o'clock p.m. Each applicant or person renewing its license or permit, to whom this requirement applies, shall provide the department with documentation of a liquor liability insurance policy or a general liability insurance policy with a liquor liability endorsement in the required amounts.

(C) Each insurer writing liquor liability insurance policies or general liability insurance policies with a liquor liability endorsement to a person licensed or permitted to sell alcoholic beverages for on-premises consumption, in which the person so licensed or permitted remains open to sell alcoholic beverages for on-premises consumption after five o'clock p.m., must notify the department in a manner prescribed by department regulation of the lapse or termination of the liquor liability insurance policy or the general liability insurance policy

with a liquor liability endorsement within thirty days of the lapse or termination.

(D) For the purposes of this section, the term "alcoholic beverages" means beer, wine, alcoholic liquors, and alcoholic liquor by the drink as defined in Chapter 4, Title 61, and Chapter 6, Title 61.

(E) A person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, may qualify for liquor liability risk mitigation. A person qualifies if the person and the entity for which the person obtained the license or permit:

(1) stop serving alcohol by twelve o'clock a.m. A person meeting the requirements of this item may reduce the required annual aggregate limit by one hundred thousand dollars, and an additional one hundred thousand dollars for each hour earlier until six o'clock p.m.;

(2) complete an alcohol server training course pursuant to Title 61, Chapter 3;

(3) have less than forty percent of its total sales deriving from alcohol sales; or

(4) are a nonprofit organization which is exempt from taxation pursuant to Section 501(c) of Title 26 of United States Code, as amended, or the entity is engaging in a single event for which a Beer and Wine Special Event License or Liquor Special Event Permit is obtained.

(5) A person meeting the requirement of item (2) or (3) may reduce the required annual aggregate limit by one hundred thousand dollars each. An entity meeting the requirements of item (4) may reduce the annual aggregate limit by five hundred thousand dollars. A person complying with any combination of items (1)-(4) must receive the permitted reduction in the required annual aggregate limit for each item the entity complies with provided a person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, must at all times maintain coverage with an annual aggregate limit of at least two hundred fifty thousand dollars during the period of the biennial permit or license.

(6) Insurers must establish liquor liability mitigation measures and offer premium discounts for compliance therewith that reduce the risk to the general public associated with the service of on-premises consumption of alcohol.

(F) For purposes of this section, the calculation of total sales shall include sales of alcohol sold for on-premises consumption and all food and nonalcoholic beverages sold on the premises where the alcohol is

sold, including food and nonalcoholic beverages sold by third-party vendors.

SECTION X. Title 61 of the S.C. Code is amended by adding:

with the assistance of the division, must make a report of all income and expenditures made from the Responsible Alcohol Server Training Fund as of December thirty-first of the previous year. A copy of the report shall be given to the Governor, the Speaker of the House of Representatives, and the President of the Senate; posted on the websites of the department and the division; and recorded in the journals of each body of the General Assembly at the beginning of each legislative year.

Section 61-3-140. (A)(1) The department must issue an alcohol server certificate to each applicant who completes an approved program or a recertification program and who provides other information as may be required by the department in an application form that is available on the department's website. A person must apply for an alcohol server certificate within six months of completing a program. The department, if circumstances warrant the issuance of a temporary alcohol server certificate, may issue a temporary alcohol server certificate that is valid for a period of no more than thirty calendar days.

(2) The department, in collaboration with DAODAS and the division, may issue an alcohol server certificate to an individual from outside of the State who applies for an alcohol server certificate if the individual has an alcohol server certificate from a nationally recognized or comparable, state-recognized alcohol server certification program that the department, DAODAS, and the division find meets or exceeds the programs offered in this State.

However, in lieu of the thirty-day imprisonment, the court may provide for forty-eight hours of public service employment. The public service employment must be served at a time when the person

However, in lieu of the thirty-day imprisonment, the court may provide for forty-eight hours of public service employment. The public service employment must be served at a time when the person is not working and does not interfere with his regular employment under terms and conditions the court considers proper. Notwithstanding the provisions of Sections 23-3-540, 22-3-550, and 14-25-65, this additional sentence may be imposed by the magistrate or municipal court for any offense for which the court would otherwise have jurisdiction.

(H) A person convicted of violating this section, whether for a first offense or subsequent offense, must enroll in and successfully complete an Alcohol and Drug Safety Action Program certified by the Department of Alcohol and Other Drug Abuse Services and participate and complete a DUI victim impact panel operated by an IRS-classified 501(c)(3) nonprofit organization which may include online victim impact panels. The maximum fee for enrollment in the DUI victim impact panel shall not exceed seventy-five dollars. An assessment of the extent and nature of the alcohol and drug abuse problem of the applicant must be prepared and a plan of education or treatment, or both, must be developed for the applicant. The Alcohol and Drug Safety Action Program shall determine if the applicant successfully has completed the services. The applicant must attend the first Alcohol and Drug Safety Action Program available after the date of enrollment. The Department of Alcohol and Other Drug Abuse Services shall determine the cost of services provided by each certified Alcohol and Drug Safety Action Program. Amend the bill, as and if amended, by striking all after the enacting words and inserting:

SECTION 1. Title 38 of the S.C. Code is amended by adding:

CHAPTER 105

Wellness Reimbursement Programs

Section 38-105-10. As used in this chapter:

(1) “Broker” means an independent health insurance agent licensed in this State.

(2) "Director" means the director of the Department of Insurance or his designee.

(3) "Person" means a natural person, corporation, mutual company, unincorporated association, partnership, joint venture, limited liability company, trust, estate, foundation, not-for-profit corporation, unincorporated organization, government, or governmental subdivision or agency.

(4) "Wellness reimbursement program" means a self-insured medical reimbursement plan or a wellness and integrated medical plan expense reimbursement plan:

(a) that is created pursuant to 26 C.F.R. 1.105-11 and Sections 105 and 125 of the Internal Revenue Code;

(b) that has issued a contract to provide services and pay claims pertaining to reimbursements of qualified medical expenses relating to Section 213(d) of the Internal Revenue Code; and

(c) that is intended, created, marketed, and sold as an ancillary product to an individual or group health insurance coverage or self-insured group health plan.

"Wellness Reimbursement program" does not include any underlying individual or group health insurance coverage or a self-insured group health plan.

(5) "Wellness reimbursement program administrator" means any person who manages the operation of a wellness reimbursement program.

Section 38-105-20. (A) No wellness reimbursement program administrator may sell, offer, market, promote, or operate a wellness reimbursement program without first being licensed by the director.

(B) Application for a license must be on forms prescribed by the director and must be accompanied by an initial license fee of five thousand dollars, annual financial statements or reports for the two preceding calendar years, and any other documents that the director may require to ensure that the wellness reimbursement program administrator meets the requirements for licensure set forth in this chapter. Thereafter, an application fee for a renewal offering must be five hundred dollars. These fees must be retained by the director to offset the costs of processing and maintaining the registration of wellness reimbursement programs required by the chapter.

(C) In addition to the documents required under subsection (B), a wellness reimbursement program administrator must submit a letter or document from the Internal Revenue Service or the U.S. Department of Labor approving of the specific wellness reimbursement program in

question.

(D) A wellness reimbursement program administrator must make and keep a full and correct record of its business and affairs and the director shall inspect these records at least every three years. The information from these records must be furnished to the director on demand and the original books or records must be open to examination by the director when demanded. The cost of the examination must be borne by the wellness reimbursement program administrator.

(E) A wellness reimbursement program administrator must file and maintain with the director a surety bond in favor of the State executed by a surety company authorized to transact business in this State. The director may set the requirements of such surety bond as necessary.

(F) Before granting any license, the director or his designee must be satisfied that the wellness reimbursement program administrator is competent, trustworthy, financially responsible, has a good personal and business reputation, has not had an insurance license revoked, suspended, or denied in any jurisdiction within the preceding five years, and has not been convicted of a crime involving fraud, dishonesty, or moral turpitude in any jurisdiction. For purposes of this section, "convicted" includes a plea of guilty or a plea of nolo contendere.

(G) The director may revoke or suspend any license issued to a wellness reimbursement program administrator when he finds that any condition exists which would have prohibited issuance of the original license, that the wellness reimbursement program administrator has violated any provision of this chapter, or that the wellness reimbursement program administrator has deceived or dealt unjustly with the citizens of this State. In lieu of revocation or suspension of license, the director may impose an administrative monetary penalty not to exceed one thousand dollars for each offense.

(H) Any wellness reimbursement program administrator who fails to obtain a license is guilty of a misdemeanor and, upon conviction, must be fined not more than twenty thousand dollars or imprisoned for not more than two years, or both, and is subject to revocation of any licenses issued by the director. Any fine revenue received may be retained by the director to offset the expenses of enforcing this chapter.

Section 38-105-30. (A) A wellness reimbursement program administrator must attest to the director and to the employer or employee that the wellness reimbursement program complies with all federal and state laws.

(B) A wellness reimbursement program administrator must not cause or knowingly permit the use of any advertisement, promotion,

solicitation, representation, proposal, or offer that is untrue, deceptive, or misleading.

(C) In the event the wellness reimbursement program results in a taxable event for either the employer or the employee associated with the wellness reimbursement program, the wellness reimbursement program administrator must defend the employer and its employees against any and all claims or suit that arises out of or by virtue of the wellness reimbursement program and must indemnify the employer and its employees for a loss or judgment incurred by them as a result of the claim or suit.

Section 38-105-40. (A) A broker is not required to register as a wellness reimbursement program administrator to acquire commissions paid by such company.

(B) A broker is not an employee of the wellness reimbursement program administrator and is only necessary to facilitate the partnership of the wellness reimbursement program administrator and the respective employee group enrolling in the wellness reimbursement program being that the services of the wellness reimbursement program are not straight-to-market services.

(C) Notwithstanding subsections (A) and (B), a broker must not cause or knowingly permit the use of any advertisement, promotion, solicitation, representation, proposal, or offer that is untrue, deceptive, or misleading.

(D) A broker must exercise good faith and fair dealing to a person when offering, selling, marketing, or promoting a wellness reimbursement program.

Section 38-105-50. (A) The director shall enforce this chapter.

(B) A person who violates any part of this chapter must be fined not more than twenty thousand dollars or imprisoned for not more than two years, or both, for each violation, and is subject to revocation of any license issued by the director. Any fine revenue received may be retained by the director to offset the expenses of enforcing this chapter.

(C) The director may promulgate rules and regulations as it deems necessary to implement this
chapter.

Section 38-105-60. Nothing in this chapter applies to any health or wellness programs or activities offered by an individual or group health coverage or self-insured group health plan to its enrollees.

SECTION 2. Every three years after the effective date of this act, the Department of Insurance shall prepare a report, to be filed with the House Labor, Commerce, and Industry Committee, the Senate Banking

and Insurance Committee, and the General Assembly, addressing the implementation of Section 38-105-10, et. Seq., as it relates to the requirements for the programs outlined in this chapter, and any other information requested by the General Assembly to be included within the report.

SECTION 3. If any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this act is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of the remaining portions of this act, the General Assembly hereby declaring that it would have passed this act, and each and every section, subsection, paragraph, subparagraph, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more other sections, subsections, paragraphs, subparagraphs, sentences, clauses, phrases, or words hereof may be declared to be unconstitutional, invalid, or otherwise ineffective.

Rep. ERICKSON explained the Senate Amendments.

On motion of Rep. BRADLEY, with unanimous consent, the remarks of Rep. ERICKSON were ordered printed in the Journal.

REMARKS BY REPRESENTATIVE ERICKSON

Mr. Speaker:

Providing parents with more options for educating their children is in the best interest of students, parents, and the State of South Carolina.

Every child has unique educational needs, and those needs are often best served in settings other than a child’s zoned public school.

Parents are the first and most important educators for their children, and can responsibly exercise decision-making power over which educational setting best fits their child's unique needs.

South Carolina has long embraced school choice in other areas, including higher education and early childhood education.

Senate Bill 62 is modeled on existing school choice programs, including Higher Education Tuition Grants, the South Carolina Education Lottery Act, and the Child Early Reading Development and Education Program in the South Carolina Read to Succeed Act.

The General Assembly has carefully and respectfully crafted this Act to comply with the South Carolina Supreme Court's interpretation of Article XI, Section 4 of the South Carolina Constitution in Eidson v. S.C. Department of Education and specifically finds that Chief Justice Kittredge's description of the Education Scholarship Trust Fund program represents how the program created by this act is structured.

This Bill has intentionally selected a trust mechanism to effectuate the aims of this Act in a way that is structurally akin to other statutory legal trusts that, like this one, involve a trustee holding and administering funds that, when placed and held in that fund are not funds of the State but, instead, are equitably owned by the beneficial owners who are the trust beneficiaries (here, the scholarship recipients), and in which the funds cannot revert to the grantor for general discretionary use; and

The Education Scholarship Trust Fund is not like some other trust funds set out in state law where the trust concept only designates the funds as segregated accounts within the state treasury, but, instead, the General Assembly intends that the Trust Fund operate as a legally enforceable trust like the South Carolina Retirement System.

Based on the South Carolina Supreme Court's decision in Hartness v. Patterson, and the subsequent constitutional amendment that adopted Article XI, Section 4, the funds deposited in the South Carolina Education Scholarship Trust Fund cease to be public funds upon that deposit and any benefit conferred on any religious or other private educational institution is indirect only.

The scholarships provide educational services that directly benefit school-aged children and where the funds go stems immediately from the parent's decision.

Mr. Speaker, I move to concur with the Senate amendments to Senate Bill 62.

Rep. GATCH proposed the following Amendment No. 1A to H. 3309 (LC-3309.HA0110H), which was adopted:

Amend the bill, as and if amended, by deleting SECTION 6.

Amend the bill further, by deleting SECTION 11.

Amend the bill further, SECTION 14, by striking Section 58-37-70(C)(1) and inserting:

(C)(1) Electrical utilities and the South Carolina Public Service Authority ~~shall~~may evaluate the potential for deploying small modular nuclear facilities at suitable sites within this State. A “suitable site” may include sites of current nuclear facilities, sites where nuclear facilities

have been proposed but not constructed, and brownfield sites, such as coal generation sites.

Amend the bill further, SECTION 15.A., by striking Section 58-37-120(A)(1) and inserting:

Section 58-37-120. (A)(1) Any agency presented with an application for a permit for an energy infrastructure project shall promptly provide a public comment period if required by regulation and shall review and issue a decision on the application no later than six months after the date the application is received by the agency. If the agency fails to undertake review of and take final action upon the application within the six-month review period, as defined in subsection (A)(3), the application shall be deemed approved, and the agency shall promptly issue documentation of such approval.

Amend the bill further, SECTION 15.A., by striking Section 58-37-120(D) and (E) and inserting:

(D) Upon receipt of an application, the agency shall promptly review it for sufficiency and shall provide the applicant with a list of all technical and administrative deficiencies within thirty days of receipt, or if a public comment period is required, fifteen days from the end of the comment period. The identification by the agency of deficiencies in the application shall not toll the six-month period for agency determination.

~~(E) No later than sixty days prior to filing any permit applications under this section, a public utility that plans to construct or has entered into agreements to construct any energy infrastructure project which may result in the use of eminent domain must provide written notice, via certified U.S. mail, to any property owners whose properties may be acquired or condemned. This notice must clearly state the need for the project, its preferred and any alternative locations or routes, a phone number or email that property owners may contact at the utility, and an appropriate contact at the Office of Regulatory Staff. No later than thirty days after filing an application, the utility must also hold a public meeting to solicit feedback from interested members of the affected community and on the date an application is filed, must provide notice of said meeting in a newspaper or other publication of general circulation in each county where the project may be located and in writing to all landowners whose property may be condemned.~~

Amend the bill further, SECTION 20, by striking Section 58-42-10(F)(3) and inserting:

(3) the expiration of any existing contracts ~~for~~ with qualifying facilities pursuant to the Public Utility Regulatory ~~Practices~~ Policies Act.

Amend the bill further, SECTION 23, by striking Section 58-37-

40(C)(2) and inserting:

(2) The commission shall approve an electrical utility's or the Public Service Authority's integrated resource plan if the commission determines that the proposed integrated resource plan represents the most reasonable and prudent means of meeting the electrical utility's or the Public Service Authority's energy and capacity needs as of the time the plan is reviewed. ~~To determine whether the integrated resource plan is the most reasonable and prudent means of meeting energy and capacity needs, the commission, in its discretion, shall consider whether the plan appropriately balances the following factors:~~In reviewing an integrated resource plan, the commission shall give due consideration as to the resources and actions necessary for the utility to fulfill compliance and reliability obligations pursuant to the Federal Energy Regulatory Commission, the North American Electric Reliability Corporation, the ~~Southeastern Electric~~ SERC Reliability ~~Council~~ Corporation, and the Nuclear Regulatory Commission requirements, as well as environmental requirements applicable to resources serving customers in this state. Matters related to the scope and sufficiency of an electrical utility's demand-side plans and activities shall be considered exclusively in proceedings conducted pursuant to Section 58-37-20. In reviewing an integrated resource plan, the commission shall focus its review on the decisions which the applicant must make in the near term based on the triennial integrated resource plan under consideration at the time and shall approve a plan if it finds that the plan appropriately balances the following factors:

(a) resource adequacy and capacity to serve anticipated peak electrical load, including the need for electric capacity and energy required to support economic development and industry retention in the electrical utility's or the Public Service Authority's service territory and to meet applicable planning reserve margins;

(b) consumer affordability and least reasonable cost considering the resources needed to support economic development and industry retention, and other risks and benefits;

(c) compliance with applicable state and federal environmental regulations;

(d) power supply reliability;

(e) commodity price risks;

(f) diversity of generation supply; ~~and~~

(g) the efficiencies and optimum plans for any electrical utility system spanning state lines located within the electrical utility's or the Public Service Authority's balancing authority area; and

(h) other foreseeable conditions that the commission determines to be for the public's interest.

Amend the bill further, SECTION 29, by striking Section 58-37-20(B) and (C) and inserting:

(B) The commission ~~shall~~may approve any program filed by a public utility if the program is found to be cost-effective. Furthermore, the commission may, in its discretion, approve ~~demand-side management pilot programs and~~ any program filed by a public utility that is not cost-effective, so long as the proposed demand-side management program is targeted to low-income customers, ~~and~~provided that the public utility's portfolio of demand-side management programs is cost-effective as a whole.

(C) The South Carolina Public Service Commission ~~may~~must adopt procedures that ~~encourage~~require electrical utilities and public utilities providing gas services subject to the jurisdiction of the commission to plan for and invest in all reasonable, prudent, and available energy efficiency and demand-side resources that are cost-effective energy efficient technologies and energy conservation programs ~~that achieve net energy savings of at least 0.66 percent of total retail sales as of May 15, 2027, or a higher level as~~in an amount to be determined by the commission. ~~Energy efficiency shall be considered a component of the requirement for a utility to make every reasonable effort to minimize fuel costs as outlined in Section 58-27-865(F) and the commission may grant a proportional disallowance based on evidence in record.~~ If an electrical utility fails to meet the requirements of this section as determined by the commission, the commission is authorized to appoint a third-party administrator to carry out the residential low-income energy efficiency duties pursuant to this section on behalf of the electrical utility if the commission determines that having such a third-party administrator is in the public interest and consistent with law. ~~Such a program shall be funded through the existing energy efficiency rider mechanism, with those funds transferred to the third-party administrator.~~ Upon notice and hearings that the commission may require, the commission may issue rules, regulations, or orders pursuant to this chapter to implement applicable programs and measures under this section. If adopted, these procedures must: provide incentives and cost recovery for energy suppliers and distributors who invest in energy supply and end-use technologies that are cost-effective, environmentally acceptable, and reduce energy consumption or system or local coincident peak demand; allow energy suppliers and distributors to recover costs and obtain a reasonable rate of return on their investment in qualified demand-side

management programs sufficient to make these programs at least as financially attractive as construction of new generating facilities; require the Public Service Commission to establish rates and charges that ensure that the net income of an electrical or gas utility regulated by the commission after implementation of specific cost-effective energy conservation measures is at least as high as the net income would have been if the energy conservation measures had not been implemented. ~~For purposes of this section only, the term "demand-side activity" means a program conducted by an electrical utility or public utility providing gas services for the reduction or more efficient use of energy requirements of the utility or its customers including, but not limited to, utility transmission and distribution system efficiency, customer conservation and efficiency, load management, cogeneration, and renewable energy technologies.~~

Amend the bill further, by deleting SECTIONS 43, 44.A, 44.B, and 44.C.

Amend the bill further, by adding an appropriately numbered SECTION to read:

SECTION X. Section 58-4-50(A)(9) of the S.C. Code is amended to read:

(A)(9) to serve as a facilitator or otherwise act directly or indirectly to resolve disputes and issues involving matters within the jurisdiction of the commission. In accordance with the mission of the Office of Regulatory Staff as provided for in Section 58-4-10 and in the context of settlement negotiations, the Office of Regulatory Staff shall consider any applicable requirements set out for the Public Service Commission pursuant to Section 58-3-140;

The House assembled at 10:00 a.m.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk Jr. as follows:

Our thought for today is from Micah 5:4: "He shall stand and feed his flock in the strength of the Lord."

Let us pray. Shepherding God, keep watch over Your children and draw us into Your love. Protect these men and women who strive to do the work for the people. Protect them, guide them, feed them, and watch over them. We thank You for Your promise of never failing us. Continue watching over us and protecting us as we go into the weekend. Bless them as they rest and prepare for another week of duty. Bless our Nation, President, State, Governor, Speaker, Staff, and all who labor in these Halls of Government. Protect our first responders and those who defend us at home and abroad. Heal the wounds, those seen and those hidden, of our women and men who suffer and sacrifice for our freedom. Lord, in Your mercy, hear our prayers. Amen.

After corrections to the Journal of the proceedings of yesterday, the SPEAKER ordered it confirmed.

~~within twenty-five miles of the border of this State;~~

~~(b) acting within the scope of the provider's license; and~~

~~(c) covered by an independent third-party payor.~~(1) "Private provider" means a provider who:

(a) renders Applied Behavior Analysis therapy or performs an evaluation or observation pursuant to such therapy, and includes:

(i) board certified behavior analysts;

(ii) board certified assistant behavior analysts;

(iii) board certified behavior analyst-doctoral; and

(iv) registered behavior technicians under the appropriate supervision of a board certified behavior analyst or board certified assistant behavior analyst;

(b) provides or seeks to provide services in a South Carolina public school;

(c) is licensed by this State and in good standing or, if state licensure is not available, is certified by and in good standing with a national certification or accreditation organization; and

(d) is not an employee of a public school district or the State Department of Education.

(2) "Medically necessary service" means services that meet the following requirements:

(a) ordered by a health care provider within the scope of the health care provider's license for the treatment or remediation of functional impairments associated with a diagnosis of autism spectrum disorder;

(b) not for experimental or investigational purposes;

(c) within the generally accepted standards of medical care in the community;

(d) not solely for the convenience or personal preference of the insured, the insured's family, or the provider; and

(e) is medically necessary during school hours in the school setting.

(3) "Third party payor" includes, but is not limited to, Medicaid, self-funded health plans, and commercial insurance.

(4) "Undue burden" has the same meaning as Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. section 793, as amended, and Title II of the Americans with Disabilities Act (ADA) of 1990, 42 U.S.C. section 12101, et seq., as amended.

(5) "Fundamental alteration" has the same meaning as Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. section 793, as amended, and Title II of the Americans with Disabilities Act (ADA) of 1990, 42

U.S.C. section 12101, et seq., as amended.

Amend the bill further, SECTION 1, Section 59-10-520, by striking the <<placeholder>> undesignated paragraph and inserting:

~~A school board may not uniformly prohibit:~~

~~(1) an evaluator from performing an evaluation of a student at a public school during school hours if the parent or legal guardian of the student requests such an evaluation from the evaluator; or~~

~~(2) a private provider or classroom aide from providing medically necessary services authorized by an independent third-party payor to a student at a public school during school hours if the parent or legal guardian of the student requests such services from the provider or aide. For purposes of this section, an independent third-party payor includes, but is not limited to, Medicaid and commercial insurance.~~Districts must consider on a case-by-case basis a request from a parent or legal guardian of a student for a private provider to provide medically necessary services authorized by an independent third-party payor to a student at a public school during school hours, including the ability of a private provider to observe or evaluate the student and the environment where services will be provided.

(1) If a parent or legal guardian of a student requests medically necessary services in excess of what the district has determined is appropriate pursuant to its obligations under the IDEA and the child's IEP and is providing to the student, the school must review the medically necessary service pursuant to an ADA analysis, which would allow a private provider to render the service as a reasonable accommodation as long as it does not impose an undue burden on or fundamental alteration to school operations as contemplated by the ADA and Section 504 of the Rehabilitation Act.

(2) The collaboration of school personnel and private providers is intended to enhance but not supplant or replace the obligations or responsibilities of districts under the IDEA.

(3) Districts may not apply or use a district's determination about its obligations in a child's IEP pursuant to the IDEA to deny or limit a student's access to medically necessary services from a private provider pursuant to the ADA.

(4) Districts may utilize existing review processes or create new ones to review a request for medically necessary services pursuant to the ADA. Requests may be reviewed by a student's IEP team or 504 committee or another group convened to review the request; however, the participants must apply the appropriate ADA standards to review a request for medically necessary services.

(5) If a parent or legal guardian requests a medically necessary service pursuant to the ADA for a student who does not currently have an IEP or 504 plan, the district must initiate the appropriate evaluation to determine if the child is entitled to services under the IDEA or Section 504 in addition to evaluating the ADA request.

Amend the bill further, SECTION 1, by striking Section 59-10-530(A) and inserting:

(A) The State Board of Education shall develop a model policy setting the parameters for ~~evaluators to perform evaluations and for private providers and classroom aides~~private providers to observe and evaluate a student or to provide medically necessary services during the school day, including during instructional time, in compliance with this chapter.~~:~~

~~(1) the Individuals with Disabilities Education Act (IDEA), 20 U.S.C. Section 1400, et seq.;~~

~~(2) Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. Section 701; and~~

~~(3) the Americans with Disabilities Act (ADA) of 1990, 42 U.S.C. Section 12101.~~

Amend the bill further, SECTION 1, by striking Section 59-10-530(B)(2), (3), (4), (5), (6), (7), and (8) and inserting:

(2) ~~clarify the types of evaluators and private providers covered by the model policy~~set forth a process for evaluating a request for medically necessary, disability-based services and supports pursuant to the ADA, which is a separate determination not limited to or determined by what is necessary for a Free and Appropriate Public Education (FAPE) under the IDEA or Section 504;

(3) ~~require evaluators, private providers, and classroom aides to complete and pay for a criminal background check conducted by SLED unless such background check is already required for licensure as a private provider or evaluator~~require private providers to submit documentation of completed background to checks to the district prior to entering a school building;

(4) determine the appropriate amount of ~~general~~professional liability insurance coverage for ~~evaluators,~~ private providers~~, and classroom aides~~ and require them to maintain ~~general~~ professional liability insurance coverage;

(5) allow for services to be provided during instructional time if:~~in English/language arts, mathematics, or science if the school district and the private provider agree that doing so is in the best interest of the student~~

(a) the team, committee, or group convened to review the ADA request determines those services appropriate at that time; and

(b) services can be provided in a manner that does not interfere with the delivery of instruction to other students or otherwise prevent a classroom teacher from effectively managing and implementing classroom policies and procedures;

~~(6) require any instructional time missed due to services being provided must be forgiven and may not require the student to make up missed instruction;~~

~~(7)~~(6) require the parent or legal guardian of a student receiving a service from a private provider to execute and submit to the district:

(a) a written confirmation of the funding source for services provided by the private provider;

(b) a parent or guardian authorization for the provision of services at school during the school day; and

(c) a consent to release information form between the private provider and the school district;~~ and~~

(7) require private providers to complete a written agreement with a school district that, at minimum, outlines:

(a) the school, teacher, and district's responsibilities;

(b) the duration and type of services to be provided;

(c) that the medically necessary services do not interfere with or impede other mandated services without collaboration and agreement between the service providers;

(d) expectations and requirements related to FERPA and any other applicable state and federal law;

(e) guidelines for any missed instructional time and assignments;

(f) expectations and guidelines for providers when interacting with students other than those receiving services with a goal of minimizing such interactions to the greatest extent possible;

(g) that a private provider must not be listed on a federal, state, or other child abuse or sex offender registries or otherwise be prohibited by state law from working in a school;

(h) expectations that the private provider must follow school policies and procedures; and

(i) allocation of liability between or among the parties; and

(8) provide procedures for a school district to establish sanctions, including termination of the authorization to provide services on any school campus, against ~~an evaluator,~~ a private provider~~, or classroom aide~~ for failure to comply with the policy of the district.

Amend the bill further, SECTION 1, by striking Section 59-10-540

and inserting:

Section 59-10-540. The board shall finalize its model policy by ~~November 1, 2025~~January 6, 2026. Districts must adopt the model policy or develop their own policy that meets the minimum requirements of the model policy and is subject to department approval by ~~January~~July 1, 2026.

H. 3813--FREE CONFERENCE REPORT ADOPTED

The General Assembly, Columbia, S.C., May 5, 2025

The COMMITTEE OF FREE CONFERENCE, to whom was referred:

H. 3813 -- Rep. Hixon: TO AMEND THE SOUTH CAROLINA CODE OF LAWS BY AMENDING SECTION 50-11-430, RELATING TO BEAR HUNTING, SO AS TO REMOVE REFERENCES TO A REGISTERED PARTY DOG HUNT IN GAME ZONE 1.

Beg leave to report that they have duly and carefully considered the same and recommend:

That the same do pass with the following amendments:

Amend the bill, as and if amended, by striking all after the enacting words and inserting:

SECTION 1. Section 50-11-430 of the S.C. Code is amended to read:

Section 50-11-430. (A)(1) The open season for hunting and taking bear in Game Zone 1 is as follows:

(a) for still gun hunts, October 11 through October 23 on private land and October 11 through October 16 on wildlife management areas; and

(b) for dog hunts, October 17 though October 30 on private land and on wildlife management areas. ~~A party dog hunt in Game Zone 1 may not exceed twenty-five participants per party and shall register with the department by September first. Party participants, except those not required to have licenses shall submit their hunting license number in order to register.~~

(2) In all other game zones, the General Assembly finds it in the best interest of the State to allow the taking of black bear under strictly controlled conditions and circumstances. The department may establish a bear management program that allows for hunting and selective removal of bear in order to provide for the sound management of the animals and to ensure the continued viability of the species. The department must promulgate regulations to set the conditions for taking, including methods of take, areas, times, limits, and seasons, and other

conditions to properly control the harvest of bear.
appropriate quota of bear to be harvested in each game zone, or county within a game zone, and shall further promulgate regulations necessary to properly control the harvest of bear. The department may close an open season at any time, provided that the department gives at least twenty-four hours' notice to the public of the closure. (C) In Game Zones 2, 3, and 4 where the department declares an open season for hunting and taking bears on wildlife management areas, and all other areas under the ownership, control, or lease of the department, the season will be set by the department. The department may close an open season at any time, provided that the department gives at least twenty-four hours' notice to the public of the closure.

(D) Any bear taken must be tagged with a valid bear tag and reported by midnight of the day of the harvest to the department as prescribed. The tag must be attached to the bear as prescribed by the department before being moved from the point of kill.

(E) It is unlawful to:

(1) hunt, take, or attempt to take a bear except during the open season;

(2) possess an untagged bear;

(3) take more than one bear per person during all seasons. In Game Zone 1 ~~a registered party dog hunt may take up to five bear per season per party;~~ a person who has taken a bear during the season may participate in a ~~registered~~ dog hunt as long as the hunting license shows the bear tag endorsement, but the person may not take another bear;

(4) take or attempt to take a sow bear with cubs;

(5) possess or transport a freshly killed bear or bear part except during the open season for hunting and taking bear. This prohibition does not apply to bear lawfully taken in other jurisdictions. The department may issue a special permit for possession or transportation of a freshly killed bear or bear part outside of the season;

(6) possess a captive bear except pursuant to a permit issued by the department. A violation of the terms of the permit may result in revocation or a civil penalty of up to five thousand dollars, or both. An appeal must be made in accordance with the Administrative Procedures Act;

(7) pursue bear with dogs; except during the open season for hunting and taking bear with dogs;

(8) hunt or take bear by the use or aid of bait; or attempt to hunt or take bear by use or aid of bait; hunt or take bear on or over a baited area. As used in this item:

(a) "Bait" means salt or shelled, shucked, or unshucked corn, wheat or other grain, or other foodstuffs that could constitute a lure, attraction, or enticement for bear.

(b) "Baiting" or "to bait" means placing, depositing, exposing, distributing, or scattering bait.

(c) "Baited area" means an area where bait is directly or indirectly placed, exposed, deposited, distributed, or scattered, and the area remains a baited area for ten days following complete removal of all bait. Nothing in this section prohibits the hunting and taking of bear on or over lands or areas that are not otherwise baited and where:

(i) there are standing crops on the field where grown, including crops grown for wildlife management purposes; or

(ii) shelled, shucked, or unshucked corn, wheat or other grain, or seeds that have been distributed or scattered solely as the result of a normal agricultural practice as prescribed by the Clemson University Extension Service or its successor;

(9) buy, sell, barter, or exchange or attempt to buy, sell, barter, or exchange a bear or bear part;

(10) take or attempt to take a bear from a watercraft or other water conveyance or molest, take, or attempt to take a bear while the bear is swimming in a lake or river;

(11) fail to report a bear harvest in the manner provided by law.

(F)(1) Each of the acts provided for in subsection (E) is a violation of this section and is a separate offense.

(2) A person violating the provisions of this section is guilty of a misdemeanor and, upon conviction, must be fined not more than two thousand five hundred dollars or imprisoned not more than sixty days, or both. Hunting and fishing privileges of a person convicted under the provisions of this section must be suspended for three years. In addition, each person convicted of a violation of this section shall pay restitution to the department of not less than one thousand five hundred dollars for each bear or bear part that is the subject of a violation of this section. (1) "Council" means the Legislative Audit Council.

(2) "Independent third-party" means a person or entity that has no personal, familial, or business relationship, and no economic interest, that is distinct from that of the general public, in connection with the agency under review.

(i) To be qualified, a person or entity must not be affiliated with, or act on behalf of, any entity that appears before, is regulated by, or conducts business directly or indirectly with an agency selected for review.

(ii) A person or entity is disqualified from serving as the independent third party if they are regulated by the agency, conduct business with the agency, or are associated with a regulated entity in a

way that creates a continuing or frequent conflict with the duties imposed by this provision.

(3) "Economic interest" shall have the same meaning as provided in Section 8-13-100(11) of the South Carolina Ethics, Government Accountability, and Campaign Reform Act

(4) "Agency means an authority, board, branch, commission, committee, department, division, or other instrumentality of the executive or judicial departments of state government, including administrative bodies. "Agency" includes a body corporate and politic established as an instrumentality of the State.

(B) From the funds appropriated to the council, or from funds otherwise authorized by the General Assembly for this purpose, the council shall issue a Request For Procurement to engage an independent third-party to conduct operational and expenditure reviews of no fewer than two agencies to be selected at the discretion of the council.

(1) In making its determination, the council may consider relevant factors including, but not limited to, the total amount of funds appropriated to the agency, number of full-time employees or the equivalent thereof, breadth of regulatory or service responsibilities, within the State.

(2) This provision shall not be construed to allow the inclusion of entities with narrowly defined missions, limited regulatory impact, or minimal administrative infrastructure.

(C) The scope of each third-party review shall include, but not be limited to:

(1) identifying opportunities to streamline agency operations, improve internal efficiencies, reduce procurement and operational expenses, eliminate wasteful government spending, evaluate existing agency contracts for potential cost savings or restructuring, modernize government operations and reduce unnecessary bureaucracy, and achieve overall spending reductions;

(2) identifying duplicative or inefficient functions that may be consolidated within an agency, across departments of the same agency;

(3) reviewing for the adequacy and continuing relevance of regulations promulgated by the agency and identifying regulations that are inconsistent with the statute, obsolete, or expand their meaning beyond the intent of the statute;

(4) ensuring effective use of taxpayer dollars; and

(5) leveraging innovative practices that focus on transparency, accountability, and fiscal responsibility.

(D) To carry out the provisions of this item, the council is

authorized to enter into Memorandums of Understanding with the selected agencies to access and share relevant data, documents, and records with the independent third-party reviewer. The agency under review shall cooperate in good faith with requests for information made by the council, subject to applicable state and federal confidentiality and privacy laws.

(E) The council shall serve as the gatekeeper of agency data, documents, and records and is responsible for ensuring that all data, documents, and records shared with the independent third party has been reviewed and, where required by law, appropriately redacted or anonymized by the selected agencies. In facilitating access to such data, the council shall take reasonable measures to ensure the nondisclosure of any personal identifiable information, protected health information, or other confidential information, in accordance with the Family Privacy Protection Act (Section 30-2-10, et seq.), the Freedom of Information Act (Section 30-4-10, et seq.), Health Insurance Portability and Accountability Act (42 U.S.C. Section 1320, et seq.), and other applicable provisions of state and federal law.

(F) The independent third-party must enter into a data-sharing and confidentiality agreement with the council and shall not retain or disclose any confidential information obtained in the course of the review. The third party shall take reasonable security measures to prevent unauthorized access to or disclosure of data and shall return or destroy all agency information at the conclusion of the review, as required by the terms of the agreement or applicable law.

(G) The third party shall not use or disclose any confidential or internal information obtained through the agency review in a manner that would affect an economic interest held by the independent third party, a member of its personnel or executive leadership, a member of their immediate families, or any individual or business with which the independent third party is associated.

(H) The provisions of Sections 8-13-700, 8-13-705, 8-13-710, 8-13-725, and 8-13-730 shall apply to the conduct of the independent third-party as if the third party were a public official or employee.

(I) Unless otherwise authorized by law, the third party shall not willfully examine, nor aid or abet the examination of, any individual tax return, workers' compensation record, health or medical record, or social services record in the possession or control of the agency if the purpose of such examination is improper or otherwise unrelated to the scope of the review.

a written report to the Council, General Assembly and the Governor detailing all findings, recommendations, and actions taken pursuant to this provision./

Rep. W. NEWTON proposed the following Amendment No. 6 to H. 3430 (LC-3430.SA0001H), which was adopted:

Amend the bill, as and if amended, by adding appropriately numbered SECTIONS to read:

SECTION X. Section 15-38-15 of the S.C. Code is amended to read:

Section 15-38-15. (A) In an action to recover damages resulting from personal injury, wrongful death, or damage to property or to recover damages for economic loss or for noneconomic loss such as mental distress, loss of enjoyment, pain, suffering, loss of reputation, or loss of companionship resulting from tortious conduct, if indivisible

damages are determined to be proximately caused by more than one ~~defendant~~tortfeasor, joint and several liability does not apply to any defendant whose conduct is determined to be less than fifty percent of the total fault for the indivisible damages as compared with the total of: (i) the fault of all the defendants and tortfeasors; and (ii) the fault (comparative negligence), if any, of plaintiff. A defendant whose conduct is determined to be less than fifty percent of the total fault shall only be liable for that percentage of the indivisible damages determined by the jury or trier of fact.

(B) Apportionment of percentages of fault among defendants and tortfeasors is to be determined as specified in subsection (C).

(C) The jury, or the court if there is no jury, shall:

(1) specify the amount of damages;

(2) determine the percentage of fault, if any, of plaintiff ~~and the amount of recoverable damages~~ under applicable rules concerning "comparative negligence"; and

(3) upon a motion by at least one defendant, where there is a verdict under items (1) and (2) above for damages ~~against two or more defendants~~ for the same indivisible injury, death, or damage to property, specify in a separate verdict under the procedures described at subitem (b) below the percentage of liability that proximately caused the indivisible injury, death, damage to property, or economic loss from tortious conduct, as determined by item (1) above, that is attributable to each defendant and tortfeasor whose actions are a proximate cause of the indivisible injury, death, or damage to property. In determining the percentage attributable to each defendant and tortfeasor, any fault of the plaintiff, as determined by item (2) above, will be included so that the total of the percentages of fault attributed to the plaintiff and to the defendants and tortfeasors must be one hundred percent. In calculating the percentage of fault attributable to each defendant, inclusion of any percentage of fault of the plaintiff (as determined in item (2) above) shall not reduce the amount of plaintiff's recoverable damages (as determined under item (2) above).

(a) For this purpose, the court may determine that two or more persons are to be treated as a single party. Such treatment must be used where two or more defendants acted in concert or where, by reason of agency, employment, or other legal relationship, a defendant is vicariously responsible for the conduct of another defendant.

(b) After the initial verdict awarding damages is entered and before the special verdict on percentages of liability is rendered, the parties shall be allowed oral argument, with the length of such argument

subject to the discretion of the trial judge, on the determination of the percentage attributable to each defendant and tortfeasor. However, no additional evidence shall be allowed.

(D) A defendant shall retain the right to assert that another potential tortfeasor, whether or not a party, contributed to the alleged injury or damages and/or may be liable for any or all of the damages alleged by any other party.

(E) Notwithstanding the application of this section, setoff from any settlement received from any potential tortfeasor not placed on the verdict form prior to the verdict shall be applied in proportion to each defendant's percentage of liability as determined pursuant to subsection (C).

(F) ~~This section does~~The provisions of subsection (A) do not apply to a defendant whose conduct is determined to be wilful, wanton, reckless, ~~grossly negligent,~~ or intentional or conduct involving the ~~use, sale, or possession of alcohol or the~~ illegal or illicit use, sale, or possession of drugs, and such a defendant shall be jointly and severally liable for all damages described in subsection (A).

(G) In order for the trier of fact to allocate fault to a nondefendant tortfeasor for the purpose of apportioning damages, the following requirements apply:

(1) the tortfeasor must be disclosed within one hundred eighty days of the commencement of the action or at a later time for good cause shown, and the plaintiff may add the tortfeasor as a party defendant with the amended pleading relating back to the commencement of the action;

(2) the defendant bears the burden of proof that the added tortfeasor's breach of duty was a proximate cause of the plaintiff's injuries unless the plaintiff amends his pleadings to add the tortfeasor as a party;

(3) if the plaintiff does not add the tortfeasor in a direct action, the plaintiff may challenge the addition of the tortfeasor pursuant to South Carolina Rules of Civil Procedure Rule 56 and Rule 50. If those motions are denied then the tortfeasor appears on the verdict form; and

(4) notwithstanding the time requirement in item (1), a settling tortfeasor, whether or not a party, shall be added to the verdict form unless excluded by subsection (H).

(H) A nondefendant tortfeasor shall not be added to the verdict form if:

(1) the nondefendant tortfeasor is immune from liability or prohibited from suit under statute or common law or otherwise not subject to suit in this action, not including settled or released tortfeasors

who were or could have been parties in the civil action;

(2) the nondefendant tortfeasor's conduct is wilful, wanton, reckless, or intentional;

(3) the defendant's liability is imputed to or based upon fault of the tortfeasor;

(4) the causes of action involve strict liability;

(5) the causes of action involve asbestos; or

(6) an action is commenced by the State, a state agency, municipality, county, local government, regional public authority, special purpose district, public utility, or any other governmental entity or political subdivision including, but not limited to, claims seeking recovery of public funds, remediation costs, or other damages arising from acts or omissions of third parties that result in harm to public health, safety, infrastructure, or the environment, other than claims involving per- and polyfluoroalkyl substances.

SECTION X. Section 61-6-2220 of the S.C. Code is amended to read:

(1) a permittee or licensee must also make available to the department or the division, when requested, the date a manager or alcohol server began employment in the capacity; and

(2) a permittee or licensee shall be excused for the failure to produce the alcohol server certificate if that failure is due to a provider's failure to report the successful completion of training and testing or the department's failure to issue a certificate to an applicant who has met the requirements of Section 61-3-130.

Section 61-3-120. (A)(1) The department shall approve alcohol server training programs offered by providers that are based on best evidence practice standards. The department may collaborate with DBHDD and the division to determine appropriate providers for the purposes of this chapter. (2) A provider may charge a licensee, permittee, or individual seeking training for the purpose of employment as an alcohol server or manager a fee not to exceed fifty dollars per participant.

(B) The curricula of each program must include the following subjects:

(C) The department shall approve only online designed training programs that meet each of the following criteria:

(1) a program must cover the content specified in subsection (B);

(2) the content in a program must clearly identify and focus on the knowledge, skills, and abilities needed to responsibly serve alcoholic beverages and must be developed using best practices in instructional design and exam development to ensure that the program is fair and legally defensible;

(3) a program shall be offered online;

(4) online training must be at least four hours, be available in English and Spanish, and include a test;

(5) online or computer based training programs must use linear navigation that requires the completion of a module before the course proceeds to the next module, with no content omitted, be interactive, have audio for content, and include a test;

(6) training and testing must be conducted online. All tests must be monitored by an online proctor. A passing grade for a test, as provided by the program, is required; and

(E) The department, in collaboration with DBHDD and the division, may suspend or revoke the authorization of a provider that the department determines has violated the provisions of this chapter. If a provider's authorization is suspended or revoked, then that provider must cease operations in this State immediately and refund any money paid to it by individuals enrolled in that provider's program at the time of the suspension or revocation.

Section 61-3-130. The department, if circumstances warrant the issuance of a temporary alcohol server certificate, may issue a temporary alcohol server certificate that is valid for a period of no more than thirty calendar days.

(2) The department, in collaboration with DBHDD and the division, may issue an alcohol server certificate to an individual from outside of the State who applies for an alcohol server certificate if the individual has an alcohol server certificate from a nationally recognized or comparable, state recognized alcohol server certification program that the department, DBHDD, and the division find meets or exceeds the programs offered in this State.

(B) Alcohol server certificates shall not be issued to graduates of programs that are not approved by the department.

(C) An alcohol server certificate is the property of the individual to whom it is issued and is transferrable among employers. An individual must reimburse a licensee or permittee that paid for the cost of alcohol server training if the individual leaves the employment of the licensee or permittee within six months of its issuance.

(D) Alcohol server certificates are valid for a period of three years from the date that the alcohol server certificate was issued. After the three-year period, a new or recertified alcohol server certificate must be obtained pursuant to the provisions of this chapter.

(E) Upon expiration of an alcohol server certificate, the individual to whom the alcohol server certificate was issued may obtain

recertification in accordance with regulations promulgated by the department.

(F) The department shall not charge a fee to issue and renew alcohol server certificates to qualifying applicants.

(G) An applicant must be deemed to be a qualifying applicant for the purpose of alcohol server certificate issuance and renewal if they have successfully completed all training and testing requirements as found in Section 61-3-120.

Section 61-3-140. The division and the department are responsible for enforcement of the provisions of this chapter. Section 61-4-523. (A) Notwithstanding any other provision of law, the sale of beer and wine at collegiate sporting venues pursuant to Section 61-4-520 is prohibited unless the holder of the permit:

(2) utilizes internal, random checks of sales locations during an event of sufficient frequency to reasonably determine that sales procedures and identification verification procedures comply with

established protocol;

(3) utilizes forensic digital identification systems, or other means acceptable to the department, to verify the authenticity of identification at the point of sale;

(4) prohibits sales of beer and wine in student sections with designated concession areas; and

Rep. W. NEWTON proposed the following Amendment No. 8 to H. 3430 (LC-3430.AHB0014H), which was adopted:

Amend the bill, as and if amended, by striking all after the enacting words and inserting:

SECTION 1. Section 15-38-15 of the S.C. Code is amended to read:

Section 15-38-15. (A) In an action to recover damages resulting from personal injury, wrongful death, or damage to property or to recover damages for economic loss or for noneconomic loss such as mental distress, loss of enjoyment, pain, suffering, loss of reputation, or loss of companionship resulting from tortious conduct, if indivisible damages are determined to be proximately caused by more than one ~~defendant~~tortfeasor, joint and several liability does not apply to any defendant whose conduct is determined to be less than fifty percent of the total fault for the indivisible damages as compared with the total of: (i) the fault of all the defendants and tortfeasors; and (ii) the fault (comparative negligence), if any, of plaintiff. A defendant whose conduct is determined to be less than fifty percent of the total fault shall only be liable for that percentage of the indivisible damages determined by the jury or trier of fact.

(B) Apportionment of percentages of fault among defendants and tortfeasors is to be determined as specified in subsection (C).

(C) The jury, or the court if there is no jury, shall:

(1) specify the amount of damages;

(2) determine the percentage of fault, if any, of plaintiff ~~and the amount of recoverable damages~~ under applicable rules concerning "comparative negligence"; and

(3) upon a motion by at least one defendant, where there is a verdict under items (1) and (2) above for damages ~~against two or more defendants~~ for the same indivisible injury, death, or damage to property, specify in a separate verdict under the procedures described at subitem (b) below the percentage of liability that proximately caused the

indivisible injury, death, damage to property, or economic loss from tortious conduct, as determined by item (1) above, that is attributable to each defendant and tortfeasor whose actions are a proximate cause of the indivisible injury, death, or damage to property. In determining the percentage attributable to each defendant and tortfeasor, any fault of the plaintiff, as determined by item (2) above, will be included so that the total of the percentages of fault attributed to the plaintiff and to the defendants and tortfeasors must be one hundred percent. In calculating the percentage of fault attributable to each defendant, inclusion of any percentage of fault of the plaintiff (as determined in item (2) above) shall not reduce the amount of plaintiff's recoverable damages (as determined under item (2) above).

(a) For this purpose, the court may determine that two or more persons are to be treated as a single party. Such treatment must be used where two or more defendants acted in concert or where, by reason of agency, employment, or other legal relationship, a defendant is vicariously responsible for the conduct of another defendant.

(b) After the initial verdict awarding damages is entered and before the special verdict on percentages of liability is rendered, the parties shall be allowed oral argument, with the length of such argument subject to the discretion of the trial judge, on the determination of the percentage attributable to each defendant and tortfeasor. However, no additional evidence shall be allowed.

(D) A defendant shall retain the right to assert that another potential tortfeasor, whether or not a party, contributed to the alleged injury or damages and/or may be liable for any or all of the damages alleged by any other party.

(E) Notwithstanding the application of this section, setoff from any settlement received from any potential tortfeasor not placed on the verdict form prior to the verdict shall be applied in proportion to each defendant's percentage of liability as determined pursuant to subsection (C).

(F) ~~This section does~~The provisions of subsection (A) do not apply to a defendant whose conduct is determined to be wilful, wanton, reckless, ~~grossly negligent,~~ or intentional or conduct involving the ~~use, sale, or possession of alcohol or the~~ illegal or illicit use, sale, or possession of drugs, and such a defendant shall be jointly and severally liable for all damages described in subsection (A).

(G) In order for the trier of fact to allocate fault to a nondefendant tortfeasor for the purpose of apportioning damages, the following requirements apply:

(1) the tortfeasor must be disclosed within one hundred eighty days of the commencement of the action or at a later time for good cause shown, and the plaintiff may add the tortfeasor as a party defendant with the amended pleading relating back to the commencement of the action;

(2) the defendant bears the burden of proof that the added tortfeasor's breach of duty was a proximate cause of the plaintiff's injuries unless the plaintiff amends his pleadings to add the tortfeasor as a party;

(3) if the plaintiff does not add the tortfeasor in a direct action, the plaintiff may challenge the addition of the tortfeasor pursuant to South Carolina Rules of Civil Procedure Rule 56 and Rule 50. If those motions are denied then the tortfeasor appears on the verdict form; and

(4) notwithstanding the time requirement in item (1), a settling tortfeasor, whether or not a party, shall be added to the verdict form unless excluded by subsection (H).

(H) A nondefendant tortfeasor shall not be added to the verdict form if:

(1) the nondefendant tortfeasor is immune from liability or prohibited from suit under statute or common law or otherwise not subject to suit in this action, not including settled or released tortfeasors who were or could have been parties in the civil action;

(2) the nondefendant tortfeasor's conduct is wilful, wanton, reckless, or intentional;

(3) the defendant's liability is imputed to or based upon fault of the tortfeasor;

(4) the causes of action involve strict liability;

(5) the causes of action involve asbestos; or

(6) an action is commenced by the State, a state agency, municipality, county, local government, regional public authority, special purpose district, public utility, or any other governmental entity or political subdivision including, but not limited to, claims seeking recovery of public funds, remediation costs, or other damages arising from acts or omissions of third parties that result in harm to public health, safety, infrastructure, or the environment, other than claims involving per- and polyfluoroalkyl substances.

SECTION 2. Section 61-6-2220 of the S.C. Code is amended to read:

Section 61-6-2220. A person or establishment licensed to sell alcoholic liquors or liquor by the drink pursuant to this article may not knowingly sell these beverages to persons in an intoxicated condition; these sales are considered violations of the provisions thereof and subject to the penalties contained herein.

SECTION 3.A. Title 61 of the S.C. Code is amended by adding:

SECTION 8. Section 61-2-145 of the S.C. Code is amended to read:

Section 61-2-145. (A) In addition to all other requirements, a person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, is required to maintain a liquor liability insurance policy or a general liability insurance policy with a liquor liability endorsement ~~for a total coverage~~with an annual aggregate limit of at least one million dollars during the period of the biennial permit or license, unless the person licensed or permitted to sell alcoholic beverages qualifies under the terms of a liquor liability risk mitigation program pursuant to subsection (E). Failure to maintain this coverage during the entire period of the biennial permit or license constitutes grounds for suspension or revocation of the permit or license and is sufficient grounds for the department to seek an emergency revocation order as provided in Sections 12-60-1340 and 1-23-370(c). An insurance policy issued pursuant to this section must provide for minimum coverage of at least fifty percent of the total aggregate limit, per occurrence, giving rise to the claim.

(B) The department shall add this requirement to all applications and renewals for biennial permits or licenses to sell alcoholic beverages for on-premises consumption, in which the permittees and licensees remain open and sell alcoholic beverages for on-premises consumption after five o'clock p.m. Each applicant or person renewing its license or permit, to whom this requirement applies, shall provide the department with documentation of a liquor liability insurance policy or a general liability insurance policy with a liquor liability endorsement in the required amounts.

(C) Each insurer writing liquor liability insurance policies or general liability insurance policies with a liquor liability endorsement to a person licensed or permitted to sell alcoholic beverages for on-premises consumption, in which the person so licensed or permitted remains open to sell alcoholic beverages for on-premises consumption after five o'clock p.m., must notify the department in a manner prescribed by department regulation of the lapse or termination of the liquor liability insurance policy or the general liability insurance policy with a liquor liability endorsement within thirty days of the lapse or

termination.

(D) For the purposes of this section, the term "alcoholic beverages" means beer, wine, alcoholic liquors, and alcoholic liquor by the drink as defined in Chapter 4, Title 61, and Chapter 6, Title 61.

(E) A person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, may qualify for liquor liability risk mitigation. A licensee or permittee qualifies if the licensee or permittee:

(1) stops serving alcohol by twelve o'clock a.m for the entire policy period;

(2) has all employees who serve alcohol complete an alcohol server training course pursuant to Title 61, Chapter 3, within sixty days of employment in that capacity;

(3) has less than forty percent of its total sales deriving from alcohol sales;

(4) uses a forensic digital identification system that validates the identification of any person attempting to enter the premises between the hours of 12:00 a.m. and 4:00 a.m.; or

(5) are a nonprofit organization which is exempt from taxation pursuant to Section 501(c)(3) of Title 26 of United States Code, as amended, or the entity is engaging in a single event for which a Beer and Wine Special Event License or Liquor Special Event Permit is obtained.

(6) A licensee or permittee meeting the requirement of item (1) may reduce the required annual aggregate limit by two hundred and fifty thousand dollars. A licensee or permittee meeting the requirements of item (2), (3) or (4) may reduce the required annual aggregate limit by one hundred thousand dollars per item satisfied. A licensee or permittee meeting the requirements of item (5) may reduce the annual aggregate limit by five hundred thousand dollars. A licensee or permittee who has met the requirements of any combination of items (1)-(5) must receive the permitted reduction in the required annual aggregate limit for each item the licensee or permittee complies with provided a person licensed or permitted to sell alcoholic beverages for on-premises consumption, which remains open after five o'clock p.m. to sell alcoholic beverages for on-premises consumption, must at all times maintain coverage with an annual aggregate limit of at least three hundred thousand dollars during the entire period of the biennial permit or license.

(7) Insurers must establish liquor liability mitigation measures and offer reasonable premium discounts for compliance therewith that reduce the risk to the general public associated with the service of

on-premises consumption of alcohol.

(F) Permittees and licensees selling alcoholic beverages for on-premises consumption at any time between the hours of 12:00 a.m. and 4:00 a.m. shall use a forensic digital identification system that validates the identification of any person attempting to enter the premises as a patron.

(G) For purposes of this section, the calculation of total sales shall include sales of alcohol sold for on-premises consumption and all food and nonalcoholic beverages sold on the premises where the alcohol is sold, including food and nonalcoholic beverages sold by third-party vendors.

SECTION 9. Chapter 2, Title 61 of the S.C. Code is amended by adding:

Section 61-2-147. (A) Notwithstanding the provisions of Section 15-38-15, a tortfeasor charged under Section 56-5-2930, 56-5-2933, or 56-5-2945 shall appear on the jury verdict form upon motion of the defendant, provided such motion is made within one hundred eighty days of the commencement of the action or at a later time for good cause shown. If a verdict is rendered against both a licensee and a defendant charged under Section 56-5-2930, 56-5-2933, or 56-5-2945, then the licensee is jointly and severally liable for fifty percent of the plaintiff's actual damages.

(B) Notwithstanding the time requirement in subsection (A), a settling tortfeasor, whether or not a party, shall be added to the verdict form.

SECTION 10. If any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this act is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of the remaining portions of this act, the General Assembly hereby declaring that it would have passed this act, and each and every section, subsection, paragraph, subparagraph, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more other sections, subsections, paragraphs, subparagraphs, sentences, clauses, phrases, or words hereof may be declared to be unconstitutional, invalid, or otherwise ineffective.

SECTION 11. This act takes effect January 1, 2026, and applies only to causes of action or claims arising or accruing after January 1, 2026, and applies to all policies issued after that date, other than Section 61-4-523 which takes effect upon approval by the Governor.

/ 63.8. (DPS: School Safety Program) *(A)* Funds appropriated for the School Safety Program and School Resource Officers in this act shall be utilized by the department for the purpose of hiring certified law enforcement officers to serve as a school resource officer for school districts, including the South Carolina Public Charter School District and schools authorized by an institution of higher learning, that otherwise would lack the adequate resources to hire their own school resource officers. In making determinations of eligibility, the department shall use the most recent index of taxpaying ability as the district's indicator of ability to pay with districts of the lowest index of taxpaying ability receiving priority consideration. Districts, in collaboration with a local law enforcement agency of its choosing, must apply for funding through the department. In making awards the department shall provide funding directly to the local law enforcement agency to pay for the cost of the law enforcement officer that shall serve as a full time school resource officer. Unexpended funds may be carried forward and expended for salaries, equipment, and training. School district superintendents shall provide to the department at the end of each quarter the number of full and part-time school resource officers that currently serve schools in

their respective districts, regardless of the fund sources supporting those officers.

(B) Notwithstanding subsection (A), if local law enforcement agencies are unable to assign certified law enforcement officers to a school district, then a school district may employ private security to serve as school safety officers. No district may employ more than one private security safety officer per school. Upon written certification from such local law enforcement agencies stating the inability to assign certified law enforcement officers to serve as school resource officers, the district may apply for and recieve funding through the department.

(C) The Department of Education shall transfer any fund balance to the Department of Public Safety by August 15.

SECTION X. Section 12-6-510(C) of the S.C. Code is amended to read:

(C)(1) Notwithstanding subsections (A) and (B), for taxable years beginning after 2025, a tax is imposed on the South Carolina taxable income of individuals, estates, and trusts and any other entity except those taxed or exempted from taxation under Sections 12-6-530 through 12-6-550 computed at the following rates with the income brackets indexed in accordance with Section 12-6-520:

(2)(a) Notwithstanding the provisions of item (1), beginning with Tax Year 2027 and each year thereafter, the top marginal income tax rate set forth in item (1) must be decreased if individual income tax revenues collected pursuant to this chapter, minus amounts credited to the Trust Fund for Tax Relief, are projected to increase by at least five percent in the fiscal year that begins during the tax year in comparison to projected individual income tax revenues collected pursuant to this chapter, minus amounts credited to the Trust Fund for Tax Relief, for the current fiscal year. The reduction required by this item shall continue until the top marginal income tax rate equals 1.99 percent.

(b) Beginning with the first tax year after the reduction required by subitem (a) is fully complete, the 1.99 percent must be

decreased in the same manner as provided in subitem (a) until the income tax rate equals zero percent. Additionally, once the reduction required by subitem (a) is fully complete, notwithstanding item (1), the 1.99%, or further reduced rate, shall apply to all South Carolina taxable income.

(c) The Board of Economic Advisors shall make the determination regarding income tax projections beginning with the initial forecast required pursuant to Section 11-9-1130.

(3) If the five percent threshold set forth in item (2) is met, the income tax rate shall be permanently and cumulatively reduced by a percentage that the Board of Economic Advisors projects to result in a reduction in individual income tax revenues collected pursuant to this chapter equal to two hundred million dollars in the fiscal year that begins during the tax year. However, if the five percent threshold set forth in item (2) is met and is not projected to result in increased collections of at least two hundred million dollars in the fiscal year that begins during the tax year, then the reduction is limited to the projected amount of increased collections. Any reduction made pursuant to this subsection must be rounded up to the nearest hundredth of a percent.

(4) Upon the issuance of the initial forecast, the Executive Director of the Revenue and Fiscal Affairs Office, or his designee, shall notify the Department of Revenue of the projected percentage adjustment. The executive director, or his designee, shall provide similar notice if subsequent modifications to the forecast change the projected percentage adjustment. However, the forecast in effect on February fifteenth of the current fiscal year is the final forecast for which the percentage adjustment is determined, and no subsequent forecast modifications may have any effect on that determination.

(D) The department may prescribe tax tables consistent with the rates set pursuant to this section.

Amend the bill further, SECTION 2, by striking Section 12-6-50(21) and inserting:

(21) Section 63(b) through (g) relating to standard deductions and the itemized deduction and any other relevant provision of Section 63 that would otherwise allow for standard deductions and the itemized deduction which are hereby specifically not allowed or adopted.

(ii) The deduction set forth in subitem (a)(ii) is subject to being reduced by a fraction whereby the numerator is the amount the taxpayer's ~~South Carolina taxable~~federal adjusted gross income exceeds ~~forty five~~sixty thousand dollars and the denominator is ~~fifteen~~ eighty-two thousand and five hundred.

(iii) The deduction set forth in subitem (a)(iii) is subject to being reduced by a fraction whereby the numerator is the amount the taxpayer's ~~South Carolina taxable~~federal adjusted gross income exceeds ~~sixty~~ eighty thousand dollars and the denominator is ~~twenty~~ one hundred and ten thousand.

Amend the bill further, by adding an appropriately numbered SECTION to read:

An insurance policy issued pursuant to this section must provide for minimum coverage of at least fifty percent of the total aggregate limit, per occurrence, given rise to the claim.

A person must apply for an alcohol server certificate within six months of completing a program. The department, if circumstances warrant the issuance of a temporary alcohol server certificate, may issue a temporary alcohol server certificate that is valid for a period of no more than thirty calendar days.

(2) The department, in collaboration with DAODAS and the

division, may issue an alcohol server certificate to an individual from outside of the State who applies for an alcohol server certificate if the individual has an alcohol server certificate from a nationally recognized or comparable, state-recognized alcohol server certification program that the department, DAODAS, and the division find meets or exceeds the programs offered in this State.

The court is prohibited from suspending a monetary fine below that of the next preceding minimum monetary fine.~~ If the trier of fact determines that the person convicted under the provisions of this section did any act forbidden by law or neglected any duty imposed by law in the driving of the motor vehicle, which act or neglect proximately caused a collision that occurred while the person was driving in violation of this section, the court may impose an additional sentence of a fine of not more than four hundred dollars or an additional period of imprisonment of not more than thirty days. However, in lieu of the thirty-day imprisonment, the court may provide for forty-eight hours of public service employment. The public service employment must be served at a time when the person is not working and does not interfere with his regular employment under terms and conditions the court considers proper. Notwithstanding the provisions of Sections 23-3-540, 22-3-550, and 14-25-65, this additional sentence may be imposed by the magistrate or municipal court for any offense for which the court would otherwise have jurisdiction.

An applicant who is unable to pay for services shall perform fifty hours of community service as arranged by the Alcohol and Drug Safety Action Program, which may use the completion of this community service as a factor in determining if the applicant successfully has completed services. The court must be notified whether an offender failed to enroll in a certified program within thirty days or failed to participate in the plan of education or treatment. The court may hold the individual in contempt of court if the individual cannot show cause as to why no enrollment occurred within the mandated thirty days or why no progress has been made on the plan of education or treatment.

SECTION X. Section 56-5-2933 (C) and (H) of the S.C. Code is amended to read:

(C) ~~The fine for a first offense must not be suspended. However, in lieu of the thirty-day imprisonment, the court may provide for forty-eight hours of public service employment. The public service employment must be served at a time when the person is not working and does not interfere with his regular employment under terms and conditions the court considers proper. Notwithstanding the provisions of Sections 23-3-540, 22-3-550, and 14-25-65, this additional sentence may be imposed by the magistrate or municipal court for any offense for which the court would otherwise have jurisdiction.

(H) A person convicted of violating this section, whether for a first

The maximum fee for enrollment in the DUI victim impact panel shall not exceed seventy-five dollars. An assessment of the extent and nature of the alcohol and drug abuse problem of the applicant must be prepared and a plan of education or treatment, or both, must be developed for the applicant. The Alcohol and Drug Safety Action Program shall determine if the applicant successfully has completed the services. The applicant must attend the first Alcohol and Drug Safety Action Program available after the date of enrollment. The Department of Alcohol and Other Drug Abuse Services shall determine the cost of services provided by each certified Alcohol and Drug Safety Action Program. POINT OF ORDER

Rep. DAVIS raised the Rule 9.3 Point of Order that Amendment No. 4 was not germane to H 4189.

Rep. BEACH argued contra.

Rep. DAVIS argued that the Amendment added new substantive language concerning the operations of the Department of Environmental Services and went beyond the technical changes made by the Bill.

The SPEAKER stated that the Bill was a technical cleanup Bill and the Amendment made substantive changes to the operations of the Department of Environmental Services. He stated the Amendment went beyond the scope of the Bill and sustained the Point of Order.

Rep. BEACH proposed the following Amendment No. 5 to H. 4189 (LC-4189.VR0005H), which was ruled out of order:

Amend the bill, as and if amended, SECTION 100, by striking Section 44-1-80(A) and inserting:

(A) The ~~Board of~~Department of Public Health ~~and Environmental Control~~ or its designated agents must investigate the reported causes of communicable or epidemic disease. The Department of Public Health, upon approval of the Governor, may ~~and must~~ enforce or prescribe ~~these~~ preventive measures as may be needed to suppress or prevent the spread of these diseases by proper quarantine or other measures of prevention, as may be necessary to protect the citizens of the State. The ~~Board of~~ Department of Public Health ~~and Environmental Control~~ or its designated agents shall declare, when the facts justify it, any place as infected and, in case of hydrophobia or other diseases transmitted from animals to man, must declare such animal or animals quarantined, and must place all such restrictions upon ingress and egress of persons or

animals therefrom as may be, in its judgment, necessary to prevent the spread of disease from the infected locality.

Amend the bill further, SECTION 100, by striking Section 44-1-100 and inserting:

Section 44-1-100. ~~All~~If so ordered by the Governor, all sheriffs and constables in the several counties of this State and police officers and health officers of cities and towns must aid and assist the Director of the Department of Public Health ~~and Environmental Control~~ and must carry out and obey his orders, or those of the Department of Public Health ~~and Environmental Control~~, to enforce and carry out any and all restrictive measures and quarantine regulations that may be prescribed. During a state of public health emergency, as defined in Section 44-4-130, the director may request assistance in enforcing orders issued pursuant to this chapter and pursuant to Chapter 4, Title 44, from the public safety authority, as defined in Section 44-4-130, other state law enforcement authorities, and local law enforcement. The public safety authority may request assistance from the South Carolina National Guard in enforcing orders made pursuant to this chapter or pursuant to Chapter 4, Title 44, which may be deployed or activated only upon order of the Governor.

Amend the bill further, SECTION 116, Section 44-4-300, by striking the <<placeholder>> undesignated paragraph and inserting:

After the declaration of a state of public health emergency by the Governor pursuant to Section 25-1-440, ~~DHEC~~DPH may exercise, with the approval of the Governor and in coordination with state agencies, local governments, and other organizations responsible for implementation of the emergency support functions in the State Emergency Operations Plan for handling dangerous facilities and materials, for such period as the state of public health emergency exists, the following powers over dangerous facilities or materials:

Amend the bill further, SECTION 116, by striking Section 44-4-330(A) and inserting:

(A) After the declaration of a public health emergency by the Governor pursuant to Section 25-1-440, ~~DHEC~~DPH may purchase and distribute antitoxins, serums, vaccines, immunizing agents, antibiotics, and other pharmaceutical agents or medical supplies that it considers advisable in the interest of preparing for or controlling ~~a~~the declared public health emergency, without any additional legislative authorization.

Amend the bill further, by adding appropriately numbered SECTIONS to read:

SECTION X. Article 5, Chapter 4, Title 44 of the S.C. Code is amended by adding:

Section 44-4-495. For purposes of this article, "during a state of public health emergency" means a state of public health emergency declared by the Governor pursuant to his authority in Section 25-1-440.

SECTION X.A. Section 25-1-440 of the S.C. Code is amended by adding:

(f) For a localized public health emergency, the sheriff of the affected county has the same powers and duties set forth in subsection (a) as does the Governor, until such time as the public health emergency crosses the county's border affecting another county. In addition, the same limitations on the Governor's powers and duties as set forth in subsection (a) apply to the same extent to a sheriff in the case of a localized public health emergency. "Localized public health emergency" means a public health emergency specific to a single county that does not cross the county's border or otherwise affect the residents of any other county of the State of South Carolina.

B. Section 25-1-440(a)(2) of the S.C. Code is amended to read:

(2) declare a state of emergency for all or part of the State if he finds a disaster or a public health emergency, as defined in Section 44-4-130, has occurred, or that the threat thereof is imminent and extraordinary measures are considered necessary to cope with the existing or anticipated situation. A declared state of emergency shall not continue for a period of more than fifteen days without the consent of the General Assembly. Moreover, only one declaration for the same disaster or public health emergency is authorized pursuant to this section. Subsequent declarations for the same disaster or public health emergency require General Assembly consent;

That the same do pass with the following amendments:

Amend the bill, as and if amended, by striking all after the enacting words and inserting:

SECTION 1. Article 3, Chapter 15, Title 16 of the S.C. Code is amended by adding:

Section 16-15-390. (A) As used in this section:

(1) “Obscene” has the same meaning as Section 16-15-305.

(2) “Visual depiction or representation” means and includes undeveloped film and videotape, and data stored on a computer disk or by electronic means that is capable of conversion into a visual image, and also includes any photograph, film, video, picture, digital image or picture, computer image or picture, or computer-generated image or picture, whether made or produced by electronic, mechanical, or other means.

(B) Any person who knowingly produces, distributes, solicits, or

possesses with intent to distribute, a visual depiction or representation that depicts a minor engaging in sexually explicit conduct, sexually explicit activity, or sexually explicit nudity, and is obscene, or attempts or conspires to do so, is guilty of a felony and, upon conviction, must be imprisoned no more than ten years.

(C) Any person who knowingly possesses a visual depiction or representation that depicts a minor engaging in sexually explicit conduct, sexually explicit activity, or sexually explicit nudity, and is obscene, or attempts or conspires to do so is guilty of a felony and, upon conviction, must be imprisoned no more than ten years.

An employee's official capacity in the course of such investigation or criminal proceeding includes making materials available for inspection to the defendant's counsel in response to discovery requests.

(2) This section does not apply to a provider of a telecommunications service or an information service, as those terms are defined in 47 U.S.C. Section 153, for content provided by another person.

MESSAGE FROM THE SENATE

Columbia, S.C., Wednesday, May 28, 2025

Mr. Speaker and Members of the House:

The Senate respectfully informs your Honorable Body that it has overridden the Veto by the Governor on S. 136 by a vote of 44 to 0.

(R. 86, S. 136) -- Senators Tedder, Leber, Kimbrell and Rice: AN ACT TO AMEND THE SOUTH CAROLINA CODE OF LAWS BY AMENDING SECTION 17-1-65, RELATING TO THE EXPUNGEMENT OF CONVICTIONS FOR THE UNLAWFUL POSSESSION OF HANDGUNS, SO AS TO PROVIDE THE STATE MUST DISMISS AND EXPUNGE CERTAIN PENDING UNLAWFUL HANDGUN POSSESSION CHARGES THAT OCCURRED PRIOR TO THE ENACTMENT OF THE SOUTH CAROLINA CONSTITUTIONAL CARRY/SECOND AMENDMENT PRESERVATION ACT OF 2024, AND TO PROVIDE THE DISMISSAL OF THESE CHARGES MAY NOT SERVE AS A BASIS OR SUPPORT FOR CIVIL ACTIONS DUE TO THE ARREST.

Very respectfully,
President

R. 86, S. 136--ORDERED PRINTED IN THE JOURNAL

The SPEAKER ordered the following Veto printed in the Journal:

May 22, 2025
The Honorable Thomas C. Alexander
President of the South Carolina Senate
State House, Second Floor
Columbia, South Carolina 29201

Dear Mr. President and Members of the Senate:

I am hereby vetoing and returning without my approval R-86, S. 136, which seeks to require prosecutors in South Carolina to dismiss pending charges for unlawful possession of a handgun pursuant to section 16-23-20 of the South Carolina Code of Laws, as amended by the S.C. Constitutional Carry/Second Amendment Preservation Act of 2024, "if the charges occurred prior to the enactment of' that Act. As the General Assembly may recall, I vetoed nearly identical legislation last year. *See* S. 1166 (R-200), 125th Gen. Assembly, 2nd Reg. Sess. (May 21, 2024). While the Senate voted to override my objections to that bill, the House of Representatives declined to do so.

Although I appreciate that the General Assembly included language in this year's legislation to address law enforcement's concerns that the blanket dismissal of these charges could theoretically serve as the basis for wrongful arrest lawsuits, given that that the operative language in S. 136 is nearly identical to last year's bill, my fundamental objections to the legislation remain unchanged. As a former United States Attorney and South Carolina Attorney General, I have great respect and admiration for prosecutors and recognize the important role that prosecutorial discretion plays in our criminal justice system. I am therefore wary of any attempt to limit that authority and discretion. Every case is unique, and the prosecutors in our State should be permitted to evaluate each case based on the law and the facts and then proceed as they deem appropriate. Some charges might warrant dismissal; other charges may warrant continued prosecution. Unfortunately, S. 136 would universally strip prosecutors of the ability to make such individualized determinations.

I similarly remain skeptical of, and opposed to, S. 136's mandatory, blanket dismissals of pending criminal charges for another reason: When the defendants who would benefit from these dismissals committed their alleged crimes, their alleged actions were, in fact, unlawful. To be sure, those actions might not be illegal today, but that distinction misses the critical point that such actions were illegal at the time they were committed. I have repeatedly noted by belief in the importance of upholding and adhering to the Rule of Law, which requires not only that everyone follow the law as written but also that the law apply equally to every person. If a person disobeys the law, consequences-including potential criminal prosecution-may follow, even if a person believes a law should be changed. Just as all speeding tickets would not automatically disappear if a speed limit is subsequently increased,

universal dismissals are rarely the answer for previous violations of a later-amended law. Likewise, I remain convinced that blanket dismissals are unnecessary in this context.

As a practical matter, continuing to pw-sue criminal charges despite an intervening change in law may make for a difficult prosecution, but if a prosecutor determines that the facts warrant prosecution, I do not believe that it is appropriate for the General Assembly to obviate that discretionary authority, in all cases, in the abstract. While I am advised that the universe of pending charges for unlawful possession of a handgun, without companion offenses, is particularly limited, to the extent that this bill's proponents have generally claimed that these remaining charges are the product of procedural stagnation rather than prosecutorial discretion, I am confident that our State's Circuit Solicitors will expeditiously review these pending charges and determine whether to proceed based on the facts and the law. To the extent further analysis or assistance may be required, by copy of this letter, I am simultaneously advising the Attorney General of this matter in view of his role as "the chief prosecuting officer of the State with authority to supervise the prosecution of all criminal cases in courts of record." S.C. Const. art. V, § 24.

For the foregoing reasons, I am respectfully vetoing R-86, S. 136 and returning the same without my signature.

Yours very truly,
Henry Dargan McMaster
