2 EXECUTIVE ORDERS

Executive Order No. 2022-17

WHEREAS, the undersigned has been notified of the passing of Deputy Austin Derek Aldridge of the Spartanburg County Sheriff’s Office, who dutifully served as a law enforcement officer in this State and died in the line of duty; and

WHEREAS, Deputy Aldridge dedicated his life to protecting and serving the people of the State of South Carolina and the residents of Spartanburg County, and his loss warrants the people of this State appropriately recognizing his distinguished service and honoring his supreme sacrifice; and

WHEREAS, Title 4, Section 7(m) of the United States Code, as amended, provides that “[i]n the event of . . . the death of a first responder working in any State, territory, or possession who dies while serving in the line of duty, the Governor of that State, territory, or possession may proclaim that the National flag shall be flown at half-staff”; and

WHEREAS, section 1-3-470 of the South Carolina Code of Laws, as amended, authorizes the undersigned, on the day of burial or other service for any law enforcement officer in this State who died in the line of duty, to order that all flags on state buildings be lowered to half-staff in tribute to the deceased law enforcement officer and to request that flags over the buildings of the political subdivisions of this State similarly be flown at half-staff for this purpose.

NOW, THEREFORE, by virtue of the authority vested in me as Governor of the State of South Carolina and pursuant to the Constitution and Laws of this State and of these United States and the powers conferred upon me therein, I hereby order that all flags on state buildings be lowered to half-staff from sunrise until sunset on Sunday, June 26, 2022, in tribute to Deputy Aldridge and in honor of his selfless service, remarkable bravery, and supreme sacrifice in the line of duty. I request that all flags over the buildings of the political subdivisions of this State similarly be flown at half-staff for this purpose. This Order is effective immediately.

Executive Order No. 2022-18

WHEREAS, the Order of the Palmetto, the State of South Carolina’s highest civilian honor, was established by Governor John C. West in 1971 and may be presented by the Governor to natives or residents of the State in recognition of a lifetime of extraordinary achievement, service, and contribution to the well-being of the State and Nation; and

WHEREAS, the Order of the Silver Crescent, the State of South Carolina’s most prestigious service award, was established by Governor David Beasley in 1997 and may be presented by the Governor to natives or residents of the State in recognition of a remarkable achievement or action or an individual’s significant community service or volunteerism at the local level; and

WHEREAS, individuals who are neither natives nor current residents of the State of South Carolina but who have nevertheless made significant contributions to the State of South Carolina or benefitted the State by demonstrating or displaying remarkable leadership, service, or achievement may have heretofore warranted
Executive Order No. 2022-19

WHEREAS, transparency must be absolute and uncompromised to maintain the public’s trust and confidence in government and to ensure that the public is aware of the manner in which public funds are appropriated and expended and can hold the relevant individuals, entities, and officials accountable for the same; and

WHEREAS, for the foregoing reasons, the undersigned has consistently objected to the General Assembly’s practice of appropriating public funds to—or, more appropriately, through—state agencies, which often did not request such funds and were not consulted regarding the intended use of the public funds, and directing or expecting such agencies to provide these “earmarked” appropriations to private entities or projects selected by individual members of the General Assembly; and

WHEREAS, in many instances, these earmarked appropriations are not accompanied by sufficient information identifying the intended recipient of the public funds or the purposes for which such funds were appropriated and are intended to be utilized; and

WHEREAS, after decades of overriding vetoes of successive Governors, including the undersigned, the leadership of the Senate and the House of Representatives recently began publicly disclosing the legislative sponsors and intended recipients of earmarked appropriations; and

WHEREAS, although the aforementioned development is a positive step—which will subject previously undisclosed information regarding earmarked appropriations to public inspection, debate, and
scrutiny—additional safeguards are necessary to ensure that appropriations serve a valid public purpose and that the recipients expend the appropriations in accordance with the Appropriations Act and comply with other applicable law; and

WHEREAS, it is axiomatic that the appropriation of public funds is a distinctly legislative function entrusted to the General Assembly, see S.C. Const. art. III, § 1; Gilstrap v. S.C. Budget & Control Bd., 310 S.C. 210, 216, 423 S.E.2d 101, 105 (1992), and that the General Assembly “has the right to specify the conditions under which the appropriated monies shall be spent,” State ex rel. Condon v. Hodges, 349 S.C. 232, 244, 562 S.E.2d 623, 630 (2002); and

WHEREAS, in exercising this legislative authority, the General Assembly has determined to appropriate hundreds of millions of dollars in public funds each year to private entities or projects through earmarked appropriations to, or through, state agencies without subjecting such entities or projects to any competitive process or objective, merits-based public evaluation; and

WHEREAS, although the Governor “has the ability, after the General Assembly has passed a budget, to veto items or sections contained within the budget,” Edwards v. State, 383 S.C. 82, 91, 678 S.E.2d 412, 417 (2009) (citation omitted); see S.C. Const. art. IV, § 21, “[o]nce the legislature enacts a law, all that remains is the efficient enforcement and execution of that law,” Knotts v. S.C. Dep’t of Nat. Res., 348 S.C. 1, 7, 558 S.E.2d 511, 514 (2002); and

WHEREAS, while “[c]hief executive agencies are required to comply with the General Assembly’s enactment of a law until it has been otherwise declared invalid,” Edwards, 383 S.C. at 91, 678 S.E.2d at 417 (citation omitted), “[t]he administration of appropriations is a function of the executive department,” id. (citation omitted); and

WHEREAS, “[t]he power to execute a law is not incidental to the power to appropriate, but is a separate executive power,” Knotts, 348 S.C. at 7, 558 S.E.2d at 514, and the Governor exercises the executive power of this State, see S.C. Const. art. IV, §§ 1, 15; and

WHEREAS, to ensure that sufficient context, description, justification, and information regarding earmarked appropriations be made available for South Carolinians to evaluate the merit of those entities or projects funded with public funds and to enable the proper exercise of the undersigned’s authority to approve or veto the same, see S.C. Const. art. IV, § 21, the undersigned sent a letter to the Members of the General Assembly, dated May 16, 2022, requesting specific information regarding each earmarked appropriation in the 2022–23 Appropriations Act, Act No. 239 of 2022; and

WHEREAS, pursuant to the information, or lack thereof, submitted by Members of the General Assembly in response to the aforementioned request, the undersigned vetoed seventy-three earmarked appropriations, of which the General Assembly sustained forty-six, which ultimately prevented $35,664,029 in public funds from being allocated to, or through, state agencies for use by private entities or projects without sufficient explanation of the intended purpose or justification of merit; and

WHEREAS, the South Carolina Constitution imposes limitations relating to the expenditure of public funds and requires certain reporting regarding the same, to include mandating that “[m]oney shall be drawn from the treasury of the State . . . only in pursuance of appropriations made by law,” S.C. Const. art. X, § 10, dictating that “[a]n accurate statement of the receipts and expenditures of the public money shall be published annually in such a manner as may be prescribed by law,” S.C. Const. art. X, § 9, and providing that “[b]ills appropriating money out of the Treasury shall specify the objects and purposes for which the same are made, and appropriate to them respectively their several amounts in distinct items and sections,” S.C. Const. art. IV, § 21; and
WHEREAS, section 11-9-10 of the South Carolina Code of Laws, as amended, similarly provides that “[i]t shall be unlawful for any moneys to be expended for any purpose or activity except for which it is specifically appropriated”; and

WHEREAS, in addition to requiring the disclosure of additional information regarding earmarked appropriations, the General Assembly also recently amended and strengthened the requirements in Proviso 117.21 of the Appropriations Act, specifying that “[e]ach state agency receiving funds that are a direct appropriation to a non-profit organization, prior to disbursing the funds, shall require from each recipient organization a plan of how the state funds will be spent and how the expenditures will provide a public benefit”; providing that “[a]fter receiving the funds, non-profit organizations shall provide quarterly spending updates to the respective state agency”; requiring that “[a]fter all state funds have been expended, each organization shall provide an accounting of how the funds were spent”; and directing that the state agencies receiving such information shall report the same to the Executive Budget Office, the Chairman of the Senate Finance Committee, and the Chairman of the House Ways and Means Committee by June 30; and

WHEREAS, article IV, section 17 of the South Carolina Constitution provides that “[a]ll State officers, agencies, and institutions within the Executive Branch shall, when required by the Governor, give him information in writing upon any subject relating to the duties and functions of their respective offices, agencies, and institutions, including itemized accounts of receipts and disbursements”; and

WHEREAS, section 1-1-840 of the South Carolina Code of Laws, as amended, similarly authorizes the Governor to “call upon any department or institution at any time for such special reports as may be deemed in the interest of the public welfare”; and

WHEREAS, section 1-3-10 of the South Carolina Code of Laws, as amended, also requires that “[t]he departments, bureaus, divisions, officers, boards, commissions, institutions and other agencies or undertakings of the State, upon request, shall immediately furnish to the Governor, in such form as he may require, any information desired by him in relation to their respective affairs or activities”; and

WHEREAS, at present, South Carolinians are better positioned than ever to hold Members of the General Assembly to account for discharging their duty to be good stewards of public funds, but the undersigned is authorized to take additional proactive action and impose additional safeguards in the administration of appropriations to facilitate transparency and accountability, to enhance the public’s trust and confidence in government, and to ensure that the public is aware of the manner in which public funds are appropriated and expended and can hold the appropriate individuals, entities, and officials accountable.

NOW, THEREFORE, by virtue of the authority vested in me as Governor of the State of South Carolina and pursuant to the Constitution and Laws of this State and the powers conferred upon me therein, I hereby order and direct as follows:

Preliminary Fiscal Impact Statement:

There will be no increased costs to the State or its political subdivisions.

Statement of Need and Reasonableness:

Following the enactment of the Family First Prevention Services Act of 2018 (Public Law 115-123) these regulations are being further updated to establish and maintain standards for residential group care organizations that are reasonably aligned with recommended standards of national organizations concerned with standards for such organizations, to clarify certain requirements, and to improve consistency in the interpretation of the regulations.

DESCRIPTION OF REGULATION:

Purpose: The Agency is amending and updating Regulations 114-590 through 114-595 (Residential Group Care Organizations for Children) to reinforce requirements established by the Family First Prevention Services Act of 2018 (Public Law 115-123), to enhance clarity, and to improve consistency in the interpretation of the regulations.

DETERMINATION OF COSTS AND BENEFITS:

The costs associated with the regulations are primarily related to licensing and administrative functions, as well as foster care maintenance payments.
