of the
HOUSE OF REPRESENTATIVES
of the
STATE OF SOUTH CAROLINA

REGULAR SESSION BEGINNING TUESDAY, JANUARY 14, 2025

WEDNESDAY, JANUARY 14, 2026
(STATEWIDE SESSION)

Wednesday, January 14, 2026
(Statewide Session)

~~Indicates Matter Stricken~~

Indicates New Matter

The House assembled at 2:00 p.m.

Deliberations were opened with prayer by the SPEAKER as follows:

Our thought for today is from Psalm 138:6: “Though the Lord is on high, he looks upon the lowly...”.

Let us pray. O God, how often we ask for a sign, a sign of Your presence, a sign of Your love, and how often we forget that You have already given us Yourself, and have promised to dwell with us always. As we travel through the many problems and details of being in this place doing the work of the people, remind us You are always here to strengthen and encourage us. Continue to bless our Nation in our need, our President, State, Governor, Speaker, and all who serve in these Halls of Government. Protect our defenders of freedom at home and abroad as they protect us. Hear us, O Lord, as we pray. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the SPEAKER.

After corrections to the Journal of the proceedings of yesterday, the SPEAKER ordered it confirmed.

MOTION ADOPTED

Rep. BERNSTEIN moved that when the House adjourns, it adjourn in memory of Robert Hall Weir, which was agreed to.

In Memory of Robert “Bobby” Hall Weir

Mr. Speaker, I ask that when we adjourn today, we adjourn in memory of Bobby Weir who sadly passed away on January 10, 2026, at 78 years old.

Weir was a founding member of the legendary Grateful Dead. He spent six decades inspiring generations and audiences alike with his distinctive guitar rhythms that shaped the sound of the Grateful Dead. He received a GRAMMY Lifetime Achievement Award and was inducted into the Rock & Roll Hall of Fame. The Grateful Dead remains one of the most successful touring acts in American history, consistently ranked among the highest-grossing entertainers.

WEDNESDAY, JANUARY 14, 2026

Beyond his musical achievements, Bobby was a longtime supporter of HeadCount, a non-partisan organization that uses music to register voters and promote civic participation. He co-founded Furthur Foundation, which funds environmental, social, and cultural causes through grants and partnerships.

Bobby Weir was the voice of a generation and left behind a lasting legacy for generations to come.

REPORT RECEIVED

The following was received:

January 13, 2026

The Honorable G. Murrell Smith Jr.

Speaker, South Carolina House of Representatives

Post Office Box 11867

Columbia, South Carolina 29211

Dear Mr. Speaker:

At its organizational meeting on Wednesday, December 4, 2024, the Government Efficiency & Legislative Oversight Committee selected eight agencies for study.

In 2025, the Education and Cultural Affairs Subcommittee completed its study of the South Carolina Higher Education Tuition Grants Commission. Additionally, the Economic Development, Transportation, and Natural Resources Subcommittee completed its study of the South Carolina Conservation Bank. Both studies will be presented to the full Committee for final consideration and approval.

There are currently four agencies under review in subcommittee: the South Carolina State Law Enforcement Division (SLED), the South Carolina Department of Insurance (DOI), the South Carolina Department of Education (SCDE), and the South Carolina Department of Employment and Workforce (DEW). These studies are anticipated to be completed during the first two quarters of 2026. Review of the South Carolina Administrative Law Court and the South Carolina Vocational Rehabilitation Department will commence upon completion of the SLED and DOI studies.

Enclosed please find a listing of agencies previously reviewed by the

The following was received:

SOUTH CAROLINA DEPARTMENT OF PUBLIC HEALTH

September 15, 2025

The Honorable Charles F. Reid, Clerk
House of Representatives
Post Office Box 11867
Columbia, South Carolina 29211

Dear Mr. Reid:

Enclosed, please find S.C. Department of Public Health's (Department) designation of N-pyrrolidino metonitazene and N-pyrrolidino protonitazene, including its isomers, esters, ethers, salts, and salts of isomers, esters, and ethers whenever the existence of such isomers, esters, ethers, and salts is possible, in schedule I of the federal Controlled Substance Act ("CSA"). Pursuant to S.C. Code Section 44-53-160(C), the Department shall designate a substance as a controlled substance by scheduling it in accordance with an order effecting federal scheduling as a controlled substance.

The U.S. Department of Justice, Drug Enforcement Administration (DEA) issued a scheduling order placing N-pyrrolidino metonitazene and N-pyrrolidino protonitazene, including their isomers, esters, ethers, salts, and salts of isomers, esters, and ethers whenever the existence of such isomers, esters, ethers, and salts is possible, in schedule I of the federal Controlled Substance Act ("CSA"), effective August 15, 2025. F.R. Volume 90, Number 156, pp. 39314-39319. On September 11, 2025, the Department issued the enclosed scheduling order, identical in substance.

The Department makes this notification in accordance with S.C. Code Section 44-53-160(C), which requires the Department to notify the General Assembly of an addition of a controlled substance in conformity with federal law. Schedule I controlled substances are found in S.C. Code Section 44-53-190.

As required by law, the enclosed Department Order has been posted on the agency website. Thank you for your attention to this matter.

**Placement of N-Pyrrolidino Metonitazene and N-Pyrrolidino
Protonitazene in Schedule I for Controlled Substances**

WHEREAS, pursuant to S.C. Code Section 44-53-160(C), the S.C. Department of Public Health shall designate a substance as a controlled substance by scheduling it in accordance with an order effecting federal scheduling as a controlled substance;

WHEREAS, the U.S. Department of Justice, Drug Enforcement Administration (“DEA”), issued a temporary order placing N-pyrrolidino metonitazene and N-pyrrolidino protonitazene, including its isomers, esters, ethers, salts, and salts of isomers, esters, and ethers whenever the existence of such isomers, esters, ethers, and salts is possible, in schedule I of the federal Controlled Substance Act (“CSA”), effective August 15, 2025. F.R. Volume 90, Number 156, pp. 39314-39319;

WHEREAS, the DEA has concluded that N-pyrrolidino metonitazene and N-pyrrolidino protonitazene have a high potential for abuse, no currently accepted medical use in treatment in the United States, and lack accepted safety for use under medical supervision, and therefore placed these two synthetic benzimidazole-opioid substances, in schedule I of the CSA; and

THEREFORE, the Department of Public Health adopts the federal scheduling of N-pyrrolidino metonitazene and N-pyrrolidino protonitazene, including its isomers, esters, ethers, salts, and salts of isomers, esters, and ethers whenever the existence of such isomers, esters, ethers, and salts is possible into Schedule I of the South Carolina Controlled Substances Act:

R. 70, H. 3969--ORDERED PRINTED IN THE JOURNAL

The SPEAKER ordered the following Veto printed in the Journal:

May 13, 2025

The Honorable G. Murrell Smith, Jr.

Speaker of the House of Representatives

State House, Second Floor

Columbia, South Carolina 29201

Dear Mr. Speaker and Members of the House:

I am hereby vetoing and returning without my approval R-70, H. 3969, which seeks to authorize the operation of remote personal delivery devices in Richland County and to establish restrictions for the same. Although I appreciate that the underlying aim of H. 3969 is to ensure that new technology is effectively and safely utilized for the benefit of South Carolinians, for the reasons set forth below, I am compelled to veto this legislation.

The South Carolina Constitution requires that "[t]he General Assembly shall forthwith enact general laws ... which shall be uniform in their operations." S.C. Const. art. III, § 34. Indeed, the state constitution generally prohibits the adoption of legislation "for a specific county" and

WEDNESDAY, JANUARY 14, 2026

"where a general law can be made applicable." S.C. Const. art VIII, § 7; S.C. Const. art. III, § 34(IX). These constitutional provisions seek "to make uniform where possible the statutory laws of this State in order to avoid duplicative or conflicting laws on the same subject," *Med. Soc. Of S.C. v. Med. Univ. of SC.*, 334 S.C. 270, 279, 513 S.E.2d 352, 357 (1999), and to prevent "legislation by delegation," which the South Carolina Supreme Court has called "pernicious," *Duke Power Co. v. S.C. Pub. Serv. Comm'n*, 284 S.C. 81, 90, 326 S.E.2d 395, 400 (1985). Against this backdrop, H. 3969 is special legislation: It applies only to Richland County. Even if personal delivery devices are currently confined to Richland County, I am aware of no reason why these same regulations for personal delivery devices could not be adopted in a general law and apply across the entire State. Cf *Town of Hilton Head Island v. Coal. of Expressway Opponents*, 307 S.C. 449, 456, 415 S.E.2d 801, 805 (1992).

For the foregoing reasons, I am respectfully vetoing R-70, H. 3969 and returning the same without my signature.

Yours very truly,
Henry Dargan McMaster

SEASTRUNK JR. OF RICHLAND COUNTY, CHAPLAIN TO THE HOUSE OF REPRESENTATIVES, UPON THE OCCASION OF HIS RETIREMENT AFTER TWENTY-THREE YEARS OF EXEMPLARY SERVICE, AND TO WISH HIM CONTINUED SUCCESS AND HAPPINESS IN ALL HIS FUTURE ENDEAVORS.

Whereas, it is altogether fitting and proper that the members of the House of Representatives of the State of South Carolina should pause in their deliberations to express their gratitude to the Reverend Charles Seastrunk Jr. for his devoted service to this body and to the spiritual health of our legislators; and

Whereas, born in Winchester, Virginia, on April 23, 1931, he is the son of the late C. Ernest and Louise Eargle Seastrunk. He attended Clemson University, then Clemson College, and earned a bachelor's degree from Newberry College in 1955, a Master of Divinity from Lutheran Theological Seminary in 1958, and later a master's degree from Pepperdine University in 1979; and

Whereas, in the patriotic tradition of the sons of South Carolina,

WEDNESDAY, JANUARY 14, 2026

Reverend Seastrunk served in the Army National Guard, the United States Army Reserve, and the United States Air Force from 1949 through 1984. He retired from the chaplaincy of the United States Air Force in 1984; and

Whereas, he married his lovely and beloved wife, Sarah Truesdell, on November 25, 1955, and together they reared two fine children, Charles III and Susan. He is a devoted family man who loves spending quality time with his children and wife; and

Whereas, with the energy of a much younger man, Reverend Seastrunk is the stated supply pastor of Holy Trinity Lutheran Church in Pelion; and

Whereas, on November 19, 2002, he was elected to serve as chaplain of the South Carolina House of Representatives, having been reelected and serving continuously until the end of the 2025 session. A man of service, integrity, and goodwill, he has provided an enduring presence and spiritual guidance for more than two decades, a source of comfort and inspiration to legislators and staff alike; and

Whereas, grateful for his many years of distinguished service to this body, the South Carolina House of Representatives takes great pleasure in extending best wishes to Charles Seastrunk as he transitions to a richly deserved retirement and the unhurried pace of the days ahead. The members wish him many years of enjoyment in his well-earned retirement. Now, therefore,

WEDNESDAY, JANUARY 14, 2026

Be it resolved by the House of Representatives:

That the members of the South Carolina House of Representatives, by this resolution, recognize and honor the Reverend Charles E. Seastrunk Jr. of Richland County, Chaplain to the House of Representatives, upon the occasion of his retirement after twenty-three years of exemplary service, and wish him continued success and happiness in all his future endeavors.

The Resolution was adopted.

Rep. W. NEWTON proposed the following Amendment No. 1A to H. 3431 (LC-3431.SA0008H), which was adopted:

Amend the bill, as and if amended, by striking all after the enacting words and inserting:

SECTION 1. Title 39 of the S.C. Code is amended by adding:

CHAPTER 80

Age-Appropriate Code Design

Section 39-80-10. As used in this chapter:

(1) “Compulsive usage” means the persistent and repetitive use of a covered online service that substantially limits one or more of a user’s major life activities including, but not limited to, sleeping eating, learning, reading, concentrating, communicating, or working.

(2) “Connected account” means an account on a covered online service that is directly connected to:

(a) the user’s account; or

(b) an account that is directly connected to the user’s account.

(3) “Covered design feature” means any feature or component of a covered online service that will encourage or increase a minor’s frequency, time spent, or activity on a covered online service including, but not limited to:

(a) infinite scroll or any design feature that automatically loads and displays content other

than what the user prompted, requested, or searched for:

(b) auto-playing videos or any design feature in which videos automatically begin playing when a user navigates to or scrolls through a set of videos;

(c) gamification or any design feature that emulates gameplay including, but not limited to, streaks, badges, or rewards, that motivate or cause more frequent or more extensive use of a covered online service;

(d) quantification of engagement including, but not limited to, providing a visible count of how many likes, comments, clicks, views, or reactions any user-generated item has received;

(e) notifications and push alerts;

WEDNESDAY, JANUARY 14, 2026

(f) in-game purchases or any design feature in which digital items or tokens are purchased with virtual currency or other forms of payment, including where the purchased digital item can be shared with another user; or

(g) appearance-altering filters.

(4)(a) “Covered online service” means:

(i) a sole proprietorship, partnership, limited liability company, corporation, association, or other legal entity that owns, operates, controls, or provides an online service that conducts business in this State, is reasonably likely to be accessed by minors, determines the purposes and means of the processing of consumer’s personal data alone, or jointly with its affiliates, subsidiaries, or parent company and either;

(A) has annual gross revenues in excess of twenty-five million dollars, adjusted every odd-numbered year to reflect changes in the Consumer Price Index;

(B) annually buys, receives, sells, or shares the personal data of fifty thousand or more consumers, households, or devices alone or in combination with its affiliates, subsidiaries, or parent company; or

(C) derives at least fifty percent of its annual revenue from the sale or sharing of consumers’ personal data; and

(b) “Covered online services” include:

(i) an entity that controls or is controlled by a business that shares a name, service mark, or trademark that would cause a reasonable consumer to understand that two or more entities are commonly owned; and

(ii) a joint venture or partnership composed of businesses in which each business has at least a forty percent interest in the joint venture or partnership.

(5) “Dark pattern” means a user interface designed or manipulated with the substantial effect of subverting or impairing user autonomy, decision making, or choice.

(6)(a) “Expressed preferences” means a freely given, considered, specific, and unambiguous indication of a user’s preferences regarding the user’s engagement with a covered online service.

(b) Expressed preferences cannot be based on the user’s time spent engaging on the covered online service, nor on the usage of features that do not indicate explicit preference, such as comments made, posts reshared, or similar actions that are commonly taken on disliked media.

(7) “Known to be a minor” means the covered online service has

actual knowledge that a particular consumer is a minor. For purposes of this act, actual knowledge includes all information and inferences known to the covered online service relating to the age of the individual including, but not limited to, self-identified age, and including any age the covered online service has attributed or associated with the individual for any purpose including, but not limited to, marketing, advertising, or product development purposes.

(8) “Minor” means a consumer who is less than eighteen years of age.

(9) “Online service” means any service, product, or feature that is accessible to the public on the internet including, but not limited to, a website or application. An online service may include any service, product, or feature that is based in part or in whole on artificial intelligence. “Online service” does not mean any of the following:

(a) a telecommunications service, as defined in 47 U.S.C. Section 153;

(b) a broadband internet access service as defined in 47 C.F.R. Section 54.400; or

(c) the sale, delivery, or use of a physical product.

(10) “Parent” has the same meaning as defined in the Children’s Online Privacy Protection Act, 15 U.S.C. Sections 6501-6506 and the Federal Trade Commission rules implementing that act.

(11)(a) “Personal data” means any information, including derived data and unique identifiers, that is linked or reasonably linkable, alone or in combination with other information, to an identified or identifiable individual or to a device that identifies, is linked to, or is reasonably linkable to one or more

identified or identifiable individuals in a household.

(b) Personal data does not include publicly available data.

(12) “Personalized recommendation system” means a fully or partially automated system used to suggest, promote, or rank content, including other users, hashtags, or material from others based on the personal data of users.

(13)(a) “Precise geolocation information” means any data that identifies a user’s present or past location within a radius of one thousand one hundred eighty feet, the present or past location of a device that links or is linkable to a user, or any data that is derived from a device that is used or intended to be used to locate a user within a radius of one thousand one hundred eighty feet by means of technology that includes a global positioning system that provides latitude and longitude coordinates.

WEDNESDAY, JANUARY 14, 2026

(b) “Precise geolocation information” does not include the content of communications or any data generated or connected to advanced utility metering infrastructure systems or equipment for use by a utility.

(14) “Process” means the performance of an operation, or a set of operations, by manual or automated means on personal data including, but not limited to, collecting, using, storing, disclosing, analyzing, deleting, sharing, or modifying personal data.

(15) “Profile” means any form of automated processing of personal data to evaluate, analyze, or predict certain aspects relating to a user including, but not limited to, a user’s economic situation, health, personal preferences, interests, reliability, behavior, location, or movements.

(16)(a) “Publicly available data” means data that is lawfully made available from federal, state, or local government records, or data that a business has a reasonable basis to believe is lawfully made available to the general public by the individual or from widely distributed media or data made available by a person to whom the individual has disclosed the data if the individual has not restricted the data to a specific audience.

(b) “Publicly available data” does not mean biometric data collected by a covered online service about a minor without the minor’s knowledge.

(17)(a) “Reasonably likely to be accessed by a minor” means it is reasonable to expect that the covered online service would be accessed by an individual minor or by minors based on the covered online service meeting either of the following criteria:

(i) the individual is known to the covered online service to be a minor as defined in Section 39-80-10(7); or

(ii) the covered online service is directed to children as defined by the Children’s Online Privacy Protection Act, 15 U.S.C. Sections 6501-6506 and the Federal Trade Commission rules implementing that act.

(b) Where subitem (a)(i) is met, the covered online service must treat the particular individual as a minor. Where subitem (a)(ii) is met, the covered online service must treat all individuals using or visiting the covered online service as minors, except where the covered online service has actual knowledge that the individual is not a minor.

(18) “Sensitive personal data” means personal data that reveals:

(a) an individual’s social security number, driver’s license, state identification card, or passport number;

(b) an individual's account log-in, financial account, debit card, or credit card number in combination with any required security or access code, password, or credentials allowing access to an account;

(c) an individual's precise geolocation information;

(d) an individual's racial or ethnic origin, citizenship or immigration status, religious or philosophical beliefs, or union membership;

(e) the contents of an individual's mail, email, text messages, or other forms of communications that perform similar functions, including shared images and videos, unless the business is the intended recipient of the communication;

(f) an individual's genetic data;

(g) biometric data for the purpose of uniquely identifying an individual; or

(h) personal data concerning an individual's health.

(19)(a) "Targeted advertising" means displaying advertisements to an individual where the advertisement is selected based on personal data obtained or inferred from that individual's activities over time and across nonaffiliated websites or online applications to predict the individual's preferences or interest.

(b) "Targeted advertising" does not include:

(i) advertisements based on activities within a covered online service's own internet websites or online applications;

(ii) advertisements based on the context of an individual's current search query, visit to an internet website, or use of an online application;

(iii) advertisements directed to an individual in response to the individual's request for information or feedback; or

(iv) processing personal data solely to measure or report advertising frequency, performance, or reach.

(20) "User" means with respect to a covered online service an individual who uses the covered online service and who is located in South Carolina.

Section 39-80-20. (A) A covered online service shall exercise reasonable care in the use of a minor's personal data and the design and operation of the covered online service including, but not limited to, covered design features, to prevent the following harm to minors:

(1) compulsive usage of the covered online service;

(2) severe psychological harm including, but not limited to, anxiety, depression, self-harm or suicidal ideations;

- (3) severe emotional distress;
- (4) highly offensive intrusions on the minor's reasonable privacy expectations;
- (5) identity theft;
- (6) discrimination against the minor on the basis of race, ethnicity, sex, disability, or national origin; and
- (7) material financial or physical injury.

(B) "Harm" defined in this section is limited to those for which liability is permitted under 47 U.S.C Section 230, including as that provision is amended or repealed in the future.

(C) Nothing in this section may be construed to require a covered online service to prevent or preclude any user from deliberately and independently searching for or specifically requesting content, or accessing resources and information regarding the prevention or mitigation of the harm described in this section.

(D) The provisions contained in this chapter do not apply to:

- (1) a federal, state, tribal, or local government entity in the ordinary course of its operations;
- (2) personal data that is controlled by a covered online service that is:

(a) required to comply with:

- (i) Title V of the federal Gramm-Leach-Bliley Act;
- (ii) the federal Health Information Technology for Economic and Clinical Health Act; or
- (iii) regulations promulgated pursuant to Section 264(C) of the Health Insurance Portability and Accountability Act of 1996;

(b) in compliance with the information security requirements of the statutes or regulations identified in subitem (a).

(3) information including, but not limited to, personal data collected as part of a clinical trial subject to the federal policy for the protection of human subjects pursuant to human subject protection requirements of the U.S. Food and Drug Administration;

(4) The requirements of this chapter are in addition to and may not limit or restrict in any way the application of other laws including, but not limited to, statutes, regulations, and common law of South Carolina. In the event of a conflict between this chapter and one or more other laws, the law that affords the greatest protection to minors shall control.

Section 39-80-30. (A) A covered online service must provide a user or visitor to the service with easily accessible and easy-to-use tools

to:

(1) disable design features including, but not limited to, all covered design features, that are not necessary to provide the covered online service by allowing users to opt-out of the use of all such design features or any combination of such design features;

(2) limit the amount of time the user spends on the covered online service;

(3) limits, at the level of the user's choosing, the financial value of purchases and transactions on the covered online service if such purchases and transactions have not been disabled;

(4) block, disable, and render nonvisible messaging, requests, reactions, likes, comments, or other contact from account holders that are not already among the minor's existing connected accounts;

(5) restrict the visibility of the minor's account and information posted by the minor to only users with connected accounts;

(6) block, disable, and render nonvisible quantification of engagement including, but not limited to, providing a visible count of how many likes, comments, clicks, views, or reactions regarding any item generated by the user;

(7) disable search engine indexing of a user's account profile such that the account only shows within searches initiated by a user with a connected account;

(8) prohibit any other individual from viewing the user's connections to other users, regardless of the nature of the connection; and

(9) restrict the visibility of the user's location information to only those with whom the user specifically shares such information and provide notice when the minor's precise geolocation information is being tracked or shared.

(B) A covered online service must provide to a user the option to opt-out of personalized recommendation systems, except for optimizations based on the user's expressed preferences. A covered online service must establish this option as a default setting for any individual the covered online service knows to be a minor.

(C) A covered online service must establish, implement, and maintain as default settings for any individual the covered online service knows to be a minor the safeguards described in subsection (A).

Section 39-80-40. (A) Covered online services shall only collect, use, or share the minimum amount of a minor's personal data necessary to provide the specific elements of the covered online service with which

WEDNESDAY, JANUARY 14, 2026

a minor has knowingly engaged. Such personal data may not be used for reasons other than those for which it was collected. Minors' personal data collected for age verification or estimation cannot be used for other purposes and must be deleted after use.

(B) A covered online service shall only retain a minor's personal data as long as necessary to provide the specific elements of an online service with which a minor has knowingly engaged.

(C) Covered online services may not facilitate targeted advertising to minors.

(D) Precise geolocation information of minors cannot be collected by default unless necessary to the provision of the covered online service. An obvious notice to the minor must be provided when precise geolocation information is being collected or used.

(E) A covered online service must provide users with accessible and easy to use tools to prevent notifications and push alerts to an individual during specified times. To comply with this requirement, a covered online service must offer the user the option to prevent notifications and push alerts to an individual the covered online service knows is a minor between the hours of ten p.m. and six a.m. seven days a week year round and between the months of August and May between the hours of eight a.m. and three p.m. Monday through Friday in the minor's local time zone.

(F) A covered online service shall not profile an individual the covered online service knows is a minor, unless profiling is necessary to providing the covered online service with which a minor has knowingly requested and is limited to only the aspects of the covered online service with which a minor is actively and knowingly engaged.

(G) Settings for the protections required under this section must be set at the highest level of protection by default.

(H) If a covered online service allows parental monitoring or is required to provide parental monitoring by law, then it must provide obvious notice to the minor when they are being monitored.

Section 39-80-50. (A) Covered online services must provide parents with accessible and easy-to-use tools to help parents protect and support minors using the covered online services and these shall be on by default for any individual the covered online service knows to be a minor.

(B) The parental tools provided by the covered online services shall provide to the parents the ability to:

(1) manage the minor's account settings and change and control

the minor's privacy and account settings; and

(2) restrict a minor's purchases and other financial transactions.

(C) Among the parental tools provided by covered online services shall be one to enable parents to view the total time spent on a covered online service by a user the covered online service knows is a minor and allow the parent to place limits on the minor's use of the covered online service. The parental tools provided by covered online services must also offer parents the ability to restrict a minor's use of the covered online service during times of day specified by the parents, including during school hours and at night.

(D) Covered online services must notify a minor when any of the tools described in this section are in effect and what settings have been applied.

Section 39-80-60. (A) Covered online services shall establish mechanisms for parents, minors, and schools to report harm to minors on covered online services, especially those harms that pose an imminent threat to a minor.

(B) Covered online services are prohibited from facilitating ads directed to minors for products prohibited for minors including, but not limited to, narcotic drugs, tobacco products, gambling, and alcohol to users the covered online services know are minors.

(C) Covered online services are prohibited from using dark patterns.

(1) Use of dark patterns by a covered online service shall constitute an unlawful trade practice under Section 39-5-20 of the South Carolina Unfair Trade Practices Act.

(2) A covered online service that violates the provisions of this section are subject to the provisions, penalties, and damages of the South Carolina Unfair Trade Practices Act.

(D) Each covered online service that utilizes personalized recommendation systems is required to describe in its terms and conditions, in a clear, conspicuous, and easy-to-understand manner, how the systems are used to provide information to minors and information regarding how minors or their parents can opt-out of or control the systems.

(E) Covered online services are required to provide comprehensive, clear, conspicuous, and easy-to-understand information in a prominent location describing the design safety for minors, the privacy protections for minors, and the parental tools that the covered online service has adopted pursuant to this chapter. Such disclosure must also include a clear, conspicuous, and easy-to-understand explanation of how minors

and parents may utilize those design safety measures, privacy protections, and tools.

Section 39-80-70. (A) Annually, on or before July first, the covered online service must issue a public report prepared by an independent third-party auditor that contains a detailed description of the covered online service as it pertains to minors, including its covered design features, its use of personal data, and its business practices as they pertain to minors. The public report must be submitted to the Attorney General who shall post it in a prominent place on his internet website. Each report must include:

- (1) the purpose of the covered online service;
- (2) the extent to which the covered online service is likely to be accessed by minors;
- (3) an accounting of the total number and types of reports generated pursuant to Section 39-80-60(A) and assessment of how those reports were handled, if known;
- (4) whether, how, and for what purpose the covered online services collect or process minors' personal data and sensitive personal data;
- (5) the design safety for minors, the privacy protections for minors, and the parental tools that the covered online entity has adopted;
- (6) whether and how the covered online service uses covered designed features;
- (7) the covered online service's process for handling data access, deletion, and correction requests for a minor's data;
- (8) age verification or estimation methods used; and
- (9) description of algorithms used by the covered online service.

(B) Independent auditors that prepare reports required under this section are required to follow inspection and consultation practices designed to ensure that reports are comprehensive and accurate, and that the reports are prepared in consultation with experts on minors' use of covered online services.

(C) Covered online services are required to provide independent auditors that prepare reports required under this section full and complete cooperation and access to information and operations required to ensure that the report is comprehensive and accurate.

Section 39-80-80. (A) The Attorney General shall enforce the provisions contained in this chapter.

(B) A covered online service shall be liable for treble the financial

WEDNESDAY, JANUARY 14, 2026

damages incurred as a result of a violation of this chapter.

(C) The officers and employees of a covered online service may be held personally liable for wilful and wanton violations of this chapter.

SECTION 2. The requirements of this act are in addition to and shall not limit or restrict in any way the application of other laws including, but not limited to, statutes, regulations, and common law of this State. In the event of a conflict between this act and one or more other laws, the law that affords the greatest protection to minors shall control.

SECTION 3. If any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this act is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of the remaining portions of this act, the General Assembly hereby declaring that it would have passed this act, and each and every section, subsection, paragraph, subparagraph, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more other sections, subsections, paragraphs, subparagraphs, sentences, clauses, phrases, or words hereof may be declared to be unconstitutional, invalid, or otherwise ineffective.

SECTION 4. This act takes effect upon approval by the Governor.
