Volume 44 Issue No. 1
This issue contains notices, proposed regulations, emergency regulations, final form regulations, and other documents filed in the Office of the Legislative Council, pursuant to Article 1, Chapter 23, Title 1, Code of Laws of South Carolina, 1976.
An official state publication, the South Carolina State Register is a temporary update to South Carolina’s official compilation of agency regulations—the South Carolina Code of Regulations. Changes in regulations, whether by adoption, amendment, repeal or emergency action must be published in the State Register pursuant to the provisions of the Administrative Procedures Act. The State Register also publishes the Governor’s Executive Orders, notices or public hearings and meetings, and other documents issued by state agencies considered to be in the public interest. All documents published in the State Register are drafted by state agencies and are published as submitted. Publication of any material in the State Register is the official notice of such information.

**STYLE AND FORMAT**

Documents are arranged within each issue of the State Register according to the type of document filed:

**Notices** are documents considered by the agency to have general public interest. **Notices of Drafting Regulations** give interested persons the opportunity to comment during the initial drafting period before regulations are submitted as proposed. **Proposed Regulations** are those regulations pending permanent adoption by an agency. **Pending Regulations Submitted to the General Assembly** are regulations adopted by the agency pending approval by the General Assembly. **Final Regulations** have been permanently adopted by the agency and approved by the General Assembly. **Emergency Regulations** have been adopted on an emergency basis by the agency. **Executive Orders** are actions issued and taken by the Governor.

**2020 PUBLICATION SCHEDULE**

Documents will be accepted for filing on any normal business day from 8:30 A.M. until 5:00 P.M. All documents must be submitted in the format prescribed in the Standards Manual for Drafting and Filing Regulations.

To be included for publication in the next issue of the State Register, documents will be accepted no later than 5:00 P.M. on any closing date. The modification or withdrawal of documents filed for publication must be made by 5:00 P.M. on the closing date for that issue.

REPRODUCING OFFICIAL DOCUMENTS

Documents appearing in the State Register are prepared and printed at public expense. Media services are encouraged to give wide publicity to documents printed in the State Register.

PUBLIC INSPECTION OF DOCUMENTS

Documents filed with the Office of the State Register are available for public inspection during normal office hours, 8:30 A.M. to 5:00 P.M., Monday through Friday. The Office of the State Register is in the Legislative Council, Fourth Floor, Rembert C. Dennis Building, 1000 Assembly Street, in Columbia. Telephone inquiries concerning material in the State Register or the South Carolina Code of Regulations may be made by calling (803) 212-4500.

ADOPTION, AMENDMENT AND REPEAL OF REGULATIONS

To adopt, amend or repeal a regulation, an agency must publish in the State Register a Notice of Drafting; a Notice of the Proposed Regulation that contains an estimate of the proposed action’s economic impact; and, a notice that gives the public an opportunity to comment on the proposal. If requested by twenty-five persons, a public hearing must be held at least thirty days after the date of publication of the notice in the State Register.

After the date of hearing, the regulation must be submitted to the General Assembly for approval. The General Assembly has one hundred twenty days to consider the regulation. If no legislation is introduced to disapprove or enacted to approve before the expiration of the one-hundred-twenty-day review period, the regulation is approved on the one hundred twentieth day and is effective upon publication in the State Register.

EMERGENCY REGULATIONS

An emergency regulation may be promulgated by an agency if the agency finds imminent peril to public health, safety or welfare. Emergency regulations are effective upon filing for a ninety-day period. If the original filing began and expired during the legislative interim, the regulation can be renewed once.

REGULATIONS PROMULGATED TO COMPLY WITH FEDERAL LAW

Regulations promulgated to comply with federal law are exempt from General Assembly review. Following the notice of proposed regulation and hearing, regulations are submitted to the State Register and are effective upon publication.

EFFECTIVE DATE OF REGULATIONS

Final Regulations take effect on the date of publication in the State Register unless otherwise noted within the text of the regulation.

Emergency Regulations take effect upon filing with the Legislative Council and remain effective for ninety days. If the original ninety-day period begins and expires during legislative interim, the regulation may be refiled for one additional ninety-day period.

Executive Order No. 2019-39

WHEREAS, the State of South Carolina is experiencing historic economic growth, and continued prosperity requires that businesses have access to a pipeline of prospective employees who are educated, trained, and ready to work; and

WHEREAS, employment and education are the most direct and efficient means to equip and empower individuals to both achieve and enhance social and economic independence and standing, which are associated with improved health outcomes for individuals and families; and

WHEREAS, numerous state and federal public assistance programs currently provide support to individuals seeking education and employment, including Unemployment Insurance (“UI”), Supplemental Nutrition Assistance Program (“SNAP”), Vocational Rehabilitation, and Medicaid benefits for qualified working disabled individuals; and

WHEREAS, individuals attaining employment after incarceration are less likely to reoffend than those who remain unemployed following release; and

WHEREAS, in 2018, the United States Department of Health and Human Services (“USDHHS”), Centers for Medicare and Medicaid Services (“CMS”) invited state Medicaid programs to seek waiver authority to require certain able-bodied recipients of public assistance to pursue community engagement, education, job training, or employment in order to “help such families and individuals attain or retain capability for independence or self-care” in accordance with Section 1901 of the Social Security Act; and

WHEREAS, the South Carolina Department of Health and Human Services (“SCDHHS”) is the single state agency responsible for administering the Medicaid program in South Carolina pursuant to Title XIX, Section 1902(a)(5) of the Social Security Act and section 44-6-30(1) of the South Carolina Code of Laws, as amended; and

WHEREAS, SCDHHS currently incentivizes employment by disregarding certain earned income when making eligibility determinations to ensure individuals seeking economic self-sufficiency do not lose access to health coverage while transitioning to the workforce; and

WHEREAS, SCDHHS submitted Community Engagement Section 1115 Demonstration Waivers to CMS on May 8, 2019, and the corresponding federal public comment period ended on July 10, 2019; and

WHEREAS, it is anticipated that CMS will approve SCDHHS’s Community Engagement Section 1115 Demonstration Waivers, subject to special terms and conditions, on or about December 12, 2019; and

Notice of Drafting:

On November 27, 2019, the Office of Regulatory Staff (ORS) filed a Petition for Rulemaking with the Public Service Commission for the purpose of promulgating a regulation to help prevent the potential for misleading advertisements by prohibiting the sale of customer data by regulated utilities, absent a customer’s direct consent. The Public Service Commission seeks to draft a new regulation which addresses the ORS’s Petition for Rulemaking. Interested persons may submit comments to the Public Service Commission, Clerk’s Office, 101 Executive Center Drive, Suite 100, Columbia, South Carolina 29210. Please reference Docket Number 2019-387-A. To be considered, comments must be received no later than 4:45 p.m. on Thursday, March 12, 2020.

Synopsis:

In the ORS’s Petition for Rulemaking, it stated that “the protection of the public interest requires that the Commission hold a rulemaking proceeding to determine appropriate parameters and standards regarding a utility’s use of customer data.” ORS further recommended in its Petition that “the regulations regarding a utility’s ability to sell customers’ data be examined. ORS recommends the Commission consider regulations to apply to all regulated utilities that help prevent the potential for misleading advertisements by prohibiting the sale of customer data by regulated utilities absent a customer’s consent.” After the ORS filed its Petition for Rulemaking for the purpose of promulgating a regulation to help prevent the potential for misleading advertisements by prohibiting the sale of customer data by regulated utilities, absent a customer’s direct consent, the Commission issued Order Number 2019-877 on December 18, 2019. In Order Number 2019-877, the Commission approved the ORS’s request to initiate a rulemaking, and the Commission opened a docket for this rulemaking. On December 20, 2019, the ORS filed its Proposed Regulation to Protect Customer Data with the Public Service Commission. The ORS’s Proposed Regulation can be viewed on the Commission’s Docket Management System (psc.sc.gov) under Docket Number 2019-387-A.

Legislative review of this proposal will be required.

Statement of Need and Reasonableness:

DESCRIPTION OF REGULATION:

Purpose: To provide a process for issuance of a provisional license to kin who want to provide foster care.

Legal Authority: 1976 Code Sections 43-1-80 and 63-7-2320.

Plan for Implementation: The amended regulation will take effect upon approval by the General Assembly and upon publication in the State Register. DSS will notify staff and licensing partners of the amended regulation, provide training, and post the amended regulation on the agency’s website.

DETERMINATION OF NEED AND REASONABLENESS OF THE PROPOSED REGULATION BASED ON ALL FACTORS HERETIN AND EXPECTED BENEFITS:

The agency is adding a process for provisional licensure of kinship caregivers under specified conditions. This process will allow children in foster care to be placed with a family member while the agency works with biological parents to remedy child safety and risk concerns. The agency expects benefits including, but not limited to, fewer children being placed in foster care with unrelated caregivers, reducing the trauma associated with removal from biological parents, maintaining connections to siblings, extended family, and community, and enhanced placement stability while in foster care.
DETERMINATION OF COSTS AND BENEFITS:

The costs associated with the amended regulation are $155,000. Provisional licensure of kinship caregivers who meet specified conditions will allow children who need foster care to be placed in the care of adults who know the children or their families; lessening the trauma of removal from biological parents, maintaining connections to siblings; extended family, and community; and enhancing placement stability while in foster care.

UNCERTAINTIES OF ESTIMATES:

The only uncertainties are those associated with not knowing in advance the precise number of relatives who might qualify for provisional licensure.

EFFECT ON ENVIRONMENT AND PUBLIC HEALTH:

This regulation will have no effect on the environment. This regulation contributes to the agency’s function of protecting public welfare and promoting safety, permanency, and well-being for children.

DETRIMENTAL EFFECT ON THE ENVIRONMENT AND PUBLIC HEALTH IF THE REGULATION IS NOT IMPLEMENTED:

There will be no detrimental effect on the environment and public health of this State if this regulation is not implemented.
